

Stolen Magic Shadows Of The Immortals Book 1

*Something wicked is moving in the shadows of London... In the underground world of glitzy illegal auctions, fast cars, and stolen magical artifacts, John "Dom" Domenici knows he's out of his depth. But he needs the job at Kempthorne & Co like he needs to breathe. The alternative-going back to the organized crime gangs of London's East End-is unthinkable. So when Alexander Kempthorne, boss of Kempthorne & Co Artifact Retrieval Agency, wants him on a special case to track down an illegal artifact dealer, Dom can't say no. It shouldn't matter that Kempthorne's world is full of deadly secrets. It shouldn't matter that the billionaire is sexy as sin, and it really shouldn't matter how there's an American agent stalking Dom, an American who knows more than he should about Dom's case, including the real reason Alexander Kempthorne hired Dom. The only thing that really matters to Dom is solving the case and finding the artifact dealer. Because there are worse things in London than a conflicted billionaire and a trigger-happy American. Something wicked is stalking London's streets, and if Dom doesn't stop it, its shadows will rise and consume them all. *** Please note the Shadows of London series is set in London and the characters are all British (so is the author). Although the series has been edited in US English for the US market, to include US spelling and grammar, many English slang words and spelling remain as part of the character of the work.*

A thrilling new fantasy series full of magic and betrayal—from Evelyn Skye, New York Times bestselling author of the Crown's Game series. Sora can move as silently as a ghost and hurl throwing stars with lethal accuracy. Her gemina, Daemon, can win any physical fight blindfolded and with an arm tied around his back. They are apprentice warriors of the Society of Taigas—marked by the gods to be trained in magic and the fighting arts to protect the kingdom of Kichona. As their graduation approaches, Sora and Daemon look forward to proving themselves worthy of belonging in the elite group—but in a kingdom free of violence since the Blood Rift Rebellion many years ago, it's been difficult to make their mark. So when Sora and Daemon encounter a strange camp of mysterious soldiers while on a standard scouting mission, they decide the only thing to do to help their kingdom is to infiltrate the group. Taking this risk will change Sora's life forever—and lead her on a mission of deception that may fool everyone she's ever loved. Love, spies, and adventure abound as Sora and Daemon unravel a complex web of magic and secrets that might tear them—and the entire kingdom—apart forever.

Ursula has forgotten her past. Too bad her past won't return the favor. Ursula can't remember a single thing before three years ago, so she has to keep her life simple. All she wants is to earn enough money for rent—and maybe a bit left over for a new pair of boots. But on her eighteenth birthday, all hell breaks loose... quite literally... when a hellhound shifter shows up in her kitchen. Kester's lethally gorgeous, and he's come with a terrifying message: Ursula owes her soul to the goddess of fire. No one seems to care that she doesn't remember striking that deal. Thrust in the middle of a war between the demons of fire and night, Ursula must reclaim her magical knowledge and her long-forgotten skills with the blade if she wants to escape eternal damnation.

*Witness the fate of beloved heroes and notorious foes in the heart-stopping conclusion to V.E. Schwab's New York Times bestselling Shades of Magic trilogy. *Kirkus' Best Fiction of 2017* As darkness sweeps the Maresh Empire, the once precarious balance of power among the four Londons has reached its breaking point. In the wake of tragedy, Kell—once assumed to be the last surviving Antari—begins to waver under the pressure of competing loyalties. Lila Bard, once a commonplace—but never common—thief, has survived and flourished through a series of magical trials. But now she must learn to control the magic, before it bleeds her dry. An ancient enemy returns to claim a city while a fallen hero tries to save a kingdom in decay. Meanwhile, the disgraced Captain Alucard Emery of the Night Spire collects his crew, attempting a race against time to acquire the impossible. Shades of Magic series 1. A Darker Shade of Magic 2. To save her sister's life, Faris must smuggle magic into a plague-ridden neighboring kingdom in this exciting and dangerous start to a brand-new fantasy duology. Faris grew up fighting to survive in the slums of Brindaigel while caring for her sister, Cadence. But when Cadence is caught trying to flee the kingdom and is sold into slavery, Faris reluctantly agrees to a lucrative scheme to buy her back, inadvertently binding herself to the power-hungry Princess Bryn, who wants to steal her father's throne. Now Faris must smuggle stolen magic into neighboring Avinea to incite its prince to alliance—magic that addicts in the war-torn country can sense in her blood and can steal with a touch. She and Bryn turn to a handsome traveling magician, North, who offers protection from Avinea's many dangers, but he cannot save Faris from Bryn's cruelty as she leverages Cadence's freedom to force Faris to do anything—or kill anyone—she asks. Yet Faris is as fierce as Bryn, and even as she finds herself falling for North, she develops schemes of her own. With the fate of kingdoms at stake, Faris, Bryn, and North maneuver through a dangerous game of magical and political machinations, where lives can be destroyed—or saved—with only a touch.

