

## Spark Joy An Illustrated Guide To The Japanese Art Of Tidying

**#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN** Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Shannah Kennedy, author of *The Life Plan*, takes you on a journey to accept change, heal, reset and move forward with clarity, direction and purpose once again. Change can turn our plans, our lives and our dreams upside down. Whether you have faced a redundancy, dealt with a break-up, been in an accident, lost a loved one, had a health scare, or been impacted by an economic downturn, your ability to navigate through the change process and create an alternative plan will be the key to your future happiness. Shannah Kennedy has created a simple yet powerful four-part guide that is designed to give you the confidence to accept, heal, grow and adapt. Full of practical tips and exercises to help you process your emotions, restore and recover, shift your mindset, set clear goals and take control, *Plan B* is your roadmap to finding happiness once again.

An artist and activist committed to the empowerment of women and girls has created a gorgeous illustrated volume, blending watercolor and short biography to showcase the contributions of more than fifty influential female leaders whose words and actions are a passionate call to arms. Distraught by the results of the 2016 election and the realization that the nation was not ready for its first female president, Kimothy Joy found herself poring over the biographies of brave women throughout history—those who persisted in the face of daunting circumstances—to learn from their experiences. Turning to art, Joy channeled her feelings to the canvas, bringing these strong women to life in bold watercolor portraits surrounded by inspirational hand-lettered quotes. With each creation, Joy found catharsis and hope. She shared her watercolors with her online community and encouraged everyone to raise their own voices and recharge for the battles ahead. Now, in this beautiful gift book, Joy has gathered her stunning illustrations and quotes and paired them with surprising, illuminating biographies of her subjects to inspire women of all ages, races, and backgrounds. *That's What She Said* honors a powerful and diverse group of over fifty women—from Maya Angelou, Gloria Steinem, and Virginia Woolf to Sojourner Truth, Malala Yousafzai, and Ruth Bader Ginsburg—role models whose words and insights remind us that we must never give up the fight for a more just and equitable society. Reclaiming the derogatory cultural barb "that's what she said," this stunning book celebrates strong female leadership throughout history and empowers current and future generations to find their voices and inspire change in their communities.

Gorgeously repackaged, this reissue of the classic book presents the iconic photographer's expert and witty reminiscences of the personalities who inspired fashion's golden eras, and left an indelible mark on his own sense of taste and style. "The camera will never be invented that could capture or encompass all that he actually sees," Truman Capote once said of Cecil Beaton. Though known for his portraits, Beaton was as incisive a writer as he was a photographer. First published in 1954, *The Glass of Fashion* is a classic—an invaluable primer on the history and highlights of fashion from a man who was a chronicler of taste, and an intimate compendium of the people who inspired his legendary eye. Across eighteen chapters, complemented by more than 150 of his own line drawings, Beaton writes with great wit about the influence of luminaries such as Chanel, Balenciaga, and Dior, as well as relatively unknown muses like his Aunt Jessie, who gave him his first glimpse of "the grown-up world of fashion." Out of print for decades but recognized and sought after as a touchstone text, *The Glass of Fashion* will be irresistible to a new generation of fashion enthusiasts and a seminal book in any Beaton library. It is both a treasury and a treasure.

Discover the books that inspired the Netflix phenomenon Tidying Up with Marie Kondo, now together in a convenient ebook bundle: *The Life-Changing Magic of Tidying Up* and *Spark*

Joy. Japanese decluttering expert Marie Kondo has taken the world by storm with her Netflix show, *Tidying Up with Marie Kondo*. Now fans can get the two books that started the movement, *The Life-Changing Magic of Tidying Up* and *Spark Joy*, in one ebook bundle that combines this philosophical wisdom, practical advice, and charming prescriptive illustrations into one master class. *The Life-Changing Magic of Tidying Up* is Kondo's guide to decluttering your home using her famed KonMari Method, and *Spark Joy* is an illustrated manual with step-by-step instructions for folding clothes and tackling messy areas of the home. With these two books, you can capture the joy of Marie Kondo's tidy lifestyle for yourself.

