New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupage with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters,

and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

Sticker Book Collecting Album Large Blank Sticker Keeper Book for Kids and Empty Sticker Journal Notebook and Storage Book for Children with Unicorn Cover - Funny Gift for Girls

In the kingdom of Kaloon, nothing is quite as it seems.... "Y-y-y-you," he stammered, and Flissa turned to see he'd gone ashen. "T-t-t-two of you!" Uh-oh. Flissa reached up and checked. Sure enough, her hood had fallen off. Their secret was out. Princesses Flissa and Sara are even closer than most twins. In fact, most of the kingdom thinks they're the same person. When magic was outlawed in Kaloon generations ago, twins, black cats, and other potentially -magical beings were outlawed, too. Since they were born, Flissa and Sara have pretended to be one princess, Flissara, trading off royal duties like attending glamorous balls, participating in fencing exhibitions, and making friends with other young nobles, all while hiding in plain sight. But when the first magical attack in years puts their mother's life in danger, the girls must break the rules that have protected them to save her. With a brave servant boy and his plucky black kitten as their guides, they set off on an epic quest to the Twists—a forbidden place full of dark magic—to find the evil mage who cursed the queen. With a case of mistaken identity, a wickedly powerful exile out for vengeance, and time running out for their mother, the twins might just need to make their own magic to save the day. In the first book of this new series, author Elise Allen brings to life a fantastical world filled with high-stakes adventure, incredible twists, and all the spark and humor of sisterhood.

This voltageous sticker collection with activity pages is packed with over 1000 stickers featuring all your favorite Monster High characters!

If you love collecting stickers, then this Sticker Book Holder is for you. There is enough space to put all your favourite stickers. It is an 8 x 10 Sticker Journal Book with 100 plain pages. Stickers stick fine and the pages are thick enough to hold them. If you are looking for a permanent collecting sticker journal, then this is a great book for you. Great for children. Note: This collecting album is not meant for reusable stickers.

Spend an exciting day in the country at an animal park populated by a pony, cow, piglets, ducks, zoo employees, and more. 25 stickers.

The one real difference between the American press and the Soviet state newspaper Pravda was that the Russian people knew they were being lied to. To expose the lies our media tell us today, controversial journalist James O'Keefe created Project Veritas, an independent news organization whose reporters go where traditional journalists dare not. Their investigative work—equal parts James Bond, Mike Wallace, and Saul Alinsky—has had a consistent and powerful impact on its targets. In American Pravda, the reader is invited to go undercover with these intrepid journalists as they infiltrate political campaigns, unmask dishonest officials and expose voter fraud. A rollicking adventure story on one level, the book also serves as a treatise on modern media, arguing that establishment journalists have a vested interest in keeping the powerful comfortable and the people misinformed. The book not only contests the false narratives frequently put forth by corporate media, it documents the consequences of telling the truth in a world that does not necessarily want to hear it. O'Keefe's enemies attack with lawsuits, smear campaigns, political prosecutions, and false charges in an effort to shut down Project Veritas. For O'Keefe, every one of these attacks is a sign of success. American Pravda puts the myths and misconceptions surrounding O'Keefe's activities to rest and will make you rethink every word you hear and read in the so-called mainstream press.

Hands Off My Stickers!

Our Family Tree

A Sticker Collection Book

Permanent Blank Sticker Collection Book for Boys with Cool T-Rex Dinosaur Student, Album with White 8x10 Inch Pages for Collecting Stickers, Sketching and Drawing

Family matters. Climb up into your family tree and start exploring its limbs and branches! It may seem daunting to get started in genealogy, but this friendly organizer will enable you to record the origins of your family, details about ancestors, photographs, and so much more! Leaf through this book, select a section, and begin! In the end you'll have a keepsake you'll want to preserve for yourself and future generations to come. 96 pages. Measures 8-1/2" wide x 11" high (21.6 cm wide x 27.9 cm high). Concealed wire-o hardcover binding. Archival, acid-free paper.

Life is just better with stickers . . . and now you have the perfect place to keep them! A collection book for sticker lovers, Hands Off My Stickers! includes five supersized glossy fold-out pages in a rainbow of colors, giving you tons of space to store, organize, and have fun with your stickers. Plus, there are five sparkly holographic storage pouches for stickers that are just too special to stick. Bonus: You'll find three sticker sheets inside (matte, puffy, and glitter!) to decorate and customize each page. Start building your sticker empire!

Readers are asked to provide objects, which are then inserted in blank spaces in the rhyming story about a child's active day.

John Derian Sticker Book, from revered designer John Derian, offers a curated collection of over 500 stickers that allow adults and children to add a touch of beauty to any surface with these beautiful images of blooming flowers, charming critters, and darling forest animals. John Derian first caught the eye of tastemakers and design gurus with his now iconic collectible plates, decoupaged with 19th-century artwork sourced from old and rare books. Derian's home goods empire has since grown to global recognition, including the New York Times bestseller John Derian Picture Book, which perfectly captures the artist's unique and timeless eye.

Following on the heels of Robert Brockway's comedic horror novel *The Unnoticeables*, *The Empty Ones* reveals the next chapter in the lives of a few misfits attempting to fight back against the mysterious Unnoticeables. *The Empty Ones* follows Carey and Randall to London where they go to rescue Gus and fight more of these mysterious angel-like creatures, and stumble on a powerful and unexpected ally. Meanwhile, Kaitlyn, who was very nearly beat when last we saw her, continues her fight into the desert of Mexico and the Southwest US, seeking the mysterious gear cult. Once there, she discovers what the gear cult is really up to: trying to 'pin' the angels to Earth, focus their attention here, and get as much of humanity as possible "solved"--which, in their minds, is akin to being saved--and in the process discovers something incredible about herself. With a snarled lip, *The Empty Ones* incorporates everything that made *The Unnoticeables* incredible, but like any good punk band, when you don't think they can get any louder, they somehow turn it up a notch. It's terrifying and hilarious, visceral and insane, chaotic and beautiful. *The Vicious Circuit Trilogy* *The Unnoticeables* *The Empty Ones* *Kill All Angels* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
