This sketch is written for the good of those that have written and prayed that the slaves might be a freed people, and have schools and books and learn to read and write for themselves; and the Lord, in His love for us and to us as a race, has ever found favor in His sight, for when we were in the land of bondage He heard the prayers of the faithful ones, and came to deliver them out of the Land of Egypt.

THIS EDITION HAS BEEN REPLACED BY A NEWER EDITION. This enlarged edition of the most significant and celebrated slave narrative now completes the Jacobs family saga, surely one of the most memorable in all of American

history. John Jacobs's short slave narrative, *A True Tale of Slavery*, published in London in 1861, adds a brother's perspective to Harriet Jacobs's own autobiography. It is an exciting addition to this now classic work, as John Jacobs presents additional historical information about family life so well described already by his sister. Importantly, it presents the people, places, and events Harriet Jacobs wrote about from the different perspective of a male narrator. Once more, Jean Yellin, who discovered this long-lost document, supplies annotation and authentication. She has also brought her Introduction up to date.

Sapphira Colbert proceeds to persecute a once happy slave girl, Nancy, when Sapphira suspects her husband admires Nancy.

In 1859 twelve-year-old Clotee, a house slave who must conceal the fact that she can read and write, records in her diary her experiences and her struggle to decide whether to escape to freedom.

Incidents in the Life of a Slave Girl, written by herself

is an autobiography by Harriet Jacobs, a mother and fugitive slave, published in 1861 by L. Maria Child, who edited the book for its author. Jacobs used the pseudonym Linda Brent. The book documents Jacobs's life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that female slaves faced as well as their efforts to practice motherhood and protect their children when their children might be sold away.

A book by Dr. A. Thompson talks about the story of a slave girl, Zina during a time when slave trade was the order of the day. She met a nice man who respected her honest attributes and would be happy to fight for her freedom. Will she get the liberty he wishes? Will her story change for the better?

The words of her father echo in a young girl's head: Never want what you can never have. On the day of the Mexican Goddess of Grass, Malinalli, she takes that name until 1519 begins her new Christian life as Marina, one of twenty slaves given to Conquistador Hernán Cortés after he defeats the natives of Tabasco. Having been sold into slavery by a wicked stepfather, Malinalli has learned Mayan as well as her native tongue Nahuatl. When Cortés discovers she can speak two languages, he makes her his interpreter and keeps her close to his side. His soldiers admire her and give her the respectful title of Doña Marina (Lady Marina). Later, as she learns Spanish and becomes trilingual, she helps Cortés form alliances among Nahuatl speakers who hate Moctezuma II, a tyrant who has waged wars on neighboring tribes to obtain captives for human sacrifice. Cortés and his coalition of Spanish conquistadors and Tlaxcalan warriors lead a fierce attack upon the Aztec empire, conquer Moctezuma, and thus change the fate of Mexico and Spain forever. Although Cortés comes to love Marina, she brings out his best qualities, he allows her to marry a hidalgo lover for her future protection. Yet Cortés and Malinalli (also called La Malinche) become a team that rebuilds a devastated nation, shapes its Christian destiny, and leaves a proud legacy for two nations enriched each other even as they tried to destroy each other.

It details their struggles with rape, the pressure to have sex at an early age, the selling of their children, and the treatment of female slaves by their mistresses. Jacobs began composing Incidents in the Life of a Slave Girl while living and working at Idlewild, the Hudson River home of writer and publisher Nathaniel Parker Willis, who was fictionalized in the book as Mr. Bruce. Portions of the book were published in serial form in the New-York Tribune, owned and edited by Horace Greeley. Jacobs's reports of sexual abuse were considered too shocking to the average newspaper reader of the day, and publication ceased before the completion of the narrative. The Boston publishing house Phillips and Samson agreed to print the work in book form if she could convince Willis or Harriet Beecher Stowe to provide a preface. She refused to ask for help and Stowe turned her down, though the Phillips and Samson company closed in 1859. She eventually managed to sign an agreement with the Thayer & Eldridge publishing house, and they requested a preface by Lydia Maria Child. Child also edited the book and the com

Incidents in the Life of a Slave Girl is one of the first personal narratives written by a slave and one of the few written by a woman. Harriet Jacobs, Linda Brent, was a slave in North Carolina who suffered terribly at the hands of a ruthless owner. She made several failed attempts to escape before successfully making her way north, a process that took years of hiding and slow travel. Jacobs is now perhaps the most read and studied Black American woman of the nineteenth century. "Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course."

This 1861 account of life as a slave made an impassioned plea for the cause of abolition in America.

