

Soul Eater Vol 15

As Maka and a team of DWMA students slip into Baba Yaga Castle in the guise of Arachnophobic guards, Black*Star opts for his usual style of entrance: loud and without a trace of subtlety! But although Black*Star doesn't seem to have changed much on the outside, inwardly he has at last found the way to harness the true power of the Uncanny Sword. And that means he's ready to test his blade in a round three rematch against swordsman Mifune! Will Black*Star's transformation be enough? Or will he once again find himself at the mercy of the great samurai?!

Ding-dong! DEAD-dong! Class is about to begin, and you don't want to be late on your first day of school! Join Tsugumi Harudori in the NOT class at Death Weapon Meister Academy, a school dedicated to training transforming Weapons like Tsugumi and the Meisters who will wield them. Many NOT (Normally Overcome Target) students aspire to join the elite EAT (Especially Advantaged Talent) class, but it may take Tsugumi some time to find her confidence-and a partner-at this crazy school!

Kid enters the witches' realm to appeal for help! Though they have been DWMA's enemies for years, the witches share a respect for order--and are equally threatened by the Kishin. Kid's immediate goal is to deal with the situation on the moon, but he hopes that the negotiations will forge a new pact between DWMA and witches in the future--assuming anyone survives the Kishin's madness!

Crona's loyalties are torn as Medusa regroups and plots to beat both DWMA and her sister, Arachne, in the arms race for Eibon's demon tools. As the madness of the Kishin continues to spread, Maka, Black*Star, and Kid begin even more rigorous training to master their weapons and work together as a team. Will they be ready to face Arachnophobia in time for their next mission? Or will internal strife tear them apart?!

Tsubaki and Black*Star set off on their most difficult mission yet: a battle with the Uncanny Sword Masamune, a soul on the brink of becoming a Kishin. But this fight holds personal significance for Tsubaki - their target is her older brother. Jealous of her inherited talents, Masamune is holding nothing back. Usually docile and complacent, Tsubaki must find the strength to overtake the Uncanny Sword before she too is sucked into the darkness.

Death the Kid and Black*Star race after Free and Eruka, ready to do whatever it takes to stop the Black Blood before it is used to revive the slumbering First Kishin. Meanwhile, Maka has allowed herself to slip into madness in an effort to reach Crona's troubled soul. In addition to being horribly embarrassing, her actions carry a great risk. If Maka can't find Crona fast, she too will be consumed by madness!

Like the other members of the newly formed Spartoi unit, Maka and Soul undergo rigorous training, probing the boundaries of Soul's hard-won new potential as a weapon. Maka's soul perception ability has made her the enemy's next target, and she and Soul will have to kick it up to a whole new level-and fast! Noah and his followers are coming, ready or not!!

The enemy of my enemy is...still my enemy?!! As the madness of the Kishin continues to threaten the world, Noah and Medusa race to find Asura and ally themselves with him. With Noah reliant on demon tools and Medusa on her experimental black blood, DWMA must devise ways to combat both evils while trying to seek and destroy Asura themselves!

Soul Eater, Vol. 23

Servamp Vol. 15

Maka is a weapon meister, determined to turn her partner, a living scythe named Soul Eater, into a powerful death scythe - the ultimate weapon of Death himself! Charged with the task of collecting and devouring the tainted souls of ninety-nine humans and one witch, Maka and her fellow meisters strive to master their weapons as they face off against the bizarre and dangerous minions of the underworld. But the meisters' own personal quirks may prove a bigger obstacle than any sultry enchantress!

DWMA braces for the final showdown as the Kishin awakens from his slumber at the heart of the moon. Unable to contain his rage, Noah is the first to attack, the Book of Eibon and "BREW" fueling his assault. Despite his formidable efforts, though, Noah is overcome not by the Kishin, but by the sudden appearance of Crona. With the world hanging in the balance, DWMA can only wonder who will prove to be the greater foe--the Kishin...or Crona...

Kid's sense of order stands in sharp contrast to the unpredictable madness of the Kishin. But order and madness are two sides of the same coin. When Asura challenges the "tyrannical" Shinigami and his laws that serve to control humans' lives, Kid can feel the tendrils of madness within himself seeking purchase. The bonds of his friendships and his faith in order are tested to their limits as Asura makes his final stand against the forces of DWMA. When the moon dust settles, who will emerge as lord of this world--Shinigami or Kishin?

On the night of DWMA's anniversary celebration, every meister and weapon in Death City has gathered at the school for an evening of music and dancing. Little do they know that the witch Medusa is about the crash Shinigami-sama's party. Trapping the meisters inside, the witch makes her way to the chamber where the First Kishin is imprisoned. Will the few meisters who've managed to escape be enough to prevent Medusa from rousing the madness that slumbers far below in the Kishin's domain?

Shinigami-sama summons the strongest weapons from around the world to contain the rogue kishin and the spread of his madness. As these powerful weapons strategize for what will be the most difficult battle of their lives, the students of DWMA try to get back to their normal lives as best they can. For Maka, adjusting to the dangerous times is nothing compared to Crona's struggle to adjust to life as a DWMA student!

Soul must use his healing music to save everyone in Yaga Castle from Arachne's madness.

At Maka's request, she and Soul meet with Doctor Stein for an intensive tutoring session. Although Stein warns that they may never be able to resonate again if they fail to complete the training, Maka insists, desperate to become stronger so that Soul is never hurt again. But Soul's strange nightmares have made him reluctant to seek power, and his unwillingness to share his fears only frustrates his partner. With their soul wavelengths pulling apart, will Maka and Soul be able to come together when danger emerges on their next assignment?

The DWMA student body is still reeling after the news that one of their own is a witch. But as one young witch flees Death City, another has come back to DWMA hoping to strike a deal with Shinigami-sama. Medusa has already proven herself a traitor to the school, but the information she offers is critical to DWMA's efforts to take down Arachnophobia and curb the spread of madness. Can Medusa be trusted to lead a team of students into the heart of enemy territory?!
