

## Star Trek Discovery Drastic Measures

Scattered throughout the galaxy are Gateways capable of transporting matter and energy across unfathomable distances. Left behind by a long-vanished civilization, these mysterious portals offer a means of exploration -- or conquest -- many times faster than warp travel. The technology responsible for the Gateways has been lost for at least ten millennia, but that doesn't mean it can't be found again.... Having defeated the hostile computer program guarding an abandoned Kalandan outpost, Kirk and his crew are exploring the artificial planetoid in hopes of discovering the secret of an ancient apparatus that has hurled the Starship Enterprise™ over nearly a thousand light-years. Unfortunately, the reactivated Gateway has attracted the attention -- and avarice -- of various alien explorers, including a mysterious race who claim to be none other than the enigmatic Kalandans themselves!

Like the twisted strands of mutant chromosomes, an insidious alien conspiracy winds its way through the entire Alpha Quadrant, just as it stretches across several years of Starfleet history -- beginning near the very start of Captain Picard's command of the Starship Enterprise™! It is only the first year of the U.S.S. Enterprise™-D's ongoing mission when a virulent epidemic strikes the populace of Archaria III, endangering the lives of thousands and provoking acts of mob violence against those believed responsible for the spread of the disease. While Data and Natasha Yar team up to uncover the true origins of the virus, Dr. Crusher finds that the implacable sickness resists all her efforts to find a cure. The desperate quest for a cure becomes even more urgent when Deanna Troi succumbs to the dreaded plague...again and again.

An original novel based on the explosive TV series Star Trek: Discovery! Despite being an inexperienced Starfleet cadet, Sylvia Tilly became essential to the USS Discovery finding its way back home from the Mirror Universe. But how did she find that courage? From where did she get that steel? Who nurtured that spark of brilliance? The Way to the Stars recounts for fans everywhere the untold story of Tilly's past. It's not easy being sixteen, especially when everyone expects great things from Tilly. It's even harder when her mother and father are Federation luminaries, not to mention pressing her to attend one of the best schools that the Federation has to offer. Tilly wants to achieve great things—even though she hasn't quite worked out how to do that or what it is she wants to do. But this year, everything will change for Tilly, as she about to embark upon the adventure of a lifetime—an adventure that will take her ever closer to the stars...

The crews of Jean-Luc Picard, Benjamin Sisko, Ezri Dax, and William Riker unite to prevent a cosmic-level apocalypse—only to find that some fates really are inevitable. **An all-new novel based upon the explosive Star Trek TV series! A shattered ship, a divided crew—trapped in the infernal nightmare of conflict! Hearing of the outbreak of hostilities between the United Federation of Planets and the Klingon Empire, Captain Christopher Pike attempts to bring the USS Enterprise home to join in the fight. But in the hellish nebula known as the Pergamum, the stalwart commander instead finds an epic battle of his own, pitting ancient enemies against one another—with not just the Enterprise, but her crew as the spoils of war. Lost and out of contact with Earth for an entire year, Pike and his trusted first officer, Number One, struggle to find and reunite the ship's crew—all while Science Officer Spock confronts a mystery that puts even his exceptional skills to the test...with more than their own survival possibly riding on the outcome...**

**An entire solar system begins to disintegrate into cosmic rubble, and Captain Kirk suspects that rumors of a new Klingon superweapon are all too true. The Tautee system houses a flourishing pre-Warp civilization not quite ready to join the Federation, so the Prime Directive limits Kirk's ability to prevent the disaster, and to make matters worse his rescue efforts provoke an attack from four Klingon warships. But soon Kirk recognizes that he must get to the bottom of the forces at work in the Tautee system, because they could spill over into the rest of the galaxy.**

**The official novelization of the widely acclaimed major motion picture based on Star Trek: The Next Generation! From the deepest, darkest reaches of space came the greatest threat the United Federation of Planets had ever faced: the Borg, a half-organic, half-mechanical species relentlessly bent on conquering and “assimilating” all intelligent life into their collective. Only through the courage and determination of the USS Enterprise crew was Captain Jean-Luc Picard able to be rescued from his own abduction and assimilation by the Borg and this alien menace prevented from destroying Earth itself. Now, several years later, the Borg are back and more dangerous than ever, launching a new attack against the heart of the Federation—one that simultaneously threatens Earth's past, present, and future. As Captain Picard and the Enterprise crew risk their lives alongside unexpected allies, they must all stand against their greatest foe in a startling confrontation across time, even as the Borg Collective's deadliest secret and its true face are finally revealed...**