"Reading this will lead you to a better life." —Dean Nelson, author of *God Hides in Plain Sight* In *The 100 Thing Challenge* Dave Bruno relates how he remade his life and regained his soul by getting rid of almost everything. But *The 100 Thing Challenge* is more than just the story of how one man started a movement to unhook himself from consumerism by winnowing his life's possessions down to 100 things in one year. It's also an inspiring, invigorating guide to how we all can begin to live simpler, more meaningful lives.

The book that inspired Marie Kondo's *The Life Changing Magic of Tidying Up*, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to discard so you can get--and stay--tidy, once and for all. Practical and inspiring, *The Art of Discarding* (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life.

The New York Times bestselling authors of *The Home Edit* and stars of the Netflix series *Get Organized with The Home Edit* present 52 home-editing challenges and activities to get you motivated and organizing every room of your house. Clea Shearer and Joanna Teplin are back with a fun, practical workbook to jumpstart your home organization. Here are 52 challenges for every room—from clearing out a junk drawer to measuring your cabinet for storage bins to arranging the apps on your phone by color. The workbook is structured so you can tackle one challenge a week or breeze through your whole home in a few months, featuring:

- Space for writing checklists, shopping lists, and to-do lists
- Activities that help you accomplish your goals at your own pace
- Writing prompts for capturing memories connected to the things you own and love
- Helpful organization tips and tricks
- Plus, gold star stickers for rewarding yourself along the way!

*The Legend of Auntie Po*

Marie Kondo's first book, *The Life-Changing Magic of Tidying*, transformed the homes and lives of millions of people around the world. *Spark Joy* is her in-depth tidying masterclass, a line-illustrated, room-by-room guide to decluttering and organising your home. It covers every room in the house - from the bedroom and kitchen to the bathroom and living room - as well as all the items that occupy their spaces. Charming line drawings explain how to organise your house and apply Marie Kondo's unique folding method to all your clothes, including shirts, trousers, jackets, skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to tidy by category and to focus on what you want to keep, not what you want to get rid of. Ask yourself if something 'sparks joy' and suddenly it becomes so much easier to understand if you really need it in your home and your life. Except tidying up is not just about transforming your home: when you surround yourself with things you love, you will find that your whole life begins to change.

International tidying superstar and New York Times bestselling author Marie Kondo brings her unique method to young readers in this charming story about how tidying up creates space for joy in all parts of your life, co-written and illustrated by beloved children's book veteran Salina Yoon. The KonMari Method inspires a charming friendship story that is sure to spark joy! Kiki and Jax are best friends, but they couldn't be more different. The one thing they always agree on is how much fun they have together. But when things start to get in the way, can they make space for what has always sparked joy—each other?

Dear Reader, When I got my breast cancer diagnosis, I was immediately inundated with books on Cancer. They terrified me. So, this book...is *Not Your Usual Boob*. A little informative, a little sarcastic, a little funny—I hope—and a lot real. This is the book I wish I could have read in my time of need. A little bit of what you can expect during your journey, and how to prepare yourself with a healthy mindset and coping skills before they're needed. The #NoFilter is exactly that...no filter on the front cover—me and all my wonkiness with no photoshop—and it's what you'll find inside these pages—including an F-bomb or five. Because more important than shielding myself is being real with you. You may laugh, you may cry, you may want to punch me in the face...but in the end, remember this. If you ever meet me, I'm

hugging you. Because that's me. And more than anything, that is the big reason behind this book. I am still ME. And YOU are still YOU. XO ~ MK Meredith

'An exceptional account.' Prospect 'Enlightening.' Spectator For the first time in millennia we live without formal empires. But that doesn't mean we don't feel their presence rumbling through history. The Great Imperial Hangover examines how the world's imperial legacies are still shaping the thorniest issues we face today. From Russia's incursions in the Ukraine to Brexit; from Trump's 'America-first' policy to China's forays into Africa; from Modi's India to the hotbed of the Middle East, Puri provides a bold new framework for understanding the world's complex rivalries and politics. Organised by region, and covering vital topics such as security, foreign policy, national politics and commerce, The Great Imperial Hangover combines gripping history and astute analysis to explain why the history of empire affects us all in profound ways.

