BOOK ZERO of the Plague Wars series.

When veteran combat lifesaver Daniel Markis finds a mystery woman with armed invaders in his home and it all goes sideways, he turns to his brothers in arms to fight back. On the run from the shadow Company, soon he finds himself in a war for possession of a genetic engineering puzzle that threatens the stability of the world. But who is behind it all - and are they even human? The Eden Plague is a futuristic thriller that will grip the imagination of readers who relish high-energy adventure. No zombies were harmed in the making of this book. In fact, no zombies appear anywhere in this book.

Seriously. It's not a zombie book. The Plague Wars apocalyptic thriller series begins in the world of today with a man and a woman twined together by circumstances, destined to change the world. It leads readers into an ever-darkening future of upheaval, struggle and war marked by the depths of evil and the heights of selfless sacrifice. Plagues, new technologies and extraterrestrial meddling provide the backdrop for heroes and villains to struggle for control of the destiny of humanity. The Plague Wars series is suitable for adults and older teens, and generally corresponds to a PG-13 movie rating due to strong language, violence, and mature themes. the 1950s to impart his views about the galaxy, black people, and spiritual matters by performing music with the Arkestra that was as vital and innovative as it was mercurial and confounding. Szwed's readers—whether they are just discovering Sun Ra or are among the legion of poets, artists, intellectuals, and musicians who consider him a spiritual godfather—will find that, indeed, space is the place.

greater powers. Eighty years ago, Earth was destroyed by an alien enemy. Many escaped, but millions more died. So mankind created enhanced humans such as Idris - who could communicate mind-to-mind with our aggressors. Then these 'Architects' simply disappeared and Idris and his kind became obsolete. Now, Idris and his crew have something strange, abandoned in space. It's clearly the work of the Architects - but are they really returning? And if so, why? Hunted by gangsters, cults and governments, Idris and his crew race across the galaxy as they search for answers.

community of artists creating Afrofuturist works, the innovators from the past, and the wide range of subjects they explore. From the sci-fi literature of Samuel Delany, Octavia Butler, and N. K. Jemisin to the musical cosmos of Sun Ra, George Clinton, and the Black Eyed Peas' will.i.am, to the visual and multimedia artists inspired by African Dogon myths and Egyptian deities, the book's topics range from the "alien" experience of blacks in America to the "wake up" cry that peppers sci-fi literature, sermons, and activism. With a twofold aim to entertain and enlighten,

*It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the*
