Knitting is hot, with 4 million newcomers in the last few years joining a core group of 38,000,000 knitters nationwide. And these are primarily young, creative, connected chicks with sticks who are coming together in living rooms, knitting cafes, and chic yarn stores, and making everything from funky hats to bikinis. In *Stitch 'n Bitch*, Debbie Stoller-founder of the first *Stitch 'n Bitch* knitting group in New York City-covers every aspect of knitting and the knitting-together lifestyle: the how-to, the when-to, the what-to, the why-to. Writing with wit and attitude (*The Knitty-Gritty*, *Blocking for Blockheads*), she explains the different types of needles and yarns (and sheep, too) and all the techniques from basic to fancy, knit to purl to cast-off. She also shares her special brand of corrective surgery for when things go wrong, and offers fun and informative sidebars on such topics as how to find the best yarn for less, how to make a buttonhole, knitting etiquette, and what tools to keep in your knitting bag. At the heart of the book are forty stylish patterns: Alien Scarf, Big Bad Baby Blanky, Mohair Hoodie, Kitty and Devil Hat, Cell Phone Cozy, and Wonder Woman Bikini. And for anyone interested: how to start a *Stitch 'n Bitch* group.

"I've been into sewing and quilting for awhile and have really wanted to get into knitting as well, so thought I'd give this a try. I really like it. Not just a generic knit one pearl two kind of bool, and it has got great illustrations and pictures of exactly what you are doing. For me, it really helps if I can see exactly what it is supposed to look like. I've been wanting to make my little girl a blanket since she was born in April, but she has a lot of quilts***

*already from grandmas and such. With this I think I can really get a great blanket that will last, and mommy will have made it! It has a lot of neat ideas and projects. I also like how its formatted. Easy to follow, easy to find what you need or get the info/how to really fast depending on what you are doing."*

*- Marionbeth Bates "This little book is really useful, even for experienced knitters. It has clear illustrations and well written instructions. Thank you." - Dolly Kauley*

*This book" knitting made easy "will help you learn a lot about basic knitting. It's beginner friendly. Knitting as we all know has come a long way dated back to the 5th century AD, and many people are embracing it more and more. Young, old, male and female. At the beginning of the knitting project, try and choose the right supplies. It will not only save you tons of time, but it will also save you tons of money. In chapter 2 of this book, I listed the supplies you will need as a beginner. Knitting has its skill, to be a good knitter you will learn the basic skills of knitting, that is knit, purl, cast on and bind off. With these skills, you can create things like garments, toys, homewares and other exciting items. In chapter 5, I explained how you could make well-knit stitches and purl stitches. The different between knit stitch and purl stitch is that in knit stitches your working yarn will be at the back of your needle, while in purl stitches your working yarn will be in front of the needle towards you. Knitting is fun and full of excitement, all you need to do is to study it carefully and follow the instructions step by step. There are so much to learn from this book; you will also learn How to check the gauge you will use during knitting How to increase and decrease stitches How to make a backstitch seam How to recognize and correct mistakes How to join new yarns to existing ones Quality of yarn to use Care of your synthetic yarn Good knitting habit and lot more. Remember the best way to enjoy knitting is to give a demonstration; you can do it alone or with a partner. It will help you go a long way in mastering the skill. I see knitting as a hobby which can soothe your nerves and enable you to be at peace. Buy This Book Now*

*I've compiled 10 of my favorite Loom Knit Stitch patterns that I shared on my website in this little eBook. I do want to warn you that these patterns are not written in a conventional manner. *In this ebook, you are going to learn how to knit with pictures. You are going to learn about the basic tools that you need to get started and what they look like. You will learn about the different types of knitting needles and a little bit about yarn. You will also learn how to cast on, create a knit stitch, create a purl stitch, and how to bind off. Once you've gotten down the basics, you will move on to the 8 simple (but awesome) knitting patterns in this ebook. You will get patterns for: A hat Blankets Scarves A baby's jacket A pillow Learning to knit is a wonderful way to do more than pass the time. It's a great way to make gifts for your friends and family or to contribute to a charity. Once you*

