Henry James's *Daisy Miller* was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James's best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James's ruminations on fiction, theatre, and writing, and presents excerpts of *Daisy Miller* as he rewrote it for the theatre and for a much later and heavily revised edition.

As the world has struggled in the wake of an economic crisis that brought much of society to its knees, twenty-five-year-old Maria Davis has grown adept at living on the streets and stealing from the homes of the rich and powerful, but her luck runs out when she is caught in the act of robbing the home of a high-ranking government official. Sentenced to a day in the Punishment Clinic, she faces what will be by far the most humiliating experience of her life. She will be

stripped naked, intimately examined, thoroughly cleaned both inside and out, and spanked long and hard, and that will only be the beginning. Helplessly aroused and completely on display, she will learn what it truly means to blush as she is brought to one quivering climax after another, and before her sentence is complete she will beg to be taken long and hard in the most shameful way possible. Publisher's Note: Sentenced to the Punishment Clinic is not a romantic story and it is not for the faint of heart. It is pure erotica that includes sexual scenes and sexual punishments, extensive medical play, spankings, anal play and punishments, exhibitionism, elements of BDSM, and more. A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

This is the third book in the Domestic Discipline Quartet. When Wesley Spencer, Earl of Spencer, arrives in Bath, his first encounter with his new ward is out in the street, when she's supposed to be in his mother's home, where she's indecently dressed (to his mind) and obviously rushing to get home. His mother's letters had prepared him for a hoyden, what they hadn't prepared him for was the astonishingly beautiful and sensual young woman who surprised every one of his expectations once he'd disciplined her. Cynthia

Bryant loves to be told what not to do, because it always gives her the best ideas for mischief. She knows better than to kiss rakes, flirt with gentleman, or touch herself between her legs (even in private), but she does all of those things anyway because they're so much fun. Unfortunately the Earl isn't quite as easily put off as his mother - it seems like he's always watching her - and Cynthia finds a whole new area of exploration when she has the most shocking reaction to his spankings. She's also delighted to meet his friends Lord and Lady Hyde. While in Bath, Edwin and Eleanor find themselves reconnecting in a way they couldn't in London, and their relationship takes a gentler, warmer turn. Unfortunately Edwin still hasn't declared his feelings for her by the time she makes a life-altering discovery. In London, Irene and Hugh have declared their love, but there's lingering tension with Lord Brooke, who seems to be on the verge of forcing a reconciliation with his estranged wife. Be Warned: This book contains explicit erotic scenes, spankings, and some sexy alpha males who take their duties very seriously.

BARE to DISCIPLINE, M/F Spanking Erotica Discipline Stories

After being tied up and brutally taken in all her holes, college student and part time maid Ashley thinks her punishment was done and over with. She soon finds out that her days of bondage and submission are only just beginning. When Ashley is caught by her professor while behaving lewdly with her boyfriend behind the cinema, she knew she was in deep trouble. The strict and handsome Dr. King has the power to take away her university scholarship and have them both expelled. However, he is willing to let them go if they submit to his demands. Ashley surrenders to being spanked bare bottom by the professor and taken hard and without protection, right there in broad daylight.

'In the Eyes of the Law' by Ashe Barker A criminal conviction could cause her to lose her job. How much worse could this get? Libby soon knows the answer to that question when the head of security at the mall shows up. She hasn't seen her estranged husband for years, and now she discovers Josh has a strict policy on how best to deal with shoplifters. He was her husband and her Dom. Will he turn her over to the police, or would a hard, bare-bottom spanking be sufficient redress for her misdemeanor?

'Spicing it Up' by Lily Harlem Cassandra lives by a set of rules that both thrill and complete her. Having Master Raif attend her every need in and out of the bedroom is perfection. She trusts him absolutely, and he wields his power over her with a great sense of responsibility. But when he announces an erotic new way to spice up their after-dinner party she can't help having a few nerves. Really? That? There? And would it feel good? 'Kneel for You' by Katy Swann When journalist Kirsten Anderson is told by her boss to write an article about BDSM she's extremely reluctant. When her friend

