Meeting Our Nation's Waste-water Infrastructure Needs

File Type PDF Smacna Labor Rates

Practices and Procedures is the "how to" manual for estimating painting and related work. Quality takeoff procedures and estimating methods are thoroughly described and discussed. All elements of proper job pricing are described including the evaluation of labor, material, additional job costs, overhead, and profit. Working blueprints and sample estimates are a part of the manual. Job costing methods and their relationship to estimating is included.