The Year of Cozy

A Personal History of Fifty Years of Changing Tastes and the People Who Have Inspired Them

Joy at Work

From Your Back Door to the Great Outdoors

From blogger, recipe developer, and photographer Adrianna Adarme comes a beautiful book of advice for simplifying, beautifying, and living a more thoughtful life. Organized by the months of the year, and by categories such as "Live," "Do," and "Make," Adarme shares ideas for activities, recipes, and projects that make the little moments in life just as exciting as the big. Like her blog, A Cozy Kitchen, The Year of Cozy features warm and comforting photos and cozy inspiration. Adarme gives us special (but totally doable) things we can do for others and ourselves. From recipes to DIY crafts, Adarme focuses on easy, inexpensive undertakings that have a big reward: happiness. The best moments in life don't require stuff, they just require intention. Adarme's clear and easy-to-follow instructions and recipes will excite and motivate you to march into your kitchen and craft closet to make something you can be proud of.

Spark Joy An Illustrated Master Class on the Art of Organizing and Tidying Up Ten Speed Press

From the #1 New York Times bestselling author and star of Netflix's Tidying Up with Marie Kondo, this graphic novel brings Kondo's life-changing tidying method to life with the fun, quirky story of a woman who transforms her home, work, and love life using Kondo's advice and inspiration. In The Life-Changing Manga of Tidying Up, Marie Kondo presents the fictional story of Chiaki, a young woman in Tokyo who struggles with a cluttered apartment, messy love life, and lack of direction. After receiving a complaint from her attractive next-door neighbour about the sad state of her balcony, Chiaki gets Kondo to take her on as a client. Through a series of entertaining and insightful lessons, Kondo helps Chiaki get her home - and life - in order. This insightful, illustrated case study is perfect for people looking for a fun introduction to the KonMari Method of tidying up, as well as tried-and-true fans of Marie Kondo eager for a new way to think about what sparks joy. Featuring illustrations by award-winning manga artist Yuko Uramoto, this book also makes a great read for manga and graphic novel lovers of all ages.

Navigating Life and Style

The legends of Christmas are many and vary from culture to culture. This book contains modern interpretations of some of the more well-known of the holiday traditions in comic strip form.

The best-selling phenomenon from Japan that shows us a minimalist life is a happy life. Fumio Sasaki is not an enlightened minimalism expert or organizing guru like Marie Kondo—he's just a regular guy who was stressed out and constantly comparing himself to others, until one day he decided to change his life by saying goodbye to everything he didn't absolutely need. The effects were remarkable: Sasaki gained true freedom, new focus, and a real sense of gratitude for everything around him. In Goodbye, Things Sasaki modestly shares his personal minimalist experience, offering specific tips on the minimizing process and revealing how the new minimalist movement can not only transform your

space but truly enrich your life. The benefits of a minimalist life can be realized by anyone, and Sasaki's humble vision of true happiness will open your eyes to minimalism's potential.

Are your counters covered with appliances you had to have but rarely use? Are your cupboards stuffed with clothes that you hope to fit back into or that you paid a fortune for but only wore once? Have you been hanging on to that hideous teapot your mother gave you 10 years ago only because she gave it to you? Every time you go shopping do you come back with bags of more stuff because that pillow/blouse/cd/mixer will be the one thing that changes your life and then it doesn't change your life because you have nowhere to put it? In *It's All Too Much*, organisational guru Peter Walsh challenges you to answer a very simple but scary question: Does the stuff you own contribute to the life you hope to achieve or does it get in the way of your vision? Peter helps you assess the state of your home without any sugar coating and will teach you how to confront and conquer the stuff that is holding you back by identifying the purpose of each and every object in your home and assessing your reasons for holding onto it. He shows you how to identify which room is the heart of your home and then shows you why it is so important to keep that space clean and clear of clutter - if the heart of your home is clogged what does that say about you? He then helps you go room by room to ask the important questions: What is the room? What's its purpose? What is this item? Does it contribute positively to the life you want? The answers to these questions will help you understand your priorities and fix your relationship with your stuff. And in gaining this understanding you can start to clear out the clutter!

