

Speakout Starter Student Book De Libro

Lessons are designed to consolidate language and act as a springboard for further speaking and writing tasks.

This guide teaches students how to use clocks and stop watches. Explanations are provided of how these tools can be used to study things, such as a persons heart rate and how fast animals learn. Discussion about how to construct an experiment make it easy for readers to do one themselves and one is provided for them to try.

Designed to reinforce the companion Attitude level 1 student's book unit lessons, this workbook presents twelve units of interactive audio-supplemented exercises in English language grammar and vocabulary, language practice, reading and listening, and in pronunciation, and supports the development of the students' study and writing skills.

Speakout Pre Intermediate Workbook

Attitude

Some days, all you need is a message from a stranger. Ruby Santos knew exactly what she was getting herself into when she signed up to write a soldier overseas. The guidelines were simple: one letter or email a week for the length of his or her deployment. Care packages were optional. Been there, done that. She thought she knew what to expect. What she didn't count on was falling in love with the guy.

* Consolidates and extends essential language covered in the Students' Book *Improve your writing' and 'Listen and read' sections systematically develop skills * Pronunciation and spelling sections improve student confidence in typical problem areas * Accompanied by an optional Student Audio CD with exercises on grammar and pronunciation * Includes answer key

Speakout is a comprehensive General English course for young adults and adults. It features BBC content throughout and helps learners increase their confidence in all skill areas, with a strong focus on spoken and written communication.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

This fully revised third edition of Summit prepares confident speakers to navigate the social and professional situations they will encounter in their lives. Summit delivers immediate, demonstrable results through its goals- and achievement-based pedagogy and continual recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series.

Each unit of Speakout opens with a clear overview of the content and learning objectives. The course covers all 4 skills areas as well as grammar and vocabulary and functional grammar. Each unit culminates with a DVD lesson based around an extract from a real BBC programme. The Active Book includes: Easy navigation of the Students' Book pages with zoom facility Video and audio available at the touch of a button Video Podcasts with accompanying worksheets BBC programme clips that can be played in a DVD player or computer

Scales describing language proficiency in a series of levels can provide orientation for educational programmes, criteria for assessment, and reporting to stakeholders. However, in most cases such instruments are produced just by expert opinion. A scale of language proficiency actually implies a descriptive scheme related to theory but usable by practitioners. It also implies a methodology for scaling content to different levels. This book describes the use of both qualitative and quantitative techniques to develop scales for the «Common Reference Levels» in the Common European Framework of Reference for modern languages. Short stand-alone descriptors were (i) developed and classified, (ii) refined and elaborated in workshops, and then (iii) scaled by analyzing the judgments of one hundred teachers on the English language proficiency of the learners in their classes.

American Speakout is a six-level series based on topics that are relevant to students' lives and global in nature. Its emphasis on authentic listening opportunities and presentation of language in context enables learners to personalize the language they learn and express themselves confidently in real English-speaking environments. American Speakout follows a balanced approach to topics, language development, and skills work. Highlights Builds learner confidence Authentic, real-world language, challenging activities, and recycling of language builds student confidence in understanding context and communication. Video clips and interviews on the street expose students to a wide range of language and accents, familiarizing them with English as it is spoken. Encourages learners to spend more time on task Course package includes a wealth of practice material in specific areas including grammar, vocabulary, pronunciation, and skills. Clear objectives in every unit help students focus on what they will achieve so they can see how they are improving. Motivating lessons and practice materials engage learners, encouraging them to spend more time on task and make faster progress. Helps learners achieve their personal goals Tasks and activities encourage students to work collaboratively and build skills essential for both study and work. Helps learners see the relevance of what they are learning Clear goals and objectives aligned with the GSE/CEFR.

Speakout Starter 2nd Edition Workbook with Key

There are 60 core lessons for Levels A and B, which can be boosted by an extra 30 lessons in the Work Book. The Class Book contains a Starter Unit and six units with core teaching materials and two festival and holiday units. There are 6 pages of mini flashcards (smaller versions of the flashcards) along with pop outs. Great home-school links with the Class Book 1. Class Book activity pages are perforated - so children can take them home 2. In every unit the children make a pop-out based on the story that they can take home to tell the story there. The Class Book contains EIGHT activities per unit: 1. Two consolidation activities - following the story 2. Two vocabulary activities - to practise the vocabulary song 3. Cross-curricular/DVD activity - to consolidate the theme 4. Own life activity - to personalise the topic to the child's life 5. Key language activity - to bring together all of the language learnt in the unit 6. Song activity - using the pop outs

'Speakout' is a 6-level general English course for adults that builds confidence in speaking, listening, reading and writing, enabling students to learn authentic English and bridge the gap between the classroom and the real world.

Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Elementary Student's Book gives learners an immediate sense of purpose and clear learning objectives. It provides core grammar and vocabulary input alongside a mix of skills. Speaking lessons offer a unique combination of functional language, pronunciation and conversation skills, alongside video filmed in the real world. Each unit ends with a consolidation of core language from the unit and focuses on writing within the context of a highly communicative mixed-skills lesson. This version of the Student's Book does not provide access to the video, assessment package and online workbook. A version with full access is available separately.

Today is a four-level course that shapes learning around the individual, understanding that no two students are the same. Lessons feature kids in authentic situations, making English easier to understand, learning more enjoyable and teaching more effective

Check out preview content for Essentials of Economics here. Essentials of Economics brings the same captivating writing and innovative features of Krugman/Wells to the one-term economics course. Adapted by Kathryn Graddy, it is the ideal text for teaching basic economic principles, with enough real-world applications to help students see the applicability, but not so much detail as to overwhelm them. Watch a video interview of Paul Krugman here.

Starter: Global Scale of English 22-32 Based on authentic clips from the BBC's rich archive, these lessons are designed to consolidate language and act as a springboard for further speaking and writing tasks.
