

A Guide to Interpreting Scripture

United Methodist Church Book of Discipline 2016

Scripture

From Jesus to Christ

The Biblical Commission's Document "The Interpretation of the Bible in the Church"

The Origins of the New Testament Images of Jesus (Second Edition)

This book introduces students to the practice of reading scripture theologically and shows how explicitly theological concerns can be brought to bear on the interpretation of scripture. While the volume offers some methodological essays, it does not lay out a single method; it points to the variety of questions that can and have been raised about interpreting scripture theologically.

Discusses the history and diversity of early interpretation and the influence of Jewish traditions

A rich display of the Christian tradition ' s reading of Scripture Though well-known and oft-repeated, the advice to read the Bible " like any other book " fails to acknowledge that different books call for different kinds of reading. The voice of Scripture summons readers to hear and respond to its words as divine address. Not everyone chooses to read the Bible on those terms, but in Reading Sacred Scripture Stephen and Martin Westerholm (father and son) invite their readers to engage seriously with a dozen major Bible interpreters — ranging from the second century to the twentieth — who have been attentive to Scripture ' s voice. After expertly setting forth pertinent background context in two initial chapters, the Westerholms devote a separate chapter to each interpreter, exploring how these key Christian thinkers each understood Scripture and how it should be read. Though differing widely in their approaches to the text and its interpretation, these twelve select interpreters all insisted that the Bible is like no other book and should be read accordingly.

2010 Reprint of 1947 Edition. According to Goldsmith, those who find god, who attain even a small measure of understanding, have wealth that neither time nor circumstance can affect. These have no concern for their material or physical well-being, because they have found that their permanent and unchanging good, their invariable life and substance are all included in god."--From Introduction.
