Accounts of real spankings given to real women! From the occasional bit of fun to tales from the most dedicated enthusiasts, the detailed stories include well know names from the genre of spanking erotica, many personal friends of the author, and confessions from around the world. It's an enthusiast's book, no question, but if you're curious about what really makes the kinky girls tick, then this is a must for any erotica shelf. Peter Birch has been spanking girls for thirty years now, and has collected stories from the thirties to the noughties. And one thing is guaranteed: every single confession is a genuine account of a woman's first experience going over the knee.

My husband got me involved in the life of slavery and we were happy until my submissive needs got to be too much for him. I started seeing other people but he couldn't handle it and divorced me. I need someone who doesn't worry about my happiness or comfort and knows how to use and punish a slave. I need someone who will turn me into his property and take me at will. I am a sweet slave that craves service. I love the look on my Dom's face when he is happy. I like being called a good girl and know he means it. I love sitting at his feet with my head in his lap and knowing there is no other place I would rather be. But now let's talk about my first major spanking party. This very memorable and extreme spanking party occurred in 2006. For three days and nights, the sound of pretty ladies getting spanked OTK and strapped to spanking apparatuses, was the norm. Informal reports put the number of substantial spankings at the three day event to be around 300. Us girls left with very raw butts, a great memory and many thousands of dollars for our trouble. These exclusive spanking and sex parties occur several times a year in many countries. I go to as many as I can. The Earl of Augustine has always thought of Lady Minette as a sister, but when a nocturnal adventure goes horribly awry, he's forced to make her his bride. Now his friend Warren is furious with him, the jilted Lady Priscilla is spreading ugly gossip, his father's illness is worsening, and Minette is...well...being Minette. But Minette has idolized Lord August for years, as long as she can remember, and she's determined to make their union a passionate and fulfilling one. She launches caper after caper in an effort to capture his attention and awaken his masculine hungers. Unfortunately, all she seems to accomplish are repeated disciplinary sessions over his lap. Can she make August realize she's the love of his life in time to save their crumbling marriage—and her smarting backside? Or will he hold her at arm's length forever, refusing to acknowledge the powerful emotions she stirs in his heart? This 75K word novel contains acts of punishment and domestic discipline, sado-masochism, and other sensual practices. ***Thanksgiving...the sexiest time of the year..NOT! Thanksgiving needs a marketing do-over. It should be the sexiest time of the year when you consider that we get four full days off from work, too much good food and drink, football, left-overs, binge-watching, and the intoxicating rush of shopping, either in the flesh or online, for presents for others and yourself. And maybe even a trip back home to rekindle old flames. ***Spanking Is a Global Phenomenon looks at this traditional method of corporal punishment from a deep perspective, placing it in its historical context, and from a wide point of view, comparing changing attitudes across cultures and generations. The result of this survey by Fenold Alexis is a work on a topic broadly connected to people's lives, but rarely examined in such detail. The approach of Spanking Is a Global Phenomenon takes the reader through the history and tradition of spanking, the roles of culture and religions, the connections to slavery, the laws governing spanking, and a survey of attitudes and practices by gender and generation. In the end, Spanking Is a Global Phenomenon provides a comprehensive look at a widespread and deeply rooted parenting practice that tends not to garner such thorough attention. you're anything like award-winning queer Canadian author Giselle Renarde, you've got insecurities up the wazoo. Even when you're proud of your sexuality, gender identity and presentation, it seems like there's always a voice out there (or even one in your head) saying you're not doing queerness right. Giselle Renarde is a writer who's been failing at everything since 2006. Her erotica and queer fiction have appeared in nearly 200 short story anthologies and published by two of the Big Five publishing houses, but don't let that fool you. Giselle is a writer who knows how to fail—consistently and thoroughly! At some point or another, we all feel like we're failing. Maybe if we can feel united by our insecurities, there's hope of moving past them!

A French dominatrix inherits a vast fortune when her husband dies of a stroke while 'in flagrante delicto' with his forceful new wife. She decides to use her wealth to create a private BDSM paradise on an isolated peninsula jutting into Lake Tahoe. Her gorgeous identical twin stepdaughters are more than enthusiastic to join the enterprise, especially after they recruit a handsome football player who is quite happy to be topped by two athletic college seniors. A submissive French Maid and a dominant statuesque blonde Danish house manager are recruited, along with an adorable Algerian cook, a handsome Brazilian swimsuit model, and a roughhewn young ex-Mormon handyman with an enormous cock and an insatiable desire to please women. The final piece put into place is a submissive classic Irish beauty who provides bodywork when not being spread-eagled and spanked while being sexually enjoyed by the whole group. Many complicated and steaming hot scenes ensue as the Peninsula is sealed off from a world lost in the pandemic lockdown of 2020.

