

Stolen Into Slavery The True Story Of Solomon Northup Free Black Man Biography

Stolen Into Slavery The True Story of Solomon Northup, Free Black Man National Geographic Children's Books

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Sex trafficking is currently a hot news topic, but it is not a new problem or just a problem in "other" countries. Every year, an estimated 300,000 American children are at risk of being lured into the sex trade, some as young as eight years old. It is thought that up to 90 percent of victims are never rescued. Stolen is the true story of one survivor who escaped--more than once. First recruited while staying with her family at a hotel in Miami Beach, Katariina Rosenblatt was already a lonely and abused young girl who was yearning to be loved. She fell into the hands of a confident young woman who pretended friendship but slowly lured her into a child prostitution ring. For years afterward, a cycle of false friendship, threats, drugs, and violence kept her trapped. As Kat shares her harrowing experiences, readers will quickly realize the frightening truth that these terrible things could have happened to any child--a neighbor, a niece, a friend, a sister, a daughter. But beyond that, they will see that there is real hope for the victims of sex trafficking. Stolen is more than a warning. It is a celebration of survival that will inspire.

The present study is an attempt to place in historical perspective the relationship between early capitalism as exemplified by Great Britain, and the Negro slave trade, Negro slavery and the general colonial trade of the seventeenth and eighteenth centuries. It is strictly an economic study of the role of Negro slavery and the slave trade in providing the capital which financed the Industrial Revolution in England and of mature industrial capitalism in destroying the slave system.

Twelve Years a Slave

The Half Has Never Been Told

Incidents in the Life of a Slave Girl (EasyRead Super Large 20pt Edition)

Secret Slave

Testimony of a Thousand Witnesses

Slave

The mist in Charleston Inner Harbor was heavy, but not heavy enough to disguise the stolen Confederate steamship, the Planter, from Confederate soldiers. In the early hours of May 13, 1862, in the midst of the deadly U.S. Civil War, an enslaved man named Robert Smalls was about to carry out a perilous plan of escape. Standing at the helm of the ship, Smalls impersonated the captain as he and his crew passed heavily armed Confederate forts to enter Union territory, where escaped slaves were given shelter. The suspenseful escape of the determined crew is celebrated with beautiful artwork and insightful prose, detailing the true account of an unsung American hero.

The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.

The riveting, little-known story of Mary Mildred Williams—a slave girl who looked “white”—whose photograph transformed the abolitionist movement. When a decades-long court battle resulted in her family’s freedom in 1855, seven-year-old Mary Mildred Williams unexpectedly became the face of American slavery. Famous abolitionists Thomas Wentworth Higginson, Henry David Thoreau, and John Albion Andrew would help Mary and her family in freedom, but Senator Charles Sumner saw a monumental political opportunity. Due to generations of sexual violence, Mary’s skin was so light that she “passed” as white, and this fact would make her the key to his white audience’s sympathy. During his sold-out abolitionist lecture series, Sumner paraded Mary in front of rapt audiences as evidence that slavery was not bounded by race. Weaving together long-overlooked primary sources and arresting images, including the daguerreotype that turned Mary into the poster child of a movement, Jessie Morgan-Owens investigates tangled generations of sexual enslavement and the fraught politics that led Mary to Sumner. She follows Mary’s story through the lives of her determined mother and grandmother to her own adulthood, parallel to the story of the antislavery movement and the eventual signing of the Emancipation Proclamation. Girl in Black and White restores Mary to her rightful place in history and uncovers a dramatic narrative of travels along the Underground Railroad, relationships tested by oppression, and the struggles of life after emancipation. The result is an exposé of the thorny racial politics of the abolitionist movement and the pervasive colorism that dictated where white sympathy lay—one that sheds light on a shameful legacy that still affects us profoundly today.

The incredible true story of the last ship to carry enslaved people to America, the remarkable town its survivors founded after emancipation, and the complicated legacy their descendants carry with them to this day—by the journalist who discovered the ship’s remains. Fifty years after the Atlantic slave trade was outlawed, the Clotilda became the last ship in history to bring enslaved Africans to the United States. The ship was scuttled and burned on arrival to hide evidence of the crime, allowing the wealthy perpetrators to escape prosecution. Despite numerous efforts to find the sunken wreck, Clotilda remained hidden for the next 160 years. But in 2019, journalist Ben Raines made international news when he successfully concluded his obsessive quest through the swamps of Alabama to uncover one of our nation’s most important historical artifacts. Traveling from Alabama to the ancient African kingdom of Dahomey in modern-day Benin, Raines