***learn the basics, you'll be ready to take on more complicated patterns. Knitting is much easier than you think. All of the stitches are based off of the two main stitches: the knit stitch and the purl stitch. You'll practice those two stitches in the first part of the book and you'll also learn how to increase and decrease your stitch count, too. Before you move on to the patterns, you'll also learn how to deal with a knitter's worst nightmare: what to do if you drop a stitch. Knitting is one of the dissimilar methods to weave and crochet thread or yarn. It is all about creativity. The very basic form of knitting is basically done for the purpose of recreation and of course, making personalized garments. It may not be as easy as it looks but all it really needs is a bit of creativity and a whole lot of patience. This is not the kind of hobby that would suit anyone. It is a time-consuming process. Something that people who have plenty of time to spend would enjoy doing. Something that you would often see your grandmother doing. However, this is not limited to those who have ample time, but it is perfect for anyone who is willing enough to try. Did you know there are boundless possibilities to knitting? You could do almost any sort of design you wish. From ordinary to extra ordinary. It is all your pick. From the very basic form of knitting up to the most intricate of designs, the same principles apply. The two most elementary knits you will need to master will be the purl stitch and the knit stitch. You will eventually master various other stitches if you learn both of these as the more special stitches derive from them. You will also try to learn how to toss on and the team off to start and finish your stitches. In the event that you are searching for a definitive guide for amateurs and experienced knitters the same, look no farther than the top of the line asset The Knitter's Companion. Covering all your knitting rudiments including sew join and procedures, this Book will enable each knitter to figure out how to sew with progress.

Knitting Basics for Beginners Step By Step Visual Guide - Learn to Knit Like a Pro in Less than a Week! If you are looking at this book than I would assume you are a smart and creative person and you want to learn how to knit. Thats wonderful! I am happy to introduce you to knitting. Before we get started, I just want to remind you that you will be learning a new mechanical skill. This means your fingers will feel awkward holding the needles and manipulating the yarn for the first little while. It doesnt take long before your body begins to memorize the movements and your knitting will pick up speed and begin to look smoother and more professional. However, for the first day or two try to be patient, concentrate on the required movement of the needles and yarn and find the most comfortable way for YOU to knit. You are going to make errors. This a good thing because we learn more from our mistakes than we do from performing a task perfectly. In Chapter 7 I will discuss the most common problems beginners run into and various ways to solve them. You always have options in knitting. We will begin with simple squares or swatches of knitting because they knit up quickly and you can use them to compare examples of different types of stitches, increases, and decreases to see what they might look like in a completed garment. You can make notes about what you have learned and attach them to the swatches with a safety-pin, so you have a resource you can go back to anytime you need to refresh your memory. In this visual guide I teach you: What Supplies And Equipment You Will Need The Basics Of Casting On How To Hold The Needles Two Popular Methods Of Managing The Yarn Garter Stitch Knitting How To Cast Off How To Start Your First Project Of Knitting A Scarf The Purl Stitch The Increasing And Decreasing How To Get Gauge How To Deal With 9 Common Errors And Mistakes How To Put Final Touches To Your New Creation How To Do Mattress Stitch To Join Stitch And so much more... **This how-to book for beginners to advanced knitters contains simple instructions, over 200**

drawings and descriptions of stitches, and 111 patterns arranged from the simplest to the most complex. Drawings and written instructions guide knitters through each stage, stitch by stitch. Do you want to discover the elegant art of knitting? Do you find the information you find online and in other sources confusing? Well, the truth is that the internet has lots of knitting information. but most of it is pretty complex and confusing. It seems as if it is written for an audience that already knows its craft. Use of initials is pretty common so unless you have been in a knitting class, you definitely will not understand what that means. The good news is that, I am going to make every simple detail clearer! Non-knitters view knitting as one complicated art when it is absolutely easy once you get the hang of it. All you need to know is how to do different kinds of stitches and from then on, knitting is quite repetitive. Actually, I am greatly confident that you can become quite good at knitting in just two weeks only if you practice enough. As a beginner, always select yarn that feels soft when you touch. I recommend this because this type of yarn will stretch and will not produce tight endings. Also, select bright colored yarn so that it can be easy to point out mistakes whenever you make one! Now that you have chosen the perfect yarn, the next important thing is to choose suitable knitting needles. Knitting needles have a long shaft and taper. The long shaft is for holding the active unsecured stitch of the piece of work to prevent them from unraveling. When you are choosing needles to begin learning with, select the ones that are not slippery, like the bamboo needles. This will prevent the yarn from sliding off. Once you have mastered the art, you have more variety to choose from like aluminum needles. This book has everything you need to know about knitting to help you get started. You will be amazed by how this new skill can actually help you unleash the creative self in you!! Just a few tips you'll discover reading this book: History of Knitting How to Start Knitting Tips for Beginners Common Knitting Mistakes Simple Secrets to Avoid the Knitting Mistakes Basic Techniques Benefits of Knitting Knitting Patterns and Knitting Stitches Standard Patterns for Female and Children ...and much more!! Think of all the possibilities of the items you can make. By the time you are done with this book, you are going to have the skills you need to make them all! Scroll up, and click the 'add to cart' button!! Easy-to-follow, full-color instructions for more than 15 projects explain basic techniques. Charming patterns include scarves, hats, bracelets, toys, and ornaments. Great for kids as well as beginners of all ages.
