Drawings, photography, vintage art, and text written in her own hand round out this sumptuous companion filled with spells for everlasting confidence, radiant self-love, healing, manifesting your dreams, and love with a desired partner. Veronica calls upon the ancient and hidden Czech-Romani magic passed down to from her grandmother Helen's lineage and infuses it with her own signature sorcery to help you awaken and amplify your truest self. Each spell that you cast, each potion that you brew, and each chant you speak into the

universe will rouse the most powerful part of your being, the part that inherently knows how incredible and unstoppable you are when you possess the right tools. In *Part I, The School of Spectaculus*, Veronica reveals, step by step, her personally crafted steps to spellcasting with power. She shares her secrets regarding writing and preparing for spells, calling on ancestors to give your spells oomph, and concluding spells properly. She also provides information on when to cast spells and other basics that you need to know to perform the mind-blowing rituals she introduces in *Part II*. In *Part II, Initiations*, she introduces you to the hidden magick of Bohemia. There are five initiations, each focused on a specific themes including self-esteem, healing, self-love, love. Each initiation begins with an overview on the subject at hand, incorporating her personal wisdom and experience as a healer and sharing stories and images from the extremely popular Witch Camps she leads in upstate New York. The overview is followed by an experiential journey of discovery, a story in which you are the protagonist, whether following a trail of candles through a dark wood to a river filled with tiny message-filled paper boats or venturing into a tarot parlor on a hot, sultry night to meet a Witch who has come back from the Afterlife to help you find true love. And, of course, each initiation includes spells with a rock and roll vibe, such as: *Hello, I Love You: Using a mirror magick to boost your confidence and magnetism Return to Sender: Create a Magick Candle and burn it upside down to protect you and send bad vibes back to where they came from Search and Destroy: Literally pulverize the false stories you tell yourself by writing them on china plates and smash those poisonous words to bits with a hammer! It's a tough job, and this is the way to do it. Bohemian Rhapsody: A special knot-tying spell to do with a partner to increase passion and intimacy* For each badass bewitching enchantment, Veronica explains its importance, the purpose of practice, and the necessary tools and preparation you'll need to cast it correctly. With *Bohemian Magick*, you'll discover your adventurous side and have more fun than you ever dreamed. Get ready to rise up, call your power back to you, realize your purpose, and make your life story truly legendary!

"I can't just storm in and proclaim my intentions. I can't 'steal' you away. I just have to wait and hope that, someday, you'll ask," Tamani said. "And if I don't?" Laurel said, her voice barely above a whisper. "Then I guess I'll be waiting forever." Although Laurel has come to accept her true identity as a faerie, she refuses to turn her back on her human life—and especially her boyfriend, David—to return to the faerie world. But when she is summoned to Avalon, Laurel's feelings for the charismatic faerie sentry Tamani are undeniable. She is forced to make a choice—a choice that could break her heart.

"Black Magic for Dark Times: Spells of Revenge and Protection" is for every good, decent person who has been the victim of violence, threats, fraud, official corruption or other crimes and is without a conventional form of redress. It is the first spell book especially for crime survivors. It was written to help you deal with situations in which every normal means of justice has been cut off. It is a black magic spell book for the times we live in - a time of pervasive injustice and rampant, unchecked crime and corruption. The terms "revenge" and "justice" are both about bringing balance and harmony to a situation. Both words have similar meanings, but different connotations. Justice is balance and harmony brought about through the courts and the justice system. Revenge is balance and harmony brought about on an individual level. This book contains spells for both of these situations. When there is no justice, the conjurer can make it. When there is no way to identify the perpetrator by conventional means, he can be routed out using the often misunderstood science of magic. If you believe that all of the world is bent toward justice and karma will get the evil-doers in the end or they will be judged by God and burn in fire and brimstone forever, then this book is not for you. If you can reconcile living in a world with such people and the complete absence of justice by simply saying, "They'll get theirs someday," then put this book down and go back to sleep. Come back and read this book when you can face the truth, when you are filled with self-righteous anger and ready to invoke cosmic justice upon the perpetrators of evil acts with all the forces of Hell! Over 100 spells and formulas plus tips for making spells more effective. Includes spells to protect from and exact spiritual justice in cases of: Police brutality, judicial corruption, domestic violence, rape, stalking, harassment, unjust foreclosure and banking fraud, bullies at work and school, gossips, illegal checkpoints, airport security, government raids, home and travel protection, theft, bad neighbors, threats, creepy landlords, negative energies, unwanted house guests and - finally - how to heal from the trauma for survivors of violent crime. This is a unique spell book of practical magic especially for crime survivors and those dealing with official corruption, written in a conversational style. Part of the purpose of the book is to reawaken people to the idea that magic is a force for change in the real world.