**An all-new novel based upon the explosive Star Trek TV series! Aboard the Starship Shenzhou, Lieutenant Michael Burnham, a human woman raised and educated among Vulcans, is promoted to acting first officer. But if she wants to keep the job, she must prove to Captain Philippa Georgiou that she deserves to have it. She gets her chance when the Shenzhou must protect a Federation colony that is under attack by an ancient alien vessel that has surfaced from the deepest fathoms of the planet's dark, uncharted sea. As the menace from this mysterious vessel grows stronger, Starfleet declares the colony expendable in the name of halting the threat. To save thousands of innocent lives, Burnham must infiltrate the alien ship. But to do so, she needs to face the truth of her troubled past, and seek the aid of a man she has tried to avoid her entire life—until now.**

*Star Trek continues its fiftieth anniversary celebration in 2016 with an all-new novella from New York Times bestselling author Greg Cox, set in the popular and blockbuster Original Series era! The Enterprise-A is transporting a party of diplomats when it picks up a mysterious alien signal emanating from a nearby world. The planet's dense, impenetrable atmosphere makes it unclear if the beacon is a distress signal, an invitation—or a warning to stay away. Spock, Doctor McCoy, and Chekov are part of a team sent to investigate, but an unexpected catastrophe forces a crash landing. Now the landing party is stranded on a hostile world, unable to communicate with the Enterprise. While Captain Kirk and Saavik race to locate the lost crew, a badly wounded Spock struggles to keep McCoy and the others alive until they can be rescued, even if that means making an unthinkable sacrifice...*™, ®, & © 2016 CBS Studios, Inc. *A novel based upon the explosive Star Trek TV series! The U.S.S. Discovery's specialty is using its spore-based hub drive to jump great distances faster than any warp-faring vessel in Starfleet. To do this, Lieutenant Paul Stamets navigates the ship through the recently revealed mycelial network, a subspace domain Discovery can briefly transit but in which it cannot remain. After responding to a startling distress call originating from within the network, the Discovery crew find themselves trapped in an inescapable realm where they will surely perish unless their missing mycelial fuel is found or restored. Is the seemingly human man found alone and alive inside the network the Starfleet officer he claims to be, or an impostor created by alien intruders who hope to extract themselves from the mycelial plane at the expense of all lives aboard Discovery? Like a lethal bacillus coursing through the bloodstream of the galaxy, a fiendish master plan has spread death and terror across the 24th century -- until two heroic captains risk everything to stamp out the evil at its source! For more than a decade, since the very beginning of the Starship Enterprise's™ mission, unknown enemies have unleashed a string of deadly biological weapons throughout the Alpha Quadrant, inflicting ghastly epidemics upon the Romulans, the Cardassians, the Bajorans, and even the Federation. Now, at long last, Captain Jean-Luc Picard joins forces with Captain Mackenzie Calhoun of the Starship Excalibur to track down and confront the hidden architects of the plagues -- and avenge the deaths of thousands!*

*The first two seasons of Star Trek: Discovery, the newest instalment in the long-running and influential Star Trek franchise, received media and academic attention from the moment they arrived on screen. Discovery makes several key changes to Star Trek's well-known narrative formulae, particularly the use of more serialized storytelling, appealing to audiences' changed viewing habits in the streaming age - and yet the storylines, in their topical nature and the broad range of socio-political issues they engage with, continue in the political vein of the series' megatext. This volume brings together eighteen essays and one interview about the series, with contributions from a variety of disciplines including cultural studies, literary studies, media studies, fandom studies, history and political science. They explore representations of gender, sexuality and race, as well as topics such as shifts in storytelling and depictions of diplomacy. Examining Discovery alongside older entries into the Star Trek canon and tracing emerging continuities and changes, this volume will be an invaluable resource for all those interested in Star Trek and science fiction in the franchise era.*

The dedicated agents of the Federation Department of Temporal Investigations have their work cut out for them protecting the course of history from the dangers of time travel. But the galaxy is littered with artifacts that, in the wrong hands, could threaten reality. One of the DTI's most crucial jobs is to track down these objects and lock them safely away in the Federation's most secret and secure facility. As it happens, Agent Gariff Lucsly and his supervisor, DTI director Laarin Andos, are charged with handling a mysterious space-time portal device discovered by Starfleet. But this device turns out to be a Trojan horse, linking to a pocket dimension and a dangerous group of raiders determined to steal some of the most powerful temporal artifacts ever known...