Showcases the lives of parents with young children in the U.S. through the use of a national survey.

I am a female sex slave that likes it rough. The qualities in a man that I like include spanking, biting, rough sex, mental domination, bondage and discipline. I want someone to intimidate me by using his looks, by his actions, gestures, playing mind games and making me feel guilty. I want someone to make all the decisions for me, to be the king of the castle :) I can be bratty at times but I can take the punishments I earn and expect to be punished often! I know what I want and what I like. My man takes a weak woman unable to face the world and teaches her to be a strong woman, weak only to him. I love the sadistic side to a man. I enjoy his having total control over me. I like to be taken forcibly and to be forced to serve in general. I am also a lady that makes her living off of being spanked. I love how my butt is almost always warm and marked. I also have a wonderful, though sexual sadist Master who I play with as all this spanking sure makes me horny. My butt can take a lot of abuse and good thing because folks who pay to spank me, really want to get their money's worth. Often they spank me as hard and as long as they physically can. These spankings can make me cry. Often I'm stripped naked and tied down to a wooden platform for a long, hard strapping and/or paddling. That may be after they've first given me a good over their knee spanking. Yes it hurts but it pays the bills and I am so excited. I'll now tell you in full detail about all my spankings. Included in this book are nine additional bonus books (making this big book a \$69.50 value!) Your ten books are presented in the following order: 1) Regularly Spanked, Strapped and Paddled 2) The Life of a Female Spanking Model 2) Bare Bottom Spankings (The Las Vegas Spanking Adventure) 3) 14 Male-Female Anal Sex Stories 4) 100 Great Lines To Put In Your Personal Ads 5) Bed Arrest, the Punishment for BDSM Enthusiasts 6) Spanking Dictionary (Adult Only Erotica) 7) Excuse for Sadism: How the Inquisition Beat the Devil Out of Cathar Women 8) The Absolute Essential Guide to Erotic Breast Massage 9) The Ultimate Collection of Resurrections and Rebirths 10) Master and submissive slave BDSM Contract

Hello everybody! Your opinion is very important! If you like this book please make sure to leave a review. Thank you!

A national bestseller with more than 750,000 copies in print, now revised for the new mothers of the '90s -- the latest findings on child health, advice for working mothers, facts about the influence of TV, and more. B & W illustrations throughout.

Every stroke produced a frantic, immodest weaving of hips and drumming of toes, but Mrs Burton somehow managed to maintain her stance, keeping some shred of decorum as her curvaceous bottom was soundly whipped. "Well done", he said, "you took your caning very well, now stay exactly where you are and I'll reward you for your fortitude". "Thank you". Mrs Burton replied humbly "that would be lovely". In town and in the country, in offices and suburban semis, women have been getting their first spanking. Reluctantly, hesitatingly, sometimes forcibly; some even discovering a taste for further punishment. Perhaps that's why the woman who sat next to you on the train is smiling?

Young, beautiful, and used to getting her way, Sandy assumes her new job watching Mr. Green's kids will be a pretty effortless way to make a bit of money. But when Mr. Green walks in on the chaos that she has allowed to take over his home, he decides the pretty young sitter he's hired needs a bit more hands-on motivation. His methods change everything for the inexperienced