A NATIONAL BOOK AWARD FINALIST Part historical fiction, part fable, and 100 percent adventure. Thirteen-year-old Mei reimagines the myths of Paul Bunyan as starring a Chinese heroine while she works in a Sierra Nevada logging camp in 1885. Cover may vary. Aware of the racial tumult in the years after the passage of the Chinese Exclusion Act, Mei tries to remain blissfully focused on her job, her close friendship with the camp foreman's daughter, and telling stories about Paul Bunyan--reinvented as Po Pan Yin (Auntie Po), an elderly Chinese matriarch. Anchoring herself with stories of Auntie Po, Mei navigates the difficulty and politics of lumber camp work and her growing romantic feelings for her friend Bee. *The Legend of Auntie Po* is about who gets to own a myth, and about immigrant families and communities holding on to rituals and traditions while staking out their own place in the United States.

Spark Joy: A Complete Summary! 'Spark Joy: An Illustrated Master Class on the Art of Organizing and Tidying Up' is a book written by Marie Kondo. It is about organizing, tidying and how to properly organize an entire house. Some readers may ask themselves why we need a book about tidying and organizing the place where we live. But after reading this book, many readers will see that it is important how we organize the place where we sleep, eat and live. Spark Joy is a manual and a guide for beginners for organizing a living space in the best way possible. The author's style of writing is fun, and reader-friendly. Readers will have the opportunity to learn some new ways to use the space where they live so it can be a lot more than just a space where they do daily chores. Kondo also uses many drawings to better illustrate what she wants to say, which adds more charm to an already interesting read. Spark Joy is a book for everyone and anyone who wants their homes to spark with joy, and we will soon find out what makes the book so special. Here Is A Preview of What You Will Get: - A summarized version of the book. - You will find the book analyzed to further strengthen your knowledge. - Fun multiple-choice quizzes, along with answers to help you learn about the book. Get a copy, and learn everything about Spark Joy.

A comprehensive guide to small-space secrets and real-life solutions for living in 1,200 square feet or less. The Little Book of Living Small shows readers how to make the most of limited square footage—with grace and style—and serves as the cheerleader readers need to help themselves feel satisfied and proud of their choice to live with less. In addition to exploring both the motivation behind choosing to live in a small space, as well as the practical, everyday advice for managing a tight footprint, The Little Book of Living Small also includes case studies: 12 style-savvy, small-space dwellers open their doors and share their design secrets. Author Laura Fenton covers a range of homes including studio apartments, one- and two-bedroom houses, a tiny house, a co-living space, and even whole houses. Stylistically these homes range from urban, rural, minimalist, and country, with the unifying thread that they are all real homes of less than 1,200 square feet that offer clever solutions that readers can use in their own homes. Laura Fenton is the lifestyle director at Parents magazine. With more than fifteen years of experience, her work has appeared in major publications including Better Homes & Gardens, Country Living, Good Housekeeping, and on leading home websites including Remodelista.com, HGTV.com, ElleDecor.com, HouseBeautiful.com, Refinery29, and elsewhere. Through her writing she has explored the topic of living small for more than a decade. She lives small with her husband, a photographer, and their son in Jackson Heights, Queens, in New York.

Whether mere bumps in the road or genuine crises, we live in a world of unwanted events that no willpower can prevent. In *The Art of Disappearing*, Ajahn Brahm helps us learn to abandon the headwind of false expectations and follow instead the Buddha's path of understanding. Releasing our attachment to past and future, to self and other, we can directly experience the natural state of serenity underlying all our thoughts and discover the bliss of the present moment. In that space, we learn what it is to disappear. Ajahn Brahm, an unparalleled guide to the bliss of meditation, makes the journey as fun as it is rewarding. *The Art of Disappearing*, comprised of a series of teachings Ajahn Brahm gave to the monks of Bodhinyana Monastery, where he serves as abbot, offers a unique glimpse into the mind of one of contemporary Buddhism's most engaging figures.