An all-new novel based upon the explosive Star Trek TV series! It is 2246, ten years prior to the Battle at the Binary Stars, and an aggressive contagion is ravaging the food supplies of the remote Federation colony Tarsus IV and the eight thousand people who call it home. Distress signals have been sent, but any meaningful assistance is weeks away. Lieutenant Commander Gabriel Lorca and a small team assigned to a Starfleet monitoring outpost are caught up in the escalating crisis, and bear witness as the colony's governor, Adrian Kodos, employs an unimaginable solution in order to prevent mass starvation. While awaiting transfer to her next assignment, Commander Philippa Georgiou is tasked with leading to Tarsus IV a small, hastily assembled group of first responders. It's hoped this advance party can help stabilize the situation until more aid arrives, but Georgiou and her team discover that they're too late—Governor Kodos has already implemented his heinous strategy for extending the colony's besieged food stores and safeguarding the community's long-term survival. In the midst of their rescue mission, Georgiou and Lorca must now hunt for the architect of this horrific tragedy and the man whom history will one day brand "Kodos the Executioner"....

When the sensors of the U.S.S. Voyager detect abundant plant life on an unexplored planet, Captain Janeway leads an Away Team in search of fresh food supplies. They find lavish gardens inhabited by an enigmatic alien race that holds the gardens sacred. The fragrant blossoms are beautiful, enticing -- and far more dangerous than they appear. One by one, the Away Team begins to fall into deep comas from which they cannot be revived. Unwilling to spread the affliction to Voyager, the Away Team is trapped on the planet until a cure can be found, but their investigation is perceived as desecration by the devout worshippers of the gardens. Pursued by a fanatical mob, slowly succumbing to the insidious effect of the blossoms, Janeway faces either a violent death -- or an endless sleep.

A thrilling Star Trek novel following two of Starfleet's best starships on a quest to discover the secrets of a mysterious, uncolonized region. The Tomol are a primitive civilization occupying a lone island on a remote world. Their culture is an enigma, centered on every member's commitment to a painful, fiery self-sacrifice upon reaching maturity. But one of their clan has shunned this obligation, triggering a transformation into a new, powerful life form. Answering the distress call of the U.S.S. Sagittarius—which has crashed on the planet following a fierce battle with the Klingons—Captain Atish Khatami and the crew of the U.S.S. Endeavour must now attempt a rescue mission—even as they are locked in battle with the evolving, increasingly malevolent Tomol who, if allowed to escape their home world, pose an imminent threat to the entire galaxy.

Continuing the Deep Space Nine saga—an original novel from New York Times bestselling author Judith Reeves-Stevens! Bajor is in flames. The corridors of Terok Nor echo with the sounds of battle. It is the end of the Cardassian Occupation -- and the beginning of the greatest epic adventure in the saga of Deep Space 9! Six years later, with the Federation losing ground in its war against the Dominion, the galaxy's greatest smugglers—including the beautiful and enigmatic Vash—rendezvous on Deep Space 9. Their objective: a fabled lost Orb of the Prophets unlike any other, rumored to be the key to unlocking a second wormhole in Bajoran space—a second Celestial Temple. Almost immediately, mysterious events plague the station: Odo arrest Quark for murder; Jake and Nog lead Chief O'Brien to an eerie holosuite in a section of the station that's not on any schematic; and a Cardassian scientist whom even the Obsidian Order once feared makes an unexpected appearance. With all those events tied to a never-before-told story of the Cardassian withdrawal, Captain Benjamin Sisko faces the most dangerous challenge of his career. Unless he can uncover the secret of the lost Orb, what began with the fall of Terok Nor will end with the destruction of Deep Space 9...or worse.

An all-new novel based upon the explosive Star Trek TV series! No one in the history of histories has lost more than Philippa Georgiou, ruler of the Terran Empire. Forced to take refuge in the Federation's universe, she bides her time until Section 31, a rogue spy force within Starfleet, offers her a chance to work as their agent. She has no intention of serving under anyone else, of course; her only interest is escape. But when a young Trill, Emony Dax, discovers a powerful interstellar menace, Georgiou recognizes it as a superweapon that escaped her grasp in her own universe. Escorted by a team sent by an untrusting Federation to watch over her, the emperor journeys to a region forbidden to travelers. But will what she finds there end the threat—or give "Agent Georgiou" the means to create her old empire anew?

