Have you ever fantasized about embarking on a journey of feminization? Have you always dreamed about becoming a sissy boy, but was never sure about how to do it or what to do?If yes, then this book is exactly for you. Over the years, I have received many inquiries from sissy boys around the world about how to get started on feminization. Some wanted to know how to start. Others wanted to know the next step. Still others had no idea of what this training was all about and how it could help them get in touch with their feminine side and live the life of their dreams. This book is supposed to act as a guide for such people. It may not provide you with all the information you need on your feminization journey. But it will surely get you started. It will help you learn about feminization. It will help you realize how it can complete you as an individual. It will also provide exhaustive resources that can further help you in this journey. It will help you learn about forced feminization, about what it is, and how you can enjoy it to fulfill your own sexual fantasies.

I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores, for financial reasons and or immigration reasons they allowed this to happen. The story includes French maids, anal sex, oral sex, spankings, canings, whippings, strapping's, domination and submission, corner time, and a great amount of humiliation, etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. A continuing series of special, good and bad, characters.

**In her revealing tell all book Janice Parker sheds light on the unique relationship between sissy maids and their families. With her unique style she also gently probes the special platonic relationship that typically exists between a Mistress and her sissy maid. For good reasons most crossdressers generally don't share their secret fantasy life with anyone. They tend to stay particularly hush-hush with their family members and they try desperately to keep them unaware of their activities. In Sissy Maid Family you'll find out what happens to Merri when her sister accidently discovers her secret obsession with crossdressing and her intimate passion for maid service.**

**In recent years transgender has emerged as a subject of increasing social and cultural interest. This volume offers vivid accounts of the diversity of living transgender in today's world. The first section, "Emerging Identities," maps the ways in which social, cultural, legal and medical developments shape new identities on both an individual and collective level. Rather than simply reflecting social change, these shifts work to actively construct contemporary identities. The second section, "Trans Governance," examines how law and social policy have responded to contemporary gender shifts. The third section, "Transforming Identity," explores gender and sexual identity practices within cultural and subcultural spaces. The final section, "Transforming Society?," offers a theoretical reflection on the increasing visibility of trans people in today's society and traces the challenges and the contributions transgender theory has brought to gender theory, queer theory and sociological approaches to identity and citizenship. Featuring contributions from throughout the world, this volume represents the cutting-edge scholarship in transgender studies and will be of interest to scholars and students interested in gender, sexuality, and sociology.**

During the Cold War, freedom of expression was vaunted as liberal democracy's most cherished possession—but such freedom was put in service of a hidden agenda. In The Cultural Cold War, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called “the most comprehensive account yet of the [CIA’s] activities between 1947 and 1967” by the New York Times, the book presents shocking evidence of the CIA’s undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA’s astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is “a real contribution to popular understanding of the postwar period” (The Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney’s films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

"Dave King and Richard Ekins are the leading world sociologists in this field. The book brings together a brilliant synthesis of history, case studies, ideas and positions as they have emerged over the past thirty years, and brings together a rich but always grounded account of this field, providing a state of the art of critical concepts and ideas to take this field further during the twenty first cent. Ken Plummer, University of Essex "An outstanding survey of the evolution of trans phenomena, splendidly written, highly informative, scholarly at its best, yet easy to read even for those neither trans nor sociologist. Ekins and King, experts in the field, unroll the panoramas of sex, gender, and transgendering that have evolved during the last decades. For everyone wanting to understand the interaction of women and men and of those who cannot or will not identify with either of these two cataegories, reading this book is a must, and a real pleasure." - Friedmann Pfaefflin, University of ULM This groundbreaking study sets out a framework for exploring transgender diversity for the new millennium. It sets forth an original and comprehensive research and provides a wealth of vivid illustrative material. Based on two decades of fieldwork, life history work, qualitative analysis, archival work and contact with several thousand cross-dressers and sex-changers around the world, the authors distinguish a number of contemporary transgendering 'stories' to illustrate: The binary male/female divide The interrelations between sex, sexuality and gender The interrelations between the main sub-processes of transgendering. Wonderfully insightful, The Transgender Phenomenon develops an original and innovative conceptual framework for understanding the full range of the transgender experience.

Available together for the first time, all 4 parts in this exciting series at one bargain price!Jonah failed at high school, but he's been given a second chance at an all-male college. He's unpopular however until masculine, muscular Mike takes Jonah under his wing.Jonah is effeminate, the youngest of four boys,

conceived by a different father, and the last to still live at home. His mother is forever encouraging him to find love with another boy, despite his protests, and is thrilled when he befriends Mike.Mike saves Jonah from a brutal incident on the sports field, then invites him to a party. But there's a misunderstanding about hot girls. Mike appears to promise them, but soon claims Jonah said he'd bring them. Before Jonah can set the record straight every popular guy in college is already expecting them.What Jonah fails to realise is there'll be a forfeit if he fails to deliver, and that may involve Mike and the rest of the guys insisting Jonah transforms himself into a hot girl.