young woman, and his strong discipline starts to dominate Sandy's confused thoughts ... and desires. She lives in fear of the he'll find out his punishments turn her on, and what he'll do when her secret is finally uncovered ... Reader Advisory: This story is for mature audiences only and features intensely erotic situations, a mature man of the house and a young inexperienced babysitter, discipline and physical punishment, forbidden desires, unprotected first time sex, dominance and submissiveness. All characters are 18 or older. Excerpt: He stood up and came around behind her. His hand positioned her waist, pushing her ass further outwards and her torso down into a more humiliating posture. His touch was strong and authoritative against her torso and stomach. "Lift your skirt up." Her face burned more hotly as she reached back and lifted the hem of her skirt up to her waist exposing her panties. She couldn't stifle a gasp of chagrin as she felt his fingers hook into the waistline of the panties and pull them down her thighs, leaving her suddenly and mortifyingly uncovered. She stood there frozen, holding up her own skirt to expose herself for the man about to spank her. As she felt the cool air of the room playing across her bare ass and pussy, she realized with a tremble that she was wet. Not just a little wet, but very wet. Mr. Green's hand ran lightly over the full, tight cheeks of her ass. His fingertips made her skin tingle as they passed over her, effortlessly and perhaps unintentionally communicating that thoroughly he had come to control her, mind and body. "This will happen every time you are bad," he said. "Every time you are lazy or apathetic to the job you were hired to do. You will be spanked. I will bring you into my kitchen and you will lift up your skirt for me and then I will punish you just like I am about to do now. I don't care if my children hear you. They know what happens to rule breakers in this house. Do you understand?" "Yes - yes, sir," she said, her voice halfway between a whimper and a moan.

"Good. Count for me."

Regularly Spanked, Strapped and Paddled: the Life of a Female Spanking Model - Huge Bonus Edition - 10 Books in One!

**A CHOICE Outstanding Academic Title 2014! Why do parents hit those they love? What effect does it have on children? What can be done to end this pattern? These are some of the questions explored in The Primordial Violence. Featuring longitudinal data from over 7,000 U.S. families as well as results from a 32 nation study, the book presents the latest research on the extent to which spanking is used in different cultures and the subsequent effects of its use on children and on society. Evidence that shows the relationship between spanking and the subsequent slowing of cognitive development and increase in antisocial and criminal behavior is shown. Both cross-sectional and longitudinal studies are explored in an accessible fashion. An abundance of high quality research has produced findings that are highly consistent from study to study which show that spanking is a risk factor for aggressive behavior and other social and psychological problems. Because of these findings, the authors argue for policy changes and recommend a drastic reduction in the use of spanking. Policy and practical implications are explored in most chapters. The Primordial Violence highlights: The benefits of avoiding spanking such as the development of better interpersonal skills and higher academic achievement; The link between spanking and behavioral problems and crime; The extent to which spanking is declining and why despite the unusually high level of agreement between numerous studies which found harmful effects from spanking, most parents continue to spank. Part 1 documents the worldwide use of spanking and why parents spank. The possible adverse effects of spanking on children's behavior and academic achievement, and the potential for violence and criminal behavior in later life, are explored in Parts 2, 3, and 4. Part 5 examines trends in spanking, and suggests what can be done to lower the percent of parents who spank. Contradictory opinions about whether to spank are explored. The book concludes with a call for change in this aspect of parenting which will have profound benefits, for the children and families involved, and society as a whole. Intended for a general audience of readers who are interested in child development and parenting and for advanced undergraduate and/or graduate courses in child abuse, family violence, juvenile delinquency, criminal behavior, social development, sociology of the family, or parenting and family relations taught in psychology, human development, family studies, criminology, education, social work, sociology, and social policy.**

**Reclaim Your Family with Your Own Family Constitution Both manifesto and handbook, DESPERATELY SEEKING PARENTS: Why Your Child Needs a Parent in Charge and How to Become One calls all parents to reclaim their position of authority in the home. Emphasizing that today's children need (and ultimately want) parents to assert their sovereignty and control in a loving and consistent manner, Dr. Paterno illustrates how to become a Parent in Charge by using simple, proven methods. The first parenting book to utilize the Family Constitution, Dr. Paterno explicitly champions parents' rights, simplifies parental expectations and rewards children can earn, and rejects the current trend of reducing expectations because of so-called diseases, disorders, and disabilities. Provocative, but proven and practical, Dr. Paterno will help you reclaim your family by becoming the vital, valid source of love and authority you were meant to be for your children. Praise for DESPERATELY SEEKING PARENTS "Take heed, you and your child are in good hands with the advice that rests between the pages of this wonderful book. Thank the good Lord that there is a writer with the scholarship and good sense to write a book that parents can safely rely on." —David Stein, Ph.D., author of Unraveling the ADD/ADHD Fiasco and Ritalin is Not the Answer "If every parent read this book and incorporated Dr. Paterno's principles and techniques, every pediatrician's office would see far fewer children with behavior problems." —Colette Sabbagh, M.D., Pediatrician, Bangor, Maine "Dr. Paterno has managed to squeeze 3,000 years of common sense and experience, a command of child development and behavioral theory, tons of wit and humor, and dozens of practical solutions into this thoroughly readable parenting guide." —Toby Tyler Watson, Psy.D., Executive Director, International Center for the Study of Psychiatry & Psychology In a universe full of superheroes, Lois Lane has fought for truth and justice for over 75 years on page and screen without a cape or tights. From her creation by Jerry Siegel and Joe Shuster in 1938 to her forthcoming appearance in Batman v Superman: Dawn of Justice in 2016, from helming her own comic book**