Chloe sees how stressed Kirsten is about the article she offers to take her to a BDSM club to find some inspiration. Kirsten agrees, but doesn't mention that she used to go to this particular club regularly until a bad experience made her turn her back on the kinky lifestyle three years earlier. 'Silk and Decadence' by Wendi Zwaduk Sadie has never claimed to be a good girl. She loves to be at Push, a local dance and BDSM club, but she longs for more-especially with Master E. The blond-haired man with the sparkling brown eyes is everything she wants in a Dom. Too bad he's also her boss at Delight Tonight. When they finally get together, their chemistry in the club is off the charts. Will that same passion translate into the real world or are they destined to crash and burn? 'Properly, or Not at All' by Lucy Felthouse Tristan and Jayme are not only devoted husband and wife, they are also Dominant and submissive, with a particular penchant for spanking. They've been playing delicious kinky games for the fifteen years they've been together and couldn't be happier. However, when Tristan develops a health issue that means he can't redden his wife's backside for a while, it puts both of them under a lot of strain. It's a big part of their sex life and one they'll miss badly. 'A Private Education' by Dolly Watt When archivist Emma Willoughby is invited to assess the private library of Lord Leopold Denby-Peel, Ninth Earl of Folchester, she isn't expecting to find Victorian spanking diaries in his leather-bound collection. Nor is she expecting the earl to be quite so young and handsome. As she explores the pages of his nineteenth-century erotica, Emma finds herself craving to receive chastisements comparable to those depicted. Imperial Leather chronicles the dangerous liaisons between gender, race and class that

shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

Twenty-three-year-old Kelly Regan didn't expect much excitement when she took a job as a curator at a historic estate, but upon encountering a beautiful, mysteriously powerful mirror she suddenly finds herself transported back to the Victorian era. Kelly is intrigued by the estate's owner, the handsome bachelor Sir Henry Yarlswood, and in order to learn more about life in his household she impersonates another woman and obtains a position as his maid. But Henry is not a man who tolerates dishonesty from his staff, and after her deception is discovered Kelly's bottom is bared for a painful, embarrassing spanking. The stern punishment only increases Kelly's desire to know more about her handsome employer, but after she is caught snooping through his personal effects she is promptly stripped naked for an even more shameful chastisement. Despite her sore bottom, however, she is deeply aroused by Henry's firm-handed dominance, and when he claims her properly his masterful lovemaking leaves her spent and satisfied. But will their blossoming romance be enough to keep her by his side, even if it means leaving her old life behind forever? Publisher's Note: A Strict Gentleman includes spankings and sexual scenes. The Punishment List

Take a rousing romp through 1790s England with this fourth and final book in the Properly Spanked series... A duke as wealthy and powerful as the Duke of Arlington requires, by matter of course, an elegant, perfectly pedigreed bride. Unfortunately, he must settle for the king's choice: Miss Guinevere Vaughn, the rough-edged daughter of a border baron. She's pretty enough for a Welsh hellion, but she hasn't the necessary polish to succeed in London society. When Aidan explains that she'll need to improve her manners—and her disposition—he finds himself locked in a vexing battle of wills. Gwen never asked to wed a duke. Her new husband is haughty, inflexible, and demanding, and makes no secret of his disdain for her upbringing. No matter how hard she tries to please him, she's never good enough. He disciplines her with an iron hand, and then expects her to submit to his vile whims in bed. Not that his whims are...completely...vile...all of the time. It's only that her husband doesn't love her, and she wants him

"This unconventional, sexy tale—featuring a dominant duke with a fondness for rulers—brims sensuality on every page. If you like a heavy dose of spice in your Regency romance, you'll love DISCIPLINED BY THE DUKE." - Joanna Shupe

The day her sister murdered their abusive father, Elizabeth Wilcox stopped being a gentleman's daughter. Willing to do anything to save her sister from the hangman's noose, now she is a spy... A servant. A liar. A thief. A submissive. Masquerading as a parlor maid and entrenched in the Duke of Montague's estate, Liz is willing to risk all to uncover the secrets that would save her sister. But submitting to the duke's peculiar brand of discipline surprises her with a heady mixture of pleasure and pain. Eager to relinquish control of her messy life, Liz soon craves the rough hands of Montague and his powerful, passionate attention. How long can she succumb to the hot sting of his hand and the gentleness of his kisses without revealing her identity and darkest secrets? And what punishment will she face when he realizes her betrayal?