As Jill and I were ready to go to college and start a new chapter in our lives, I can tell you this about how Jill and I were raised by our parents. Understanding that the first job of a parent is to protect their children and teach their children to be responsible adults, what could I say? Our parents did the best job that a parent could do. Both Jill and I are the most loving and obedient and smart and responsible kids anyone could ever want. We did not drink, gamble, sniff glue, smoke, take dope, or get pregnant. We both got great marks in school. Over the past five years, of the hairbrush era, Jill was spanked only 6 times. That was not a lot over 5 years. Jill turned out to be such a confident and responsible young lady. I was even impressed with her. Mom taught her well and Jill learned well. Over that same five years, I was spanked 13 times and I was caned that last time to total 14 times I was punished. However, that was only three times per year. I never was punished when I did not deserve to be punished, so I earned every one of those Spankings. However, I turned out to be the most respectful and loving and nice son anyone could ask for. Yes, and obedient too. But, never once did I ever think that my Mon was mean to me or too hard on me. My Mom did what she had to do to get me though those growing years that were so much trouble for many of my friends. Looking back on all the pain and embarrassment and humiliation, I appreciated my Mom for caring enough to be my Mom and not my friend when I needed a Mom. Mom was my friend the rest of the time. Jill and I get along better than any other siblings we know. Jill and I truly care about one another and understand our perspective roles in our growing up process together. As a result, Jill got me a room in the same house she and a few friend rented as their own personal college dorm. How great is that going to be, me and five girls in the same house, I can't wait!!!!!!!!!!!!!!

Anne of Windy Poplars' is the fourth book in the ‘Anne of Green Gables’ series. In this novel, 22-year-old Anne has left college to serve as principal of Summerside High School and settles down in Windy Poplars. Anne has to overcome opposition to her presence from an influential family, the Pringles. The Pringles family make it well known she was not what they had hoped for in their new Principial. She also finds new friends in Aunt Kate, Aunty Chatty and Rebecca Dew. This early work by Lucy Maud Montgomery was originally published in 1936 and we are now republishing it with a brand new introductory biography. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled ‘Anne of Green Gables’. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name. Montgomery died in Toronto on 24th April 1942.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children’s imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn’t stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past. However, never have these lessons been combined in a back-to-back format before, so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier or more grounded in your “sissyhood”. At the end of this manual you will find a mandatory Sissy Test, and whether you have taken this or another test in the past, you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program. I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90. Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course. You are encouraged to document your journey by writing about your experiences on my blog www.mistress-dede.com I wish you all the best of luck! With love, Mistress Dede

*We left off in the last book, THE TRUTH WILL SET YOU FREE???? with a not guilty verdict in a murder case and later, a spanking from Cally at home. I was looking forward to getting back to my nice quiet life at home being Callys maid and being Callys husband. To me that was better than going out of the house for most any reason. However, our lives just dont seem to be following my desires as before a week was over, David called Cally with another murder case where he was at a loss to formulate any defense for his client, Oliver. So, Cally and I interviewed Oliver, the accused, believed he was innocent and took on the challenge to find the truth that could set Oliver free. The case did not turn out the way we expected and that turned out very bad for me. Oliver went to prison and Cally punished me. But, I never give up and started over and tried to find the truth. I was determined to set Oliver free. One of the biggest surprises came with one of Americas most decorated Generals taking the witness stand; that was a real shocker. Then as life seems to be finding its own path, there were problems with milly and her sissy maid service to Molly. *All the Elle Mesen sissy maid books in one collection. Save 20% by buying them together. Book 1: When a beautiful young lawyer discovers her boyfriend dressed in satin and pleasuring himself to a forced feminisation video, she immediately terminates the relationship. Penniless, and with nowhere else to go, the ex-boyfriend must accept the only option available - to work as her live in cleaner. Forced to serve her while she starts dating, he soon learns that his duties go far beyond those of any cleaner and is soon her sissy maid. Not content with his work at home, his ex-girlfriend sends him to work as a secretary for Charles Davant, a local businessman with a reputation for a firm hand but an open employment policy for transgender girls.Thus the plot is set for a series of events in which our unnamed protagonist experiences forced feminisation, and scores the BDSM triple whammy of cuckold, sissy maid and total submission both to a mistress and master.Alternatively titled 'La Vengeresse,' this erotic novel offers the reader unprecedented quality in plot, humor and erotic thrills within the genre of gender variant fiction. This work not only explores the feminisation experiences of the young man, but is a fascinating portrait of a woman who learns that she enjoys the art of feminine domination (femdom) and the humiliation of men.Book 2: When Harriet falls for her beautiful lesbian colleague, Charlotte, her husband is sidelined. Unfortunately for the new couple, though, he's legally entitled to stay in the house and has no intention of leaving (and every intention of making life difficult.) When mysterious goings on are detected in their lingerie drawer, however, Charlotte begins to suspect something, and calls sissy hunter/dominatrix, Mistress Elle.After skillfully exposing him for what he is: a submissive sissy, Harriet's husband is duly humiliated, uniformed and instructed in his new role as a sissy maid. Utterly dominated by three strong women, he finds himself deep in feminization and frilly submission. Based on a true story, this gripping narrative takes you through the entire method by which Elle Mesen identifies, exposes and trains sissy maids. It features strap-on humiliation, forced feminization, curtsying, and all the minutiae of a maid's life from regulation nightwear to milking schedules. Book 3: After his girlfriend leaves him, Jack enters therapy and learns to accept and embrace his submissive fantasies. After hearing about Elle Mesen Recruitment he applies for a part time position to fulfill his dream of being sissy maid to a black man that will dominate him and a strong woman who can serve up humiliation.However, despite the fact he seems to be moving forward, Jack's heart still lies with the girl that left him and the unresolved sexual issues which broke them. Not understanding just what submission to Elle Mesen means, the young executive will soon face a cuckolding experience that takes him right back to the painful feeling of inadequacy that ruined his relationship.A powerful portrait of the contradictions that lie at the heart of cuckolding and transgender fantasy, this novella will excite you with its unrelenting narrative of feminization, female domination and interracial cuckolding. The second in our 'Sissy Maid' series, this book will stimulate your grey matter but should not be read in public as an embarrassing bulge is inevitable: you've been warned!*