From Wren Maple, the Thrifty Witch, comes an introduction to witchcraft with a variety of spells, tips, and tricks to get the most out of your practice. There's nothing wrong with simple and straightforward. Easy spells are not less worthy spells. These ideas are central to the practice of the Thrifty Witch. Sick of not being able to easily source (or afford) what she needed for spells, Wren Maple dedicated herself to collecting and optimizing spells that could work for all witches—no matter where they were on their journey and no matter their personal resources. Now The Thrifty Witch is sharing her research and bringing her collection to the page for the first time. The Thrifty Witch's Book of Simple Spells is part primer, part spellbook. It includes: Getting started/witch basics: Witchcraft as self-care, how to establish a practice, and a handful of super-easy spells to get casting today. Key ingredients for spells: Starter stones and herbs, how to source, what to buy first, and more questions answered! Simple spells for every witch: Just like the spells Wren is known for online, nearly every spell in the book requires five items or fewer, and all ingredients are easy to source. Specific spells: Organized by purpose (e.g. love

spells, protection spells), these spells are sure to cover what you're looking to cast. Tips and Tricks for Casting: When to cast for best results, where to cast and why it matters...make your spells count! The beauty of these spells is that they are easy enough and affordable enough to practice daily. Since practice and process are so important, this book provides an invaluable resource—unlocking the ability to try new spells and refine casting methods multiple times per week—even daily.

Wicca is also known as Witchcraft and The Craft. It is a religion that emphasizes nature, peaceful living, and spirituality. As such, it is vastly different than Satanism with which it is sometimes confused or unfairly compared to. Another singular feature of Wicca is its belief in magic. Wiccans practice a vast array of Wiccan spells and rituals such as Wiccan spells for love and Wiccan healing spells. Wiccan spells go beyond protection. Other examples are Wiccan money spells and Wiccan spells for love and healing. Wiccan money spells are meant to grant the spell-caster more money in their life. Money spells will increase a person's luck in earning and receiving money, and make them more overall successful financially. Wiccan love spells may make the spell caster more attractive in general, or they can be catered to make someone attractive to one particular individual. Some Wiccan love spells might even make a person fall in love with the spell user. The Wicca faith has an incredible range of spells and magic that are incredibly interesting to study. Read on to learn more about this fascinating religion and its unique magical features.

Sometimes the only way to get justice is to make it for yourself. Many

modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

A Book of 30 Spells Do you need a boost of self-esteem? Do you want more luck or financial success? Are you looking to add more magic into your life? Then this book is for you. This book will not only give you the spells that you need, but you'll find that it also gives you the reasons behind the ingredients and the best time to perform them. Most of the spells in this book will not require a lot of ingredients, but with witchcraft it is important to realize that the less ingredients you use, the more energy it will need. If you have a spell with more ingredients, it is a more basic spell, and you'll find basic spells in this book as well. You'll find Spells For: - Finding Love - Increasing Beauty - Job Applications - Seven Days of Luck - Banishing Negative Energy - Cleansing & Purifying Items - Protection Against Spirits & Curses - Better Dreams - And Much, Much More! This book will help you to start casting spells with the right ingredients at the right time. There's no guess work. It's all about your power, your desires, and your needs.