The Japanese Art of Decluttering and Organizing

How Empires Have Shaped the World

That's What She Said

The Good, Bad, and Wonky of Breast Cancer

**Filled with photographs and original artwork, a resource from one of the most trusted names in field guides showcases 900 species of North America's most common birds, mammals, insects, reptiles and amphibians, along with fish and other aquatic creatures.**

**Wall Street Journal Bestseller A groundbreaking approach to succeeding in business and life, using the science of resourcefulness. We often think the key to success and satisfaction is to get more: more money, time, and possessions; bigger budgets, job titles, and teams; and additional resources for our professional and personal goals. It turns out we're wrong. Using captivating stories to illustrate research in psychology and management, Rice University professor Scott Sonenshein examines why some people and organizations succeed with so little, while others fail with so much. People and organizations approach resources in two different ways: "chasing" and "stretching." When chasing, we exhaust ourselves in the pursuit of more. When stretching, we embrace the resources we already have. This frees us to find creative and productive ways to solve problems, innovate, and engage our work and lives more fully. Stretch shows why everyone—from executives to entrepreneurs, professionals to parents, athletes to artists—performs better with constraints; why seeking too many resources undermines our work and well-being; and why even those with a lot benefit from making the most out of a little. Drawing from examples in business, education, sports, medicine, and history, Scott Sonenshein advocates a powerful framework of resourcefulness that allows anybody to work and live better.**

A thought-provoking, gorgeously illustrated gift book that will spark your creativity and help you rediscover your passion with “simple, low-stakes activities [that] can open up the world.”—The New York Times Welcome to the era of white noise. Our lives are in constant tether to phones, to email, and to social media. In this age of distraction, the ability to experience and be present is often lost: to think and to see and to listen. Enter Rob Walker's *The Art of Noticing*—an inspiring volume that will help you see the world anew. Through a series of simple and playful exercises—131 of them—Walker maps ways for you to become a clearer thinker, a better listener, a more creative workplace colleague, and finally, to rediscover what really matters to you.

If you're tired of staring at the same mess every day, but struggling to find the time and willpower to clean it, you probably have a very good reason: anxiety, fatigue, depression, ADHD, or lack of support. Designed by therapist KC Davis, this revolutionary method of cleaning and organizing helps end the stress-mess cycle. After KC Davis gave birth to her second child, she didn't fold a single piece of laundry for seven months. Between postpartum depression and ADHD, she felt numb and overwhelmed. She regained her sanity--and the functionality of her home--after one life-changing realization: You don't work for your home; your home works for you. In other words, messiness is not a moral failing. A new sense of calm washed over her as she let go of the shame-based messaging that interpreted a pile of dirty laundry as "I can never keep up" and a chaotic kitchen as "I'm a bad mother." Instead, she looked at unwashed clothes and thought, "I am alive," and at stacks of dishes and thought, "I cooked my family dinner three nights in a row." Building on this foundation of self-compassion, KC devised the powerful practical approach that has exploded in popularity through her TikTok account, @domesticblisters. The secret is to stop following perfectionist rules that don't make sense for you--like folding clothes that don't wrinkle anyway, or thinking that every room has to be clean at the same time--and to find creative solutions that accommodate your needs, pet peeves, daily rhythms, and attention span. Inside, you'll learn exactly how to customize your approach and rebuild your relationship with your home, including: -How to stop seeing care tasks as a reflection of your worth, but rather as kindnesses to your future self -How to use calming rituals to keep you from feeling overwhelmed when you look at a big mess -How to stagger tasks that are easy to procrastinate throughout the week and month -How to quickly transform a room from messy to fully functional through the "5 Things" tidying method, and other shortcuts requiring minimal energy Read this book to make home feel like a sanctuary again: where you can move with ease, where guilt, self-criticism, and endless checklists have no place, and where you always have permission to rest, even when things aren't finished.
