**Reflections on Classroom Thinking Strategies**

**A Long Walk to Water**

Silent Sentinels is the long awaited sequel to "The Mourning Doves." Like Doves, Silent Sentinels involves murder, kidnapping, blackmail, and a deep and abiding love affair. Jason Borseau, the co-owner of KCOY Radio Station in Yuma, Arizona, is now the co-owner and CEO of KSOL-TV in Phoenix, where the story begins. Jason is married to Kathryn Whittaker, the love of his life. The year is 1961. A serial killer is targeting the west side of Phoenix, Arizona. Five young women, alleged prostitutes, all

minorities, have gone missing, their bodies discovered in the desert, ravaged by the killer and savaged by wild animals. Now, another girl has disappeared. Jason Borseau's good friend Christian Grayson, a handsome, light-skinned Negro and Pulitzer Prize-winning investigator, has worked for Jason for four years. For some time, Christian has had a hunch that something isn't right about the way the City is doing business. Jason has doubts, but over the years, he's learned to trust his colleague's instincts. Jason instructs Christian to go ahead, and look into it, but urges him to tread softly through the City's hallowed halls. Meanwhile, the "Ladies of the Night Murders" investigation is going nowhere. Christian is certain it's not a priority with the police, because the victims are minorities, and prostitutes. He's determined to unmask the killer. Unfortunately, he becomes the target. When Christian is found unconscious and badly beaten on the street in front of Jason's estate, Jason calls his old friend, Alan Sheffield, Arizona's Attorney General, the

State's, "Top Cop." Together they begin an investigation that will expose a conspiracy that runs deeper than anyone could have imagined, leading them into the darkest regions of human behavior. This book is enthralling in its emotional aspects, brilliant in its love story, an extremely thrilling mystery. Silent Sentinels is a whodunit that keeps you guessing until the very end.

In *Pictures Your Heart Remembers*, family expert Dr. John Trent shows how "pictures" of the good and bad things in our lives not only find their way into our hearts but also affect how we view ourselves, how we treat others, and even how we relate to God. These pictures, writes Trent, "affect the way we think, the way we feel, and the way we perceive the world." use the "pictures" of your life to deepen your love for God and others. In this most personal book, Trent draws on pictures from his own painful past to show how acts of kindness or cruelty—a parent's smile or a teacher's ridicule—are all wrapped up in memories that carry the power to bless or curse us. Drawing on pictures full of promise in God's Word, Trent shows that we have a choice in how we react to the negative events we've experienced in the past. We also have a choice every day to leave positive pictures in the lives of those we meet...just as Jesus did. Over a million homes have been deeply impacted by Dr. Trent's powerful message of the blessing. This book, previously released as *Choosing to Live the Blessing*, speaks to the people who may not have seen consistent love, acceptance, or warmth in their past and gives them hope and help in reframing those negative events into lifelong positives. Filled with genuine warmth and vulnerability, *Pictures Your Heart Remembers* will touch readers' hearts and challenge them to leave pictures of blessing today.
