This schoolroom drama that inspired the classic Sydney Poitier film is "a microcosm of the racial issues . . . A dramatic picture of discrimination" (Kirkus Reviews). With opportunities for black men limited in post-World War II London, Rick Braithwaite, a former Royal Air Force pilot and Cambridge-educated engineer, accepts a

teaching position that puts him in charge of a class of angry, unmotivated, bigoted white teenagers whom the system has mostly abandoned. When his efforts to reach these troubled students are met with threats, suspicion, and derision, Braithwaite takes a radical new approach. He will treat his students as people poised to enter the adult world. He will teach them to respect themselves and to call him "Sir." He will open up vistas before them that they never knew existed. And over the course of a remarkable year, he will touch the lives of his students in extraordinary ways, even as they in turn, unexpectedly and profoundly, touch his. Based on actual events in the author's life, To Sir, With Love is a powerfully moving story that celebrates courage, commitment, and vision, and is the inspiration for the classic film starring Sidney Poitier.

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. *Swami and Friends* introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

features the debut novel of Indian writer Bankim Chandra Chatterjee and a story by Bengali writer, feminist, and educator Rokeya Sakhawat Hossain. Rajmohan's Wife, Chattopadhyay's only work in English, launched his career as a leading Bengali intellectual and political figure. Written in English, Sultana's Dream originated as a way of passing time for its young author while her husband was away on work. Initially published in The Indian Ladies Magazine, Sultana's Dream helped establish Rokeya's reputation as a leading figure in Bengali arts and culture. Rajmohan's Wife is the story of Matangini, a beautiful woman married to a violent, jealous man. Unable to marry the man she loves—who happens to be her own sister's husband—she settles for the villainous Rajmohan, an abusive man who rules his middle-class Bengali household with an iron fist. With the help of her friend Kanak, Matangini does her best to avoid her husband's wrath, illuminating the importance of solidarity among women faced with oppression. Vindictive and cruel, Rajmohan secretly enacts a plan to rob Madhav, his brother-in-law, in order to obtain and invalidate a will. Sultana's Dream is set in Ladyland is a feminist utopia ruled by women, a perfect civilization with no need for men, who remain secluded and without power. Free to develop their own society, women have invented flying cars, perfected farming to the point where no one must work, and harnessed the energy of the sun. With men under control, there is no longer fear, crime, or

violence. Ultimately, Ladyland is a world made to mirror our own, a satirical exploration of the absolute power wielded by men over women, and a political critique of Bengali society at large. Sultana's Dream is more than a science fiction story; it is an act of resistance made by a woman who would shape the lives of her people through advocacy, education, and activism for generations to come. With a beautifully designed cover and professionally typeset manuscript, this edition of Bankim Chandra Chatterjee and Rokeya Sakhawat Hossain's Rajmohan's Wife and Sultana's Dream is a classic of Bengali literature and utopian science fiction reimagined for modern readers.

in happiness as it was in gold, and famous for its food. From the delicate cream cheeses of Kurdsburg to the Hopes-of-Heaven pastries of Chouxville, each was so delicious that people wept with joy as they ate them. But even in this happy kingdom, a monster lurks. Legend tells of a fearsome creature living far to the north in the Marshlands... the Ickabog. Some say it breathes fire, spits poison, and roars through the mist as it carries off wayward sheep and children alike. Some say it's just a myth... And when that myth takes on a life of its own, casting a shadow over the kingdom, two children - best friends Bert and Daisy - embark on a great adventure to untangle the truth and find out where the real monster lies, bringing hope and happiness to Cornucopia once more. Featuring full color illustrations by children from across the United States and Canada, this original fairy tale from one of the world's most celebrated storytellers will captivate readers of all ages.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded

economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.
