This is Oscar Wilde's tale of the American family moved into a British mansion, Canterville Chase, much to the annoyance of its tired ghost. The family -- which refuses to believe in him -- is in Wilde's way a commentary on the British nobility of the day -- and on the Americans, too. The tale, like many of Wilde's, is rich with allusion, but ends as sentimental romance...

"Romance is the privilege of the rich, not the profession of the unemployed." Hughie, a charming young man with no money, wants to marry a girl named Laura. But Laura’s father is concerned with Hughie’s lack of wealth and tells him he can only have his daughter if he comes up with 10,000 pounds. Defeated, Hughie visits his artist friend, who in painting a portrait of a beggar. Meeting the beggar outside, Hughie gives him some money. What he doesn’t know is that the man isn’t a beggar at all but a wealthy baron, and Hughie’s generosity might just be the thing to change his life. The Model Millionaire is a charming and funny little story, similar in setting to The Picture of Dorian Gray, but far more optimistic. A delightful read. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for ‘The Picture of Dorian Gray’ and ‘The Importance of Being Earnest’ to name a couple. He was believed to be a homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.

In its moment of great splendor the novel was held as a mirror of society: Merc_Rodoreda shatters that mirror in this, her most ambitious novel, which tells its story in brilliant fragments, a vision reflected and refracted and finally coming together in a richly articulated mosaic of life. Through this Broken Mirror, the reader sees events and characters spanning three generations and composing a kaleidoscopic family history ranging over six decades and turning upon events both intimate and historic?most notably the Spanish Civil War. Opening with Teresa Goday, the lovely young fishmonger?s daughter married to a wealthy old man, the story shifts from one perspective to another, reflecting from myriad angles the founding of a matriarchal dynasty?and its eventual, seemingly inevitable disintegration. A family saga extending from the prosperous Barcelona of the 1870s to the advent of the Franco dictatorship, A Broken Mirror is finally also a novel about the inexorable passing of time.

In Surrealism at Play Susan Laxton writes a new history of surrealism in which she traces the centrality of play to the movement and its ongoing legacy. For surrealist artists, play took a consistent role in their aesthetic as they worked in, with, and against a post-World War I world increasingly dominated by technology and functionalism. Whether through exquisite-corpse drawings, Man Ray’s rayographs, or Joan Miró’s visual puns, surrealists became adept at developing techniques and processes designed to guarantee aleatory outcomes. In embracing chance as the means to produce unforeseeable ends, they shifted emphasis from final product to process, challenging the disciplinary structures of industrial modernism. As Laxton demonstrates, play became a primary method through which surrealism refashioned artistic practice, everyday experience, and the nature of subjectivity.

?The 48 Laws of Power by Robert Greene - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.) Are you in control? Or is the Power with someone else? The 48 Laws of Power is a book on mastering the art of indirection. It features laws that are based on the writings of individuals who have mastered and studied the games of power. Such writings have been in existence for over thousands of years. (Note: This summary is wholly written and published by readtrepreneur. It is not affiliated with the original author in any way) "Power is not what we do but what we do not, - hasty and unwise actions that we repeat every day and which ultimately bring us into trouble" - Robert Greene These writings which are intensively studied have been created during the ancient civilizations in Renaissance Italy and ancient China. They all have similar themes and threads, which hint at the essence of power. We all have POWER over our life. HOWEVER, are you the very few who understands the art and science of power? P.S. This book is a collection of wisdom from the most well-known and powerful men throughout history. You are going to be much wiser after getting this book. The Time for Thinking is Over! Cambridge English First for Schools 2 contains four tests for the First for Schools exam, also known as First Certificate in English (FCE) for Schools. These examination papers for the Cambridge English: First (FCE) for Schools exam provide the most authentic exam preparation available, allowing candidates to familiarise themselves with the content and format of the exam and to practise useful exam techniques. The Student's Book without answers is perfect for classroom-based test practice. The Student's Book is also available in a 'with answers' edition. Audio CDs (2) containing the exam Listening material and a Student's Book with answers and downloadable Audio are available separately. These tests are also available as Cambridge English: First for Schools Tests 5-8 on Testbank.org.uk

Shape the Future is a forward-thinking Bachillerato course. Solid language practice is provided with particular attention to vocabulary acquisition, and exam success for the University Entrance Exam is guaranteed with comprehensive practice and exam strategies. Collaborative projects and life skills lessons focus on areas such as managing feelings, critical thinking and problem solving.