A strict, shirtless sheriff tangles with a beautiful woman new in town, and finds there is more to her than meets the eye. Violet Parker has just arrived in a tiny town north of San Francisco, and is greeted by a ruggedly handsome man naked from the waist up. "The Undertaker's Daughter is a wonderfully quirky, gem of a book beautifully written by Kate Mayfield...Her compelling, complicated family and cast of characters stay with you long after you close the book" (Monica Holloway, author of Cowboy & Wills and Driving With Dead People). How does one live in a house of the dead? Kate Mayfield explores what it meant to be the daughter of a small-town undertaker in this fascinating memoir evocative of Six Feet Under and The Help, with a hint of Mary Roach's Stiff. After Kate Mayfield was born, she was taken directly to a funeral home. Her father was an undertaker, and for thirteen years the family resided in a place nearly synonymous with death, where the living and the dead entered their house like a vapor. In a memoir that reads like a Harper Lee novel, Mayfield draws the reader into a world of haunting Southern mystique. In the turbulent 1960s, Kate's father set up shop in sleepy Jubilee, Kentucky, a segregated, god-fearing community where no one kept secrets—except the ones they were buried with. By opening a home, Frank Mayfield also opened the door to family feuds, fetishes, murder, suicide, and all manner of accidents. Kate saw it all—she also witnessed the quiet ruin of her father, who hid alcoholism and infidelity behind a cool and charismatic façade. As Kate grows from trusting child to rebellious

the enforced sobriety of the funeral home begins to chafe, and she longs for the day she can leave the confines of Jubilee and her place as the undertaker's daughter. "Mayfield fashions a poignant send-off to Jubilee in this thoughtfully rendered work" (Publishers Weekly).

The Apartment Collection Vol. 1 is a delicious collection of M/F spanking and discipline stories. Naughty women get their bare bottoms spanked. They have two things in common, they all live in the same apartment complex and they all are spanked

by the men in their lives. If the vision of a naughty bare behind getting her bottom soundly spanked excites you, this book delivers that and more. This book contains sexually explicit material and the spanking of adult women. ADULT ONLY. When spoiled college girl Meg Wilson grows tired of pre-med classes that are ruining her social life, she makes a fateful wish. To her shock, she gets what she asked for—though not in the way she would have hoped—and is thrown back in time and into the life of another woman, the new bride of an aristocrat in Victorian-era England. It doesn't take long for Cyril Heathgrove—the man who is Meg's husband in this very different reality—to tire of her rude, unladylike behavior and insistence that she is not his wife. To provide the constant supervision and firm-handed discipline that she requires, Cyril calls upon the aid of Miss Pritchett, a stern, no-nonsense governess who knows exactly how to handle recalcitrant young ladies. Miss Pritchett wastes no time in taking control of Meg. Before she knows it, the sassy millennial has been stripped bare, spanked soundly, bathed thoroughly, and dressed like a

child. But Meg's humiliation is only beginning, and she soon learns that she will be sent back to the nursery until Cyril and Miss Pritchett are convinced that she can behave like a proper wife. Miss Pritchett is adept at using shame as a tool to teach obedience, and Meg quickly discovers that a bare-bottom spanking is not the only way to punish a little girl who has been naughty. Though Meg is mortified by such treatment, she is surprised to find that being dominated so completely leaves her intensely aroused, and when Cyril takes her in his arms she delights in the pleasure of his skillful lovemaking. Soon she is calling him daddy and flourishing in her role as his little girl, but what if the opportunity arises to return to her own time? Will she leave behind the man she has grown to love?

The free-spirited daughter of the aristocracy has been drinking and partying too much while eating and sleeping too little, and in his best medical judgment what she needs is a good, hard, bare-bottom spanking. Not only is Daniel a man who enjoys a challenge, he also finds the petulant young miss quite appealing, so he casts professional decorum aside and makes it clear to Sybil that if she wants him as her doctor, she will be expected to submit to the spanking she deserves. Sybil nervously agrees, and Daniel soon realizes that the appropriate course of treatment for her will require much more than just a properly reddened backside. What his headstrong patient needs is a man bold enough to take her in hand and dominate her completely. Soon enough Sybil finds herself shamefully on display on the handsome doctor's examination table, her well-spanked bare bottom fully exposed and her cheeks burning with humiliation as her

