If you want to turn your business or personal brand Facebook page into a money making machine, then keep reading! Facebook

marketing could be the secret weapon in your arsenal to defeat your competitors once and for all. In fact, studies have shown that social media marketing and in particular Facebook marketing have become one of the main tools businesses have to promote their products and services. This should not come as a surprise, considering people are spending the majority of their time on Facebook, Instagram and Youtube. What is not a given, though, is the fact that most companies and personal brands do not have a proper presence of Facebook yet. In fact, oftentimes their Facebook marketing "strategy" consists of just posting random content on their page, hoping to get some organic traffic and sales. If that could have worked in 2020, this year things are already starting to change. It is time to update your strategy for 2021 and beyond and this book will show you exactly how to do it! In this complete social media and Facebook marketing guide, you will discover: The secret principle behind some of the most successful marketing campaigns in history and how you can apply this strategy even if on a low budget The best tools to clearly understand your target audience and build the buyer persona The only way to create an effective content strategy that focuses on generating leads and paying customers, not just likes and comments How to set up your Facebook page in the correct way. Hint: it is not what you think A step by step guide to Facebook Ads that teaches how to maximize the results with this amazing marketing tool The hidden free tool you have to use to take your Facebook Ads to the next level and much, much more! The beauty of Facebook marketing is that it is not relevant how much you can spend on advertising. In fact, since it is a new environment, the entry barrier is not really high. However, this will not last for long and you must take advantage of this opportunity before it is too late. This is the best time to start focusing on your company or personal brand presence on Facebook, as people are spending more time than ever on their phone. It is time to turn their attention into sales! Get this book today!

"Covering the latest and breaking news in Facebook advertising, this updated edition introduces revised, expanded, and new chapters covering fundamentals, Newsfeed ads, sidebar ads, and BIG data. If you want to turn your business or personal brand Facebook page into a money making machine, then keep reading! Facebook marketing could be the secret weapon in your arsenal to defeat your competitors once and for all. In fact, studies have shown that social media marketing and in particular Facebook marketing have become one of the main tools businesses have to promote their products and services. This should not come as a surprise, considering people are spending the majority of their time on Facebook, Instagram and Youtube. What is not a given, though, is the fact that most companies and personal brands do not have a proper presence of Facebook yet. In fact, oftentimes their Facebook marketing "strategy" consists of just posting random content on their page, hoping to get some organic traffic and sales. If that could have worked in 2020, this year things are already starting to change. It is time to update your strategy for 2021 and beyond and this book will show you exactly how to do it! In this complete social media and Facebook marketing guide, you will discover: The single most important trend for 2021 and how you can take advantage of it to increase sales The secret principle behind some of the most successful marketing campaigns in history and how you can apply this strategy even if on a low budget The best tools to clearly understand your target audience and build the buyer persona The only way to create an effective content strategy that focuses on generating leads and paying customers, not just likes and comments How to set up your Facebook page in the correct way. Hint: it is not what you think A step by step guide to Facebook Ads that teaches how to maximize the results with this amazing marketing tool The hidden free tool you have to use to take your Facebook Ads to the next level and much, much more! The beauty of Facebook marketing is that it is not relevant how much you can spend on advertising. In fact, since it is a new environment, the entry barrier is not really high. However, this will not last for long and you must take advantage of this opportunity before it is too late. This is the best time to start focusing on your company or personal brand presence on Facebook, as people are spending more time than ever on their phone.