for twenty-six years to appearing in animated serials, live-action TV shows, and full-length movies, Lois Lane has been a paragon of journalistic integrity and the paramour of the world's strongest superhero. But her history is one of constant tension. From her earliest days, Lois yearned to make the front page of the Daily Planet, but was held back by her damsel-in-distress role. When she finally became an ace reporter, asinine lessons and her tumultuous romance with Superman dominated her storylines for decades and relegated her journalism to the background. Through it all, Lois remained a fearless and ambitious character, and today she is a beloved icon and an inspiration to many. Though her history is often troubling, Lois's journey, as revealed in Investigating Lois Lane, showcases her ability to always escape the gendered limitations of each era and of the superhero genre as a whole. "Provides a history of spanking, including the transition from instruments to the hand; Reviews relevant research over the last 100 years on spanking outcomes; Identifies the social and cultural supports of spanking including legal standing; Includes thought provoking prompts on what it means to be a parent"

How Hitting Our Children is Harming Ourselves

Uninvited

Lesbian characters, stories, and images were barred from onscreen depiction in Hollywood films from the 1930s to the 1960s together with all forms of "sex perversion." Through close readings of gothics, ghost films, and maternal melodramas addressed to female audiences, Uninvited argues that viewers are "invited" to make lesbian "inferences." Looking at the lure of some of the great female star personae (in films such as Rebecca, Pinky, The Old Maid, Queen Christina, and The Haunting) and at the visual coding of supporting actresses, it identifies lesbian spectatorial strategies. White's archival research, textual analyses, and novel theoretical insights make an important contribution to film, lesbian, and feminist studies. Book jacket.

I guess this is a good place to end this book as once again; you are caught up with the most unusual life that Cally and I share with our unusual family. However, once again my life with Cally never seems to be dull anymore. In fact, my life with Cally has never been dull; it is just more exciting since we got married almost a year ago. Milly has been progressing very well as her sissy maid self under the direction of Miss T. As well; Molly seems to accept and even enjoy milly better now. Sabrina

certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her. Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni. Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime; I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them. In other words, if they do not like what Sir did and the District Attorney says it was wrong, they just agree and give it no more thought. I disobeyed a direct order from Cally for the very first time. Cally let me know that that was unacceptable in a very painful and very humiliating way. I don't think I will make that mistake again, at least I hope not. Cally and I went to the most unusual place in South America in cooperation with Lloyds of London, the FBI, and Interpol; in an effort to find out why men were disappearing from FemDom Nation; a community of Dominate women and male submissives. FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males. People from all over the world come there to enjoy their life style for a few days to a few weeks. Submissive men can go their alone or with a dominate female. Dominate women are welcome with or without a submissive male. It was really a neat place and Cally and I had a very nice time. However our time was cut short as a result of Sir getting arrested, so we came home early and without meeting our objective in order to help out Sir and Ally. Cally and I need to go back again to complete our mission, but Cally decided to wait until after Thanksgiving.

In this erotic collection edited by Cassandra Park, twelve authors write about their first spanking-the way it happened or the way they dreamed it had. My First Spanking recalls younger, slightly more innocent days, days when we knew what we wanted, or had an idea, but were afraid to say the word. Days of meeting potential partners in quiet corners of restaurants, keeping our voices low. Days spent longing to find the person who knew how to take charge, and the nervous excitement when we knew it was about to happen at last. Or days of simply plotting how to reveal to existing partners what we were fantasizing about. The characters in this collection are not all lovers, and the spankings are not always delivered with kindness. But there's always compassion, love, or at the very least lust between spanker and spankee. And in every case, they know that their first spanking is definitely not going to be their last. Stories by Naomi Bellina, Jacqueline Brocker, J. Caladine, Clarice Clique, Courtney, Brad Dare, Serenity Everton, Cassandra Park, Angel Propps, Erica Scott, T.R. Verten, and Dolly Wylde.