recounts the ship's perilous journey, the story of its rediscovery, and its complex legacy. Against all odds, Africatown, the Alabama community founded by the captives of the *Clotilda*, prospered in the Jim Crow South. Zora Neale Hurston visited in 1927 to interview Cudjo Lewis, telling the story of his enslavement in the New York Times bestseller *Barracoon*. And yet the haunting memory of bondage has been passed on through generations. *Clotilda* is a ghost haunting three communities—the descendants of those transported into slavery, the descendants of their fellow Africans who sold them, and the descendants of their American enslavers. This connection binds these groups together to this day. At the turn of the century, descendants of the captain who financed the *Clotilda*'s journey lived nearby—where, as significant players in the local real estate market, they disenfranchised and impoverished residents of Africatown. From these parallel stories emerges a profound depiction of America as it struggles to grapple with the traumatic past of slavery and the ways in which racial oppression continue to this day. And yet, at its heart, *The Last Slave Ship* remains optimistic - an epic tale of one community's triumphs over great adversity and a celebration of the power of human curiosity to uncover the truth about our past and heal its wounds.

The 1619 Project: Born on the Water

The Middle Passage

Beloved

Hidden Girl

Escape from Slavery

Follows the story of Solomon Northup--a free black man who was kidnapped and forced into slavery--through his twelve years of bondage in Louisiana until friends from New York rescued him from a cotton plantation.

Feelings' award-winning masterpiece explores the horrors of the transatlantic slave trade in a series of extraordinary narrative paintings, This updated edition includes Introductions from artist Nelson, the author's son Kamili Feelings, and scholar Sylviane A. Diouf, whose essay traces the Atlantic slave trade's four centuries of brutality. Illustrations.

*The unforgettable saga of one enslaved woman's fight for justice--and reparations Born into slavery, Henrietta Wood was taken to Cincinnati and legally freed in 1848. In 1853, a Kentucky deputy sheriff named Zebulon Ward colluded with Wood's employer, abducted her, and sold her back into bondage. She remained enslaved throughout the Civil War, giving birth to a son in Mississippi and never forgetting who had put her in this position. By 1869, Wood had obtained her freedom for a second time and returned to Cincinnati, where she sued Ward for damages in 1870. Astonishingly, after eight years of litigation, Wood won her case: in 1878, a Federal jury awarded her \$2,500. The decision stuck on appeal. More important than the amount, though the largest ever awarded by an American court in restitution for slavery, was the fact that any money was awarded at all. By the time the case was decided, Ward had become a wealthy businessman and a pioneer of convict leasing in the South. Wood's son later became a prominent Chicago lawyer, and she went on to live until 1912. McDaniel's book is an epic tale of a black woman who survived slavery twice and who achieved more than merely a moral victory over one of her oppressors. Above all, *Sweet Taste of Liberty* is a portrait of an extraordinary individual as well as a searing reminder of the lessons of her story, which establish beyond question the connections between slavery and the prison system that rose in its place.*

Girl in Black and White: The Story of Mary Mildred Williams and the Abolition Movement

NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. *Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. The true story behind the acclaimed movie *12 Years a Slave*, this book is based on the life of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana.*

In the mid 1700s, around the age of eleven, Olaudah Equiano and his sister were kidnapped from their village in equatorial Africa and sold to slavers. Within a year he was aboard a European slave ship on his way to the Caribbean. The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African was published by the author in 1789 and is part adventure story, part treatise on the corrupting

power of slavery, and part tract about the transformative powers of Christianity. Equiano's story takes him from Africa to the Americas, back across the Atlantic to England, into the Mediterranean, and even north to the ice packs, on a mission to discover the North-East passage. He fights the French in the Seven Year's War, is a mate and merchant in the West Indies, and eventually becomes a freedman based in London. The Interesting Narrative of the Life of Olaudah Equiano was one of the first popular slave narratives and was reprinted eight times in the author's lifetime. While modern scholars value this account as an important source on the life of the eighteenth-century slave and the transition from slavery to freedom, it remains an important literary work in its own right. As a valuable part of the African and African-American canons, it is still frequently taught in both English and History university courses. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

A Daring Voyage Out of Slavery

The Road of Lost Innocence

The True Story of a Sex Trafficking Survivor

The True Story of Abraham Lincoln's Lost Guard

The True Story of How Clotilda Was Found, Her Descendants, and an Extraordinary Reckoning

Uncle Tom's Cabin

The author relates how she was sold by poor parents into slavery and forced to endure brutal servitude in California until a neighbor's anonymous call to the police began her journey to freedom and her subsequent efforts to fight for child slaves.

