

Star Trek 365 The Original Series

A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to. There are hundreds of books written on the X's and O's of leadership. However, few on how you, the leader, can create the "context or environment" for achieving unparalleled levels of success. Stay in your lane is a fresh new perspective on how leaders influence others to reach their true potential. The attitude of the leader affects the atmosphere of the office.

Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age. "I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn' t die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been, and all the miracles and strange occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die. It's the only one-size-fits-all advice, Shatner argues in Live Long and...:What I Learned Along the Way, because everyone has a unique life—but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the bumps in the road. (Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.) William Shatner is one of our most beloved entertainers, and he intends never to stop entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

An original eNovella set in the Star Trek: Deep Space Nine universe! On the space station Deep Space 9, Quark’s Public House, Café, Gaming Emporium, Holosuite Arcade, and Ferengi Embassy can’t legitimately be called an embassy until the Grand Nagus—namely, Quark’s brother Rom—dedicates it as such. Not that Quark really cares about Ferengi protocol, but a well-publicized dedication ceremony will naturally draw people to the bar. Everybody loves a good open house—free appetizers, half-price drinks, door prizes, etc.—all of which Quark can write off as Embassy expenses. It’s a win-win situation, with him on both sides of the win. There’s even a plan to display the original scroll of the Ferengi Rules of Acquisition—which no one has seen for decades given that it’s been held in protective storage—and charge patrons by the minute to look at it up close. Nothing, of course, could possibly go wrong with this big plan. Absolutely nothing at all...

An original enovella set in the Star Trek: Deep Space Nine universe! With his Starfleet assignment temporarily on hold, Odo needs a distraction. He welcomes Chief O'Brien's offer to loan him some of the action-packed books that both men relish: tales about hard-boiled private eyes, threatening thugs, and duplicitous dames. Then Quark suddenly goes missing during a hastily planned trip to Ferenginar. His concerned friends on Deep Space Nine feel that Odo, as the station's former chief of security, is uniquely suited to track Quark down. But once on Ferenginar, Odo learns that Quark is trapped in the seamy underbelly of a criminal enterprise that could have been ripped from the pages of one of O'Brien's novels. To find the bartender, Odo discovers that he must rely not only on his law enforcement background, but his knowledge of all things noir...

Jud Block grew up in Texas in the 80s and 90s; heard the siren songs of Waylon, Townes, Billy Joe, Kris, and the Scottish poetry of Stuart Adamson, which afflicted him with a love of music at an early age; lacking any vestige of a Puritan work ethic, he learned to play bass and lurked around the Arlington/Fort Worth punk rock scene with a few bands (Elysian Fields/Death Rabbis) until it became clear that fashion had usurped the music's message, and he turned in his Doc Martens; around this time he bought his first acoustic guitar and learned five chords, which he later discovered was two chords too many, but he figured if he ever decided to go into prog rock, he's covered; after leaving Texas, he didn't play in a band, or solo, again until the outskirts of the new millennium, when he took on bass duties for an all-original blues-rock band (Kenny's New Car) in Orlando, Florida; in 2001, he moved to Charlotte, NC, and formed Cattletruck terrorizing the staid mindset of the financial district for nearly 10 years and released two CDs, Bourbon and Black Crepe and Branches from the Hangin' Tree, until that beast ran off the road and was left to become one with the Earth in some backwoods pasture; In 2009, he released his first solo CD, Empty Chamber Grace, a solo acoustic collection of dark, gallows humor-infused tales heavily influenced by Townes Van Zandt, Brent Best, Eric Taylor, Tom Russell, Charles Bukowski, and Larry Brown; and in 2012, he released his second CD, Barroom Gravity, which draws from the same influences as the first, but with a bit more flesh on the bones . In 2013, he returned to his home state of Texas armed only with an acoustic guitar and a stash of incisive lyrics in search of a few folks who'll take the time to listen.