Harriet Jacobs once said, "Slavery is terrible for men, but it is far more terrible for women". Yes indeed. Men faced many hardships during

slavery. They were beaten severely, starved, worked to the point where they couldn't anymore and many more sufferings. On the other hand, women also faced these similar hardships and had to suffer even more. They would have to watch their children being taken away from them and sometimes never see them again. Women had to also deal with their Master trying to sexually harass them and so on. This is the story of Harriet Ann Jacobs, a story of slavery of the 19th century, a story of terrible human suffering, and the story that, later on, played a significant role in the abolitionist movement. Slavery still continues everywhere in the world, its operational styles have changed but its brutality has remained the same, it harms human lives in the same way it used to harm in the past. Today, there are many women (and men too) like Harriet Jacobs are suffering in slave trades in many parts of the world under our very eyes, 19th century's Harriet represents many other slave women who need to free like Harriet finally was. Hence, Harriet's story has been brought here as the 2nd volume of ABSURD's "Slave Narrative" series as a wake-up call to save the victims of slavery and to save the mankind. Harriet A. Jacobs's *Incidents in the Life of a Slave Girl, Written by Herself* is the most important narrative written by a former female slave in antebellum America. Published in 1861 and under the penname of Linda Brent, the book is a powerful indictment on black women's exploitation in America. "Slavery is terrible for men, but it is far more terrible for women," declares Jacobs before describing the degradation of slavery and the sexual oppression she experienced as a black woman.

Maria Childs, who bravely and generously edited the book for its author, Harriet Ann Jacobs, who used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she

gained freedom for herself and, later, for her children. In her unique demonstration of a sophisticated reading of the literature of her day, Jacobs contributed significantly to the genre of slave narrative by astutely weaving methods common in sentimental novels "to address race and gender issues." Specifically, she explores the struggles and sexual abuse that female slaves faced on plantations and generally in slavery, as well as their efforts to practice motherhood and protect their children within slavery's constraints, where their children might be sold away. In the text, Jacobs makes it clear that she is speaking to White women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity and although she states that she's not seeking sympathy for herself, it is apparent that she is hoping to expand their knowledge and influence their sentiments about slavery as an institution. Throughout the text there is an evident tension of wanting readers to be able to relate while simultaneously acknowledging that a complete understanding is ultimately impossible for those who have never been enslaved.

This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader appreciate Jacobs' perspectives and language. DRIVEN BY THE HORRORS of slavery and fear of a predatory master, Harriet Jacobs, a young black woman, makes the fateful, life-altering decision to escape. Long thought to be the work of a white writer, *Incidents in the Life of a Slave Girl* is the captivating and terrifying story of Jacobs' daily life on a plantation in North Carolina, her seven years of hiding, and her ultimate triumph. Jacobs wrote her autobiography in 1861, under a pseudonym to protect the lives of the friends and family she left behind, and the work had been essentially lost until the mid-twentieth century. Now recognized as a classic, unflinching portrait of slave life, *Incidents* exposes slavery on a level comparable only to that of *Narrative of the Life of Frederick Douglass*. Kidnapped from Galway, Ireland, as a young girl, shipped to Barbados, and forced to work the land alongside African slaves, Cot Daley's life has been shaped by injustice. In this stunning debut novel, Kate McCafferty re-creates, through Cot's story, the history of the more than fifty thousand Irish who were sold as indentured servants to Caribbean plantation owners during the seventeenth century. As Cot tells her story—the brutal journey to Barbados, the harrowing years of fieldwork on the sugarcane plantations, her marriage to an African slave and rebel leader, and the fate of her children—her

testimony reveals an exceptional woman's astonishing life.

Incidents in the Life of a Slave Girl (Voices From The Past Series)

Presents a collection of short stories that focus on women's roles in society.

A collection of fictional letters retells the life of Harriet Ann Jacobs, a young slave who escaped in the 1840s and became a published author.

In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery -- Harriet Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in -- and not offend -- her Victorian white, middle-class, female audience. An updated introduction explores Jacobs' personal struggles with religion and violent resistance, and connects her narrative to the broader history of the anti-slavery movement in the United States. The rich collection of related documents that accompany Jacobs' complete narrative features three new sources, including the will of Jacobs' owner Margaret Horniblow, the abolitionist emblem, and the original title page of Incidents in the Life of a Slave Girl. Updated document head notes, chronology, questions for consideration, selected bibliography, and index provide students with a valuable framework for understanding this period in United States

history. Available in print and e-book formats.

Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. I wish I were more competent to the task I have undertaken. But I trust my readers will excuse deficiencies in consideration of circumstances. I was born and reared in Slavery; and I remained in a Slave State twenty-seven years. Since I have been at the North, it has been necessary for me to work diligently for my own support, and the education of my children. This has not left me much leisure to make up for the loss of early opportunities to improve myself; and it has compelled me to write these pages at irregular intervals, whenever I could snatch an hour from household duties. When I first arrived in Philadelphia, Bishop Paine advised me to publish a sketch of my life, but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion; but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have been more pleasant to me to have been silent about my own history. Neither do I care to excite sympathy for my own sufferings. But I do earnestly desire to arouse the women of the North to a realizing sense of the condition of two millions of women at the South, still in bondage, suffering what I suffered, and

most of them far worse. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep, and dark, and foul is that pit of abominations. May the blessing of God rest on this imperfect effort in behalf of my persecuted people! -Linda Brent