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

The 1619 Project's lyrical picture book in verse chronicles the consequences of slavery and the history of Black resistance in the United States, thoughtfully rendered by Pulitzer Prize-winning journalist Nikole Hannah-Jones and Newbery honor-winning author Renée Watson. A young student receives a family tree assignment in school, but she can only trace back three generations. Grandma gathers the whole family, and the student learns that 400 years ago, in 1619, their ancestors were stolen and brought to America by white slave traders. But before that, they had a home, a land, a language. She learns how the people said to be born on the water survived. And the people planted dreams and hope, willed themselves to keep living, living. And the people learned new words for love for friend for family for joy for grow for home. With powerful verse and striking illustrations by Nikkolos Smith, Born on the Water provides a pathway for readers of all ages to reflect on the origins of American identity.

The Story of the Last "Black Cargo"

A True Story of Slavery and Restitution in America

"You'll be swept away by the passion and power of this remarkable, trailblazing woman who risked everything to follow her own heart." - Kristin Hannah, #1 New York Times bestselling author "An epic page-turner." - Christina Baker Kline Named Best Fiction Writer in the Austin Chronicle's "Austin's Best 2018" Named one of Lone Star Literary Life's "Top 20 Texas Books of 2018" The compelling, hidden story of Cathy Williams, a former slave and the only woman to ever serve with the legendary Buffalo Soldiers. "Here's the first thing you need to know about Miss Cathy Williams: I am the daughter of a daughter of a queen and my mama never let me forget it." Though born into bondage on a "miserable tobacco farm" in Little Dixie, Missouri, Cathy Williams was never allowed to consider herself a slave. According to her mother, she was a captive, destined by her noble warrior blood to escape the enemy. Her chance at freedom presents itself with the arrival of Union general Phillip Henry "Smash 'em Up" Sheridan, the

outcast of West Point who takes the rawboned, prideful young woman into service. At war's end, having tasted freedom, Cathy refuses to return to servitude and makes the monumental decision to disguise herself as a man and join the Army's legendary Buffalo Soldiers. Alone now in the ultimate man's world, Cathy must fight not only for her survival and freedom, but she also vows to never give up on finding her mother, her little sister, and the love of the only man strong enough to win her heart. Inspired by the stunning, true story of Private Williams, this American heroine comes to vivid life in a sweeping and magnificent tale about one woman's fight for freedom, respect and independence.

Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. 25,000 first printing.

A Cambodian woman sold into sexual slavery at the age of twelve describes the horrors she experienced until she managed to escape and discusses her role as an activist for the young women whom she has rescued from the region's brothels.

It is the best known book about American slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper *The National Era* scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.

Slavery and the Making of American Capitalism

Twelve Years A Slave, Illustrated Edition

The Last Slave Ship

Ending Slavery in America

Yonder

A New Origin Story

The Water Dancer meets The Prophets in this spare, gripping, and beautifully rendered novel exploring love and friendship among a group of enslaved Black strivers in the mid-19th century. They call themselves the Stolen. Their owners call them captives. They are taught their captors' tongues and their beliefs but they have a language and rituals all their own. In a world that would be allegorical if it weren't saturated in harsh truths, Cato and William meet at Placid Hall, a plantation in an unspecified part of the American South. Subject to the whims of their tyrannical and eccentric captor, Cannonball Greene, they never know what harm may befall them: inhumane physical toil in the plantation's quarry by day, a beating by night, or the sale of a loved one at any moment. It's that cruel practice—the wanton destruction of love, the belief that Black people aren't even capable of loving—that hurts the most. It hurts the reserved and stubborn William, who finds himself falling for Margaret, a small but mighty woman with self-possession beyond her years. And it hurts Cato, whose first love, Iris, was sold off with no forewarning. He now finds solace in his hearty band of friends, including William, who is like a brother; Margaret; Little Zander; and Milton, a gifted artist. There is also Pandora, with thick braids and long limbs, whose beauty calls to him. Their relationships begin to fray when a visiting minister with a mysterious past starts to fill their heads with ideas about independence. He tells them that with freedom comes the right to choose the small things—when to dine, when to begin and end work—as well as the big things, such as whom and how to love. Do they follow the preacher and pursue the unknown? Confined in a landscape marked by deceit and uncertainty, who can they trust? In an elegant work of monumental imagination that will reorient how we think of the legacy of America's shameful past, Jabari Asim presents a beautiful, powerful, and elegiac novel that examines intimacy and longing in the quarters while asking a vital question: What would happen if an enslaved person risked everything for love?

