A board book edition of a beloved Dr. Seuss book—now in a larger size! Teeth—they come in handy when you chew or smile! In Dr. Seuss’s hilarious ode to teeth, little ones will laugh out loud as they find out all the things teeth can do and how to take care of them so they last a lifetime! With charming illustrations by Joe Mathieu, this abridged super-simple, super-sturdy board book edition will delight babies and toddlers as they learn about their bodies.

**GRADES PK-1:** With age-appropriate activities, this beginning alphabet workbook helps children build knowledge and skills for a solid foundation in letters and sounds of the alphabet. **INCLUDES:** This alphabet workbook for kids features easy-to-follow instructions and practice on key topics such as letter recognition, printing letters and words, letter sounds, and much more! **ENGAGING:** This letters-based workbook features colorful photographs and illustrations with fun, focused activities to entertain children while they grasp concepts and skills for success. **HOMESCHOOL FRIENDLY:** This elementary workbook for kids is a great learning resource for at home or in the classroom and allows parents to supplement their children’s learning in the areas they need it most. **WHY CARSON DELLOSA:** Founded by two teachers more than 40 years ago, Carson Dellosa believes that education is everywhere and is passionate about making products that inspire life’s learning moments.

Two greedy squirrels go on a wild pinecone chase in this hilarious follow-up to The Lion Inside and The Koala Who Could! "It's mine!" shouted Cyril. "No, mine!" hollered Bruce. "You don't stand a chance! Give up! It's no use!" "I'm HUNGRY!" cried Cyril. "This cone is NOT yours!" "Stay back!" shouted Bruce. "This cone's for MY stores!" Greedy squirrels Cyril and Bruce both have their sights on a very special prize: the last pinecone of the season. Uh-oh! The race is on! A laugh-out-loud tale about friendship and sharing by the bestselling duo behind The Lion Inside and The Koala Who Could, Rachel Bright and Jim Field!

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today’s ever-changing business environment. Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the Organizational Behavior course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

**A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martin, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que Dios nos pille confesados.The Spanish Love Deception is an enemies-to-lovers, fake-dating.**