year-old Priscilla Auden's assigned guardian oversees her courtship with him. Though Priscilla is clearly taken with her rich, handsome suitor, when she is caught pleasuring herself after her first kiss her behavior must be addressed. During a thorough, intimate pre-marital examination, it is explained to Priscilla that after her wedding it will be the right of her husband to govern her pleasure as he sees fit. To ensure her complete submission in such matters, from now on she will wear a device which will give William the ability to control her body's response to sexual stimulation. Though he fell in love with Priscilla the moment he saw her, William is well aware that teaching his little wife obedience will be no easy task. It will require not only firm discipline, but also skillful mastery of her body. If she behaves well, he will show her pleasure beyond anything she has ever imagined, but when she has been naughty she will ache for the slightest bit of arousal as her bare bottom is soundly and painfully spanked. Yet despite the best efforts of the colony's leadership, rebellion is brewing on Prosperia, and after Priscilla witnesses an erotic display by ungoverned renegades she is emboldened to defy her husband. as a nanny at former soldier Nate Byrne's homestead in rural California, she soon discovers that her new boss is a very traditional man. He believes in strict discipline, and after negligence on her part puts his family in danger she quickly finds herself over his knee for a painful, embarrassing spanking. Though Nate's stern chastisement comes as a shock to Isabel, in spite of her blushing cheeks and sore backside she cannot deny that the humiliating punishment awakens passions in her that she never knew existed, and before she knows it she is yearning for him to take her long and hard. Nate has barely so much as looked at another woman since his wife's death, but when Isabel shows up on his doorstep the sweet, spunky girl calls to him in a way nothing has in years. Spanking her beautiful bottom arouses him deeply, and when he realizes the extent to which his dominance excites her, he decides it is time to give her exactly what she needs. It isn't long before Isabel is quivering with desire and begging for more as Nate strips her bare and teaches her what it means to surrender her body to a man's masterful touch, and life in his household feels more fulfilling with each passing day. Protector

When a male teacher gets caught “on the job” with a female pupil, he finds himself in deep water. He agrees to allow the lady teacher who caught him to punish him in her own way. Unfortunately for him, Miss Markham is no stranger to the world of female domination! She compels him to visit her house, where Bill Taylor finds himself in a cruel new world. He is kept captive there, and punished for his crimes with cane and whip and tawse, over and over and over, by this strict, unrelenting school ma'am, as the summer holidays stretch on and on! Bill is now nothing more than a rather unusual ‘teacher’s pet’! The nights he spends locked in his tiny cell, always tightly secured in the chastity device, buttocks and thighs always throbbing painfully from the day’s beatings. He is always beaten at least once, his ‘daily dozen’ his strict task-mistress calls it. The days are spent

relationships where the woman is submissive to her husband. If such themes offend you please do not purchase this book.

After the death of her deeply indebted father, nineteen-year-old Abigail Barrow faces a hard future in the workhouses of nineteenth-century London. Her only hope lies in a marriage to Dr. Simon Abbott, a man whose life her father once saved while they both served in Her Majesty's Navy. But with no education and no dowry, she can hardly expect the esteemed doctor to agree to the match, especially when her sharp tongue earns her a trip over his knee for a humiliating bare-bottom spanking during their very first meeting. The reserved Dr. Abbott has long avoided marriage, knowing that what he seeks in a wife is not easy to find. Abigail's response to his firm chastisement convinces him that she is just the woman he needs, but she will require training to be a properly submissive wife, and thus before he makes her his bride he decides to bring her into his home as his ward. On her first day in Simon's home, Abigail finds herself stripped naked, bathed like a child, and then dressed in clothing befitting a little girl. Worse still, her failure to obey her new guardian promptly results in a swift and painful punishment applied to her bare backside. Yet Simon's strict discipline is accompanied by gentle, loving care, and as the days pass his

Lowly maids in Victorian England, whose lives are an endless round of unremitting toil, must surely dream of better things - yet more pitiful by far is the plight of those unfortunate souls who find themselves in the service of a strict disciplinarian. James Montague is a man who delights in watching young women writhe and squirm... seeing creamy-white buttocks turn first pink, then red, then purple... hearing gasps of dismay turn to shrill cries of anguish. And maids are not alone in feeling the hot kiss of cane and strap, for James' three wards - innocent Catherine, flirtatious Victoria and lovely, spirited Elizabeth - are obliged to bare their bottoms with distressing regularity. A visit by James' godson Frederick merely adds to their woes, for the young man wishes to study the noble art of spanking... and who better to teach him than the stern master of Bleekston Hall?

A Summer of Suffering A Lesbian Ageplay Spanking Romance Governing His Bride

Smart, sexy, and sly, Jane Campbell lives by her wits. She's a gifted hustler who can pick pockets and play long cons with equal skill, and she does not make mistakes. But her next mark, Henry Gibson, quickly proves more than her match. After being caught in the act of stealing from him, she must make a choice: submit to a painful, embarrassing spanking or face the police. To her shame, the stern chastisement excites her more than anything she has ever experienced. Though she tries to hide it, Jane's helpless arousal during her punishment makes it abundantly clear to Henry that she would benefit greatly from his firm-handed dominance on a regular basis. He is more than ready to give her exactly what she needs, but taming a woman used to manipulating everyone around her will be no small feat, and it may require quite a bit more than just a spanking. Will Henry prove up to the task of reforming Jane? Publisher's Note: Reforming Jane is an erotic romance novel that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
