**Book 2 of The Code of Opposites (TCO for short) furthers the mission to heal our power issues, and thus shift from the ego's need to dominate into the adoption of wholesome power. While Book 1 focuses on "no push-pull," Book 2 looks at "no self-doubt." Imagine experiencing 100% faith and having total certainty that you can [fill in the blank]... Would that be a valuable change? Yes, but how? Language is where your Power is. To transform, you must look at the story you tell. Activating a metalanguage - a language beyond all languages - allows you to track patterns, understand the purpose of your self-limiting creations, and be able to turn them off. Cracking this code reveals depths of meaning that animate the soul of all wisdom teachings. The codes are so awesome they naturally raise your vibrational field to the sense of enough by which to resonate with oneness. Radical? Crazy? You betcha! Especially as this ancient language that came back from the future renamed itself "S/Hebrew," to sanctify the union of the feminine and the masculine. Imagine yourself... \***