A thrilling e-novella based on Star Trek: The Original Series! Six months after the events of Star Trek: The Motion Picture, Doctor Christine Chapel and Spock must save the life of an ailing Audrid Dax, her true nature as a Trill having remained a mystery until now. But after an unknown vessel attacks their shuttle, a risky game of cat-and-mouse may be the only way to save all their lives.

Star Trek: Discovery: The Way to the Stars

*Der zweite Teil der epischen Saga zum Netflix-Hit STAR TREK - DISCOVERY! Während sie auf die Versetzung zu ihrem nächsten Posten wartet, wird Commander Philippa Georgiou mit der Aufgabe betraut, eine kleine hastig zusammengestellte Gruppe Ersthelfer nach Tarsus IV zu bringen, wo eine schlimme Hungersnot herrscht. Man hofft, so die missliche Lage dort zu stabilisieren, bis weitere Hilfe eintrifft. Doch Georgiou und ihr Team stellen fest, dass sie zu spät kommen: der bösartige Gouverneur Kodos hat bereits einen abscheulichen Plan in die Tat umgesetzt. Und so müssen Georgiou und Lorca jetzt den Mann jagen, den die Geschichtsbücher eines Tages "Kodo, der Henker" nennen werden.*

*Nobleman sleuth Daidoji Shin returns for a brilliant new investigation deep in the Emerald Empire, in this exciting novel set in the fantastical world of Legend of the Five Rings Daidoji Shin, former louche layabout turned amateur investigator, and his long-suffering bodyguard, Kasami, are called away from the comforts of the City of the Rich Frog and into Unicorn lands to investigate a seemingly open-and-shut case of murder. But it's never that straightforward... A condemned woman's life is at stake, and the outcome may prevent a war between noble families. But that's only the beginning of this mystery: Shin will come face to face with a sinister seditionist organization that could have much deeper consequences than he could imagine.*

*An all-new novel based upon the explosive Star Trek TV series! In a desperate attempt to prevent the artificial intelligence known as Control from seizing crucial information that could destroy all sentient life, Commander Michael Burnham donned the "Red Angel" time-travel suit and guided the USS Discovery into the future and out of harm's way. But something has gone terribly wrong, and Burnham has somehow arrived in a place far different from anything she could have imagined—more than nine hundred years out of her time, with Discovery nowhere to be found, and where the mysterious and cataclysmic event known as "the Burn" has utterly decimated Starfleet and, with it, the United Federation of Planets. How then can she possibly exist day-to-day in this strange place? What worlds are out there waiting to be discovered? Do any remnants of Starfleet and the Federation possibly endure? With more questions than answers, Burnham must nevertheless forge new friendships and new alliances if she hopes to survive this future long enough for the Discovery crew to find her.... ™, ®, & © 2021 CBS Studios, Inc. *One man can shape the future...but at what cost? "In every revolution, there is one man with a vision." Captain James T. Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire, hoping to inspire change. He could not have imagined the impact his counsel would have. Armed with a secret weapon of terrifying power and a vision of the alternate universe's noble Federation, Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history: democratic reform. Rivals within the empire try to stop him; enemies outside unite to destroy it. Only a few people suspect the shocking truth: Spock is knowingly arranging his empire's downfall. But why? Have the burdens of imperial rule driven him mad? Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood? Spock alone knows that the fall of the empire will be the catalyst for a political chain reaction -- one that will alter the fate of his universe forever.*

*An original eNovella set in the Star Trek: Deep Space Nine universe! On the space station Deep Space 9, Quark's Public House, Café, Gaming Emporium, Holo-suite Arcade, and Ferengi Embassy can't legitimately be called an embassy until the Grand Nagus—namely, Quark's brother Rom—dedicates it as such. Not that Quark really cares about Ferengi protocol, but a well-publicized dedication ceremony will naturally draw people to the bar. Everybody loves a good open house—free appetizers, half-price drinks, door prizes, etc.—all of which Quark can write off as Embassy expenses. It's a win-win situation, with him on both sides of the win. There's even a plan to display the original scroll of the Ferengi Rules of Acquisition—which no one has seen for decades given that it's been held in protective storage—and charge patrons by the minute to look at it up close. Nothing, of course, could possibly go wrong with this big plan. Absolutely nothing at all...*
