Description: For the dinosaur-loving child, what could be more fun than being able to color all of his or her favorite types? Powerful meat-eaters and peaceful herbivores roam through this coloring book, enjoying their prehistoric habitats with trees, mountains, volcanoes and comets whizzing across the sky in the background. You will find all the most popular dinosaur types here--sometimes alone, sometimes interacting with one another! Buy this coloring book today and share the fun and excitement of dinosaurs with a special child! This coloring book is a great non-screen activity to stimulate a child's creativity and imagination. It makes a perfect gift! About this dinosaur coloring book: - The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. - We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. - The pages are a nice, large 8.5x11 size.