New York Times Bestseller • TIME Magazine's Best Nonfiction Book of 2018 • New York Public Library's Best Book of 2018 • NPR's Book Concierge Best Book of 2018 • Economist Book of the Year • SELF.com's Best Books of 2018 • Audible's Best of the Year • BookRiot's Best Audio Books of 2018 • The Atlantic's Books Briefing: History, Reconsidered • Atlanta Journal Constitution, Best Southern Books 2018 • The Christian Science Monitor's Best Books 2018 • "A profound impact on Hurston's literary legacy."—New York Times "One of the greatest writers of our time."—Toni Morrison "Zora Neale Hurston's genius has once again produced a Maestrapiece."—Alice Walker A major literary event: a newly published work from the author of the American classic *Their Eyes Were Watching God*, with a foreword from Pulitzer Prize-winning author Alice Walker, brilliantly illuminates the horror and injustices of slavery as it tells the true story of one of the last-known survivors of the Atlantic slave trade—abducted from Africa on the last "Black Cargo" ship to arrive in the United States. In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation's history. Hurston was there to record Cudjo's firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1931, Hurston returned to Plateau, the African-centric community three miles from Mobile founded by Cudjo and other former slaves from his ship. Spending more than three months there, she talked in depth with Cudjo about the details of his life. During those weeks, the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo's past—memories from his childhood in Africa, the horrors of being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the *Clotilda*, and the years he spent in slavery until the end of the Civil War. Based on those interviews, featuring Cudjo's unique vernacular, and written from Hurston's perspective with the compassion and singular style that have made her one of the preeminent American authors of the twentieth-century, *Barracoon* masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture.

***Narrative of the Life of Frederick Douglass* First published in 1845, *Narrative of the Life of Frederick Douglass* is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. *Narrative of the Life of Frederick Douglass* Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he**

risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass

Racism and discrimination have choked economic opportunity for African Americans at nearly every turn. At several historic moments, the trajectory of racial inequality could have been altered dramatically. Perhaps no moment was more opportune than the early days of Reconstruction, when the U.S. government temporarily implemented a major redistribution of land from former slaveholders to the newly emancipated enslaved. But neither Reconstruction nor the New Deal nor the civil rights struggle led to an economically just and fair nation. Today, systematic inequality persists in the form of housing discrimination, unequal education, police brutality, mass incarceration, employment discrimination, and massive wealth and opportunity gaps. Economic data indicates that for every dollar the average white household holds in wealth the average black household possesses a mere ten cents. In From Here to Equality, William Darity Jr. and A. Kirsten Mullen confront these injustices head-on and make the most comprehensive case to date for economic reparations for U.S. descendants of slavery. After opening the book with a stark assessment of the intergenerational effects of white supremacy on black economic well-being, Darity and Mullen look to both the past and the present to measure the inequalities borne of slavery. Using innovative methods that link monetary values to historical wrongs, they next assess the literal and figurative costs of justice denied in the 155 years since the end of the Civil War. Finally, Darity and Mullen offer a detailed roadmap for an effective reparations program, including a substantial payment to each documented U.S. black descendant of slavery. Taken individually, any one of the three eras of injustice outlined by Darity and Mullen--slavery, Jim Crow, and modern-day discrimination--makes a powerful case for black reparations. Taken collectively, they are impossible to ignore.

Worse Than Slavery

Narrative of the Life of Frederick Douglass

The Escape of Robert Smalls

The Saga of an American Family

White Ships / Black Cargo

The Fight for Freedom

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

During the opening days of the Civil War, President Lincoln was under the threat of kidnapping and assassination plots. In the chaos that was Washington at the time, it was the job of 116 men and their charismatic leader Kansas "free state" advocate Jim Lane to protect the president. This book is a meticulously researched account of those individuals and the pre-war conflicts that tore Missouri and the Kansas Territory apart in the 1850s."

Winner of the 2015 Avery O. Craven Prize from the Organization of American Historians Winner of the 2015 Sidney Hillman Prize A groundbreaking history demonstrating that America's economic supremacy was built on the backs of slaves Americans tend to cast slavery as a pre-modern institution -- the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in *The Half Has Never Been Told*, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of politicians, entrepreneurs, and escaped slaves, *The Half Has Never Been Told* offers a radical new interpretation of American history.

#1 NEW YORK TIMES BESTSELLER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, NPR, *Esquire*, *Marie Claire*, *Electric Lit*, *Ms. magazine*, *Kirkus Reviews*, *Booklist* In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The *New York Times Magazine*'s award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and

resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. The Book of Lost Friends

Daughter of a Daughter of a Queen

This is the true story of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana. Drawing from primary source documents, including Northup's own memoir, this compelling book has a narrative that is packed with the action of Solomon's 12 - year odyssey as a slave and historical per...