The Workbook for Level 2 provides practice of all the unit language and skills, together with extra sections such as Exam practice (including listening and speaking); Vocabulary builder and phrasal verbs; 'Beyond the Classroom' guides for real-life work skills; and downloadable audio at www.cambridge.es/shapethefuture. As he did in WHO NOT HOW, Dr. Benjamin Hardy shares one of Dan Sullivan ' s simple yet profound teachings that until now has been known only to his Strategic Coach clients: unsuccessful people focus on “ The Gap, ” but successful people focus on “ The Gain. ” "[T]his one simple concept is a masterclass on positive psychology, healthy relationships, mental well-being, and high-performance. Everything that psychologists know about how to create a high-functioning and successful person can be achieved using The GAP and the GAIN."- Dr. Benjamin Hardy Most people, especially highly ambitious people, are unhappy because of how they measure their progress. We all have an "ideal," a moving target that is always out of reach. When we measure ourselves against that ideal, we're in "the GAP." However, when we measure ourselves against our previous selves, we're in "the GAIN." That is where the GAP and the GAIN concept comes in. It was developed by legendary entrepreneur coach Dan Sullivan and is based on his work with tens of thousands of successful entrepreneurs. When Dan's coaching clients periodically take stock of all that they've accomplished-both personally and professionally-they are often shocked at how much they have actually achieved. They weren't able to appreciate their progress because no matter how much they were getting done, they were usually measuring themselves against their ideals or goals. In this book you will learn that measuring your current self vs. your former self has enormous psychological benefits. And that's really the key to this deceptively simple yet multi-layered concept that will have you feeling good, feeling grateful, and feeling like you are making progress even when times are tough, which will in turn bolster motivation, confidence, and future success. If you're finding that happiness eludes you no matter how much you've achieved, then learning this easy mindset shift will set you on a life-changing path to greater fulfillment and success.

The Canterville Ghost By Oscar Wilde

Lydia, Christopher and Natalie are used to domestic turmoil. Their parents' divorce has not made family life any easier in either home. The children bounce to and fro between their volatile mother, Miranda, and Daniel, their out-of-work actor father. Then Miranda advertises for a cleaning lady who will supervise the children after school - and Daniel gets the job, disguised as Madame Doubtfire. The Sarah Malik, a young anthropologist from Boston sent to Equatorial Guinea by UNICEF, is arbitrarily detained at a road checkpoint and sentenced to death in a parody of a trial. Escaping miraculously, she is forced to begin a desperate flight through the jungle with the help of the local people and particularly that of Gabriel Bin, a Guinean fugitive like herself. He will become her guardian angel, her WOULD YOU RETURN FROM DEATH TO SAVE THE LIFE OF SOMEONE YOU DON'T KNOW? Tessa Romero lived a Near Death Experience (NDE) for 24 minutes. She returned to save another life. This experience transformed her, allowing her to enjoy a full and happy life, free from fear. In "24 Minutes on The Other Side", Tessa tells us about her amazing journey to the afterlife?where she established our understand the sense of life and death. One cannot exist without the other. Thanks to her experience with patients suffering from a terminal disease, the author learned that it is possible to live without fear of death and presently helps others to overcome their fear and die in peace, with dignity, knowing that death is only an awakening to a new life. Why are we afraid of dying? Is there life afte during her journey with the object of finding an answer to these fascinating mysteries. SELECTED REVIEWS "This shocking book gave me goosebumps. It successfully combines experience with science. The story is clear and the reading is fluid. Its pages present the author as a benevolent person with good intentions to help us. In hard times, I remember Tessa and her story, and try not to forget engineer "This book has helped me face my death-related fears. It made me aware of how easy it is to live without fearing death as such. It gave me a lot of strength, energy and, most preciously, Love. Tessa taught me that instead of living in fear we should learn how to live." Filli Ramirez. Entrepreneur. THE AUTHOR Tessa Romero is a writer, journalist, sociologist, and life coach. She is a volunte experience in Spain's leading news media. She has written educational manuals on lyrical and symphonic music, tourist guides for several countries, as well as touristic and cultural articles for both the Spanish and the international printed press. She won her first literary award when she was only 8 years old and was prompted by her true vocation, as an author, to write her story and thus give of helping others. Copyright(c)TessaRomero2020

NEW YORK TIMES BESTSELLER New York Times bestselling author and acclaimed linguist John McWhorter argues that an illiberal neoracism, disguised as antiracism, is hurting Black communities and weakening the American social fabric. Americans of good will on both the left and the right are secretly asking themselves the same question: how has the conversation on race in America gone so crazy? We ’ re told to read books and listen to music by people of color but that wearing certain clothes is “ appropriation. ” We hear that being white automatically gives you privilege and that being Black makes you a victim. We want to speak up but fear we ’ ll be seen as unwoke, or worse, labeled a racist. According to John McWhorter, the problem is that a well-meaning but pernicious form of antiracism has become, not a progressive ideology, but a religion—and one that ’ s illogical, unreachable, and unintentionally neoracist. In Woke Racism, McWhorter reveals the workings of this new religion, from the original sin of “ white privilege ” and the weaponization of cancel culture to ban heretics, to the evangelical fervor of the “ woke mob. ” He shows how this religion that claims to “ dismantle racist structures ” is actually harming his fellow Black Americans by infantilizing Black people, setting Black students up for failure, and passing policies that disproportionately damage Black communities. The new religion might be called “ antiracism, ” but it features a racial essentialism that ’ s barely distinguishable from racist arguments of the past. Fortunately for Black America, and for all of us, it ’ s not too late to push back against woke racism. McWhorter shares scripts and encouragement with those trying to deprogram friends and family. And most importantly, he offers a roadmap to justice that actually will help, not hurt, Black America.

