Chris Van Allsburg tells that story of the boy and his boat, the Zephyr, in words and haunting, full-color pastel paintings. His sailboats sail the night sky with the stars in pictures so vivid that the reader can almost hear the wind in the sails. Here is a work of unusual artistry that will***

You Think It's Easy Being the Tooth Fairy?

Gooney Bird Is So Absurd

What Do You Do With a Tail Like This?

So begins the story of Helen Lester, author of Tacky the Penguin and many other popular books for children. By sharing her struggles as a child and later as a successful author, she demonstrates that hurdles are part of the process. She even gives writing tips, such as keeping a "fizzle box." Helen Lester uses her unique ability to laugh at her mistakes to create both a guide for young writers and an amusing personal story of the disappointments and triumphs of a writer's life.