This engaging and enlightening book allows readers to discover the history of slavery in America and the long fight for freedom before and during the Civil War. Readers will gain a better understanding of abolitionists, the fight for equality, the Underground Railroad, and Reconstruction through the stunning images, captivating sidebars and facts, easy-to-read text, accessible glossary, index, and table of contents.

Follows the remarkable story of Solomon Northup--a free black man who was kidnapped and forced into slavery--through his 12 years of bondage in Louisiana until friends from New York rescued him from a cotton plantation.

In this sensitively told tale of suffering, brutality, and inhumanity, Worse Than Slavery is an epic history of race and punishment in the deepest South from emancipation to the civil rights era--and beyond. Immortalized in blues songs and movies like Cool Hand Luke and The Defiant Ones, Mississippi's infamous Parchman State Penitentiary was, in the pre-civil rights south, synonymous with cruelty. Now, noted historian David Oshinsky gives us the true story of the notorious prison, drawing on police records, prison documents, folklore, blues songs, and oral history, from the days of cotton-field chain gangs to the 1960s, when Parchman was used to break the wills of civil rights workers who journeyed south on Freedom Rides.

The Underground Railroad

Kidnapped and abused for 13 years. This is my story of survival.

The True Story of a Modern-Day Child Slave

Sweet Taste of Liberty

In this groundbreaking modern slave narrative, Francis Bok shares his remarkable story with grace, honesty, and a wisdom gained from surviving ten years in captivity. May, 1986: Selling his mother's eggs and peanuts near his village in southern Sudan, seven year old Francis Bok's life was shattered when Arab raiders on horseback, armed with rifles and long knives, burst into the quiet marketplace, murdering men and women and gathering the young children into a group. Strapped to horses and donkeys, Francis and others were taken north, into lives of slavery under wealthy Muslim farmers. For ten years, Francis lived alone in a shed near the goats and cattle that were his responsibility. Fed with scraps from the table, slowly learning bits of an unfamiliar language and religion, the boy had almost no human contact other than his captor's family. After two failed attempts to escape--each bringing severe beatings and death threats--Francis finally escaped at age seventeen, a dramatic breakaway on foot that was his final chance. Yet his slavery did not end there, for even as he made his way toward the capital city of Khartoum, others sought to deprive him of his freedom. Determined to avoid that fate and discover what had happened to his family on that terrible day in 1986, the teenager persevered through prison and refugee camps for three more years, winning the attention of United Nations officials and being granted passage to America. Now a student and an anti-slavery activist, Francis Bok has made it his life mission to combat world slavery. His is the first voice to speak for an estimated twenty seven million people held against their will in nearly every nation,

including our own. *Escape from Slavery* is at once a riveting adventure, a story of desperation and triumph, and a window revealing a world that few have survived to tell.

#1 New York Times Bestseller - Winner of the Pulitzer Prize - Winner of the National Book Award - Winner of the Andrew Carnegie Medal for Excellence in Fiction - Longlisted for the Man Booker Prize One of the Best books of the Year: The New York Times, The Washington Post, NPR, The Boston Globe, The Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune Look for Whitehead's acclaimed new novel, *The Nickel Boys*, available now Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood--where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage--and a powerful meditation on the history we all share.

Mende Nazer lost her childhood at age twelve, when she was sold into slavery. It all began one horrific night in 1993, when Arab raiders swept through her Nuba village, murdering the adults and rounding up thirty-one children, including Mende. Mende was sold to a wealthy Arab family who lived in Sudan's capital city, Khartoum. So began her dark years of enslavement. Her Arab owners called her "Yebit," or "black slave." She called them "master." She was subjected to appalling physical, sexual, and mental abuse. She slept in a shed and ate the family leftovers like a dog. She had no rights, no freedom, and no life of her own. Normally, Mende's story never would have come to light. But seven years after she was seized and sold into slavery, she was sent to work for another master—a diplomat working in the United Kingdom. In London, she managed to make contact with other Sudanese, who took pity on her. In September 2000, she made a dramatic break for freedom. *Slave* is a story almost beyond belief. It depicts the strength and dignity of the Nuba tribe. It recounts the savage way in which the Nuba and their ancient culture are being destroyed by a secret modern-day trade in slaves. Most of all, it is a remarkable testimony to one young woman's unbreakable spirit and tremendous courage.

This "superbly researched and engaging" (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South—and their daring attempt to escape and bring their captors to justice belongs "alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison" (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnapers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnapers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. "Rigorously researched, heartfelt, and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans" (Booklist).