Miniature people who live in an old country house by borrowing things from the humans are forced to emigrate from their home under the clock.

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

The new edition of four-level World English series brings the most amazing stories about our planet and compelling ideas from around the world to the integrated-skills classroom.

A communication-focused course in American English. This flexible course builds confidence through an emphasis on speaking and listening skills, and enhances learning through the innovative and interactive digibook. The Teacher's Resource Book Pack contains teacher's notes, a test generator CD-ROM and a webcode for the Digibook.

This book lets you learn almost 4,000 most important English words and more than 2,000 common phrases by using them in conversations. New words and phrases are highlighted in bold and are listed below each conversation. The tutorial can be used by learners of English as a second language when preparing for TOEFL or IELTS. It might also be useful for teachers of English as a foreign language. All conversations are original and written by the author, and edited by David Christian in the USA.

Wuthering Heights is the name of Mr. Heathcliff’s dwelling. ÕWutheringÕ being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date Õ1500,Õ and the name ÕHareton Earnshaw.Õ I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here Õthe houseÕ pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive

structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

Discover everything you'll need to know in order to write well for the IELTS test, whether you are planning to take the Academic or the General Training version. This book will help IELTS test takers learn several essential skills, including: Task Achievement: follow a three-step model to plan, write, and revise your essays Coherence and Cohesion: practice organizing your writing and connecting ideas Lexical Resource: build your vocabulary and use it correctly Grammatical Range and Accuracy: review rules and practice applying them to your writing Each section leads you step-by-step through the process of writing an essay in response to a particular task. Learn how to apply what you've learned, familiarize yourself with the types of questions you'll have to respond to on the test, complete your responses within the time limits, and more. An Appendix also includes a More Writing Practice section with a selection of essays written in response to IELTS writing tasks.

"Deepak Chopra's story is an inspiring gift for those who truly care and have the courage to seek." —Michael Baigent, author of The Jesus Papers The founder of The Chopra Center and the preeminent teacher of Eastern philosophy to the Western World, Deepak Chopra gives us the story of the man who became Messiah in his phenomenal New York Times bestseller Jesus. The author who illuminated the life of Buddha now offers readers an unparalleled portrait of Jesus Christ, from carpenter's son to revolutionary leader, that is fresh and inspiring—a remarkable retelling of the greatest story ever told.

Rough draughts of some of the following tales and essays were actually written during a residence in the Alhambra; others were subsequently added, founded on notes and observations made there. Care was taken to maintain local coloring and verisimilitude; so that the whole might present a faithful and living picture of that microcosm, that singular little world into which I had been fortuitously thrown; and about which the external world had a very imperfect idea. It was my endeavor scrupulously to depict its half Spanish, half Oriental character; its mixture of the heroic, the poetic, and the grotesque; to revive the traces of grace and beauty fast fading from its walls; to record the regal and chivalrous traditions concerning those who once trod its courts; and the whimsical and superstitious legends of the motley race now burrowing among its ruins.

"Townsend's wit is razor sharp" as her self-proclaimed intellectual adolescent hero continues his hilarious angst-filled secret diary (TheMirror). I can't wait until I am fully mature and can make urban conversation with intellectuals. Growing up among inferiors in Great Britain isn't easy for a sensitive fifteen-year-old "poet of the Midlands" like Adrian Mole, considering everything in the world is conspiring to scar him for life: His hormones are in a maelstrom; his mother is pregnant (at her age!); his girlfriend, Pandora, is in shutdown; radio stardom isn't panning out; he's become allergic to non-precious metals; and passing his exams is as dire a crisis as the Falkland Islands. From weathering a profound but shaky romance with the love of his life to negotiating his parents' reconciliation to writing his poetry on restroom walls (why on earth did he sign his name?), "Adrian Mole is as engaging as ever" (Time Out). The sequel to the beloved TheSecret Diary of Adrian Mole Aged 13¾ continues Adrian's chronicle of angst, which has sold more than twenty million copies worldwide, and been adapted for television and staged as a musical. Adrian Mole is truly "a phenomenon" (The Washington Post).

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?