The New York Shade is home to all kinds of supernaturals. It is a safe haven for all of us and it makes no exceptions. Until I did something to piss it off and now it doesn't like me. Bad smells at every turn, empty bags of food on my face, and you can forget all about shortcuts. I don't even know what I did wrong, but that's about to become the least of my problems. When a hellbeast mercenary like me asks for my help, I can't refuse. All I have to do is help him kill off a few maneaters--but I get much more than I bargained for. The next thing I know, the Uprising is after me again, and I'm racing to find a forgotten planet that's not on any maps. That's not even the end of it. Damian Reed is back, and he demands I tell him what I have that the Uprising wants. After four months of not hearing from him, I want nothing to do with him. But all alone, I have no chance against his crazy ex girlfriend. Accepting his help means going right back to where we started, but if I don't, I won't be able to help my new friend. This time, though, things between us just might end up worse than before.

Welcome to the New York Shade!We've got the stuff made out of dreams in this little slice of Hell on Earth. We've also got the stuff made out of nightmares. Supernaturals are free to be who they are in the Shade. That's the whole point of its existence-just not for me.My name is Sin Montero, hellbeast mercenary, and the best liar you've ever met. I've spent my whole life lying about what I am, until it all comes crashing down on me with a single bite. Turns out, my blood can't tell lies, not to a vampire. Damian Reed is achingly beautiful the way a lion is breathtaking-right until he rips your throat out. He claims my baby brother is in trouble, and if I don't help him find what he's looking for, he's going to turn me in to the authorities. Now that's a big problem for me. You see, if the Sacri Guild caught wind of what I truly am, they would kill me without hesitation. But if I do what Damian Reed asks, there's a good chance I'll die in the process. So many great options, right? Good thing I'm not as helpless as I let people think. I've got a few tricks up my sleeve, and a crazy familiar who may or may not really be a squirrel. My brother's life is on the line so I'll take my chances with the vampire. Let's just hope I survive him with my head-and my heart-intact.

Lexi didn't set out to steal a god's ring, but when a magic artifact starts trying to talk to you, what's a girl supposed to do? She's always had the ability to talk to animals, but this new development amps up the crazy. Now she's afraid her power is out of control and she's losing her mind. The only person who could possibly reassure her that she's not going mad is her mother, who has always refused to discuss the source of Lexi's strange ability. Now that the jewellery is getting chatty, maybe she'll finally spill the beans. Unfortunately, going home means a trip back to the human territories, and Lexi only just made it out of there alive last time. She's hoping for a quick visit, but with a god hellbent on retrieving the ring and a fireshaper she might have accidentally betrayed on her tail, life is about to get horribly complicated--for her and everyone she cares about.

What do you do when you lack the magic and power required to command the Seven Realms and all the beings living there?You steal it of course. Not everyone is born with the power to be a villain, some have to steal it. Thiriel has been left with the ambition pushed onto his shoulders by an unrelenting father, reminding him these realms need a Hamewinter at the held and it's his duty to make sure that happens. He knows what's needed to make his father's plans a reality, but when he realizes it's unlikely he can collect the items himself, he decides it's time to find someone else to collect the most vital magic he needs. Bazran was born in the shadows. Knos is a Reaper who reports to Death himself. They're the only ones capable of acquiring what he needs. This novella follows Thiriel Hamewinter as he moves through the realms leaving a trail of havoc and destruction in his wake. He was told sacrifices needed to be made to set these realms to right, and he is going to make sure every being in the realm makes them. This is a prequel to Hidden In Darkness and should be read before the second book. It is bonus scenes, so although this book doesn't need to be read to follow the plot moving from book one to book two, it will be full of scenes riddled with easter eggs that made the reading experience a little more fun. Please check trigger warnings before reading.

The Book of Stolen Time

In Book 2 of a three book series, things are dire for the inhabitants of Castle Gloom and the surrounding villages. The undead are leaving their graves in droves, a troll army is on the march from the north, and people are mysteriously disappearing from their homes. The people of Gehenna are blaming their misfortunes on Lilith Shadow, their young queen. They believe she has cursed them by using magic, a practice forbidden to women. With her trusty executioner among the missing and her backguard soldiers busy battling trolls, it is up to Lily and her friend Thorn to root out the real cause of all the trouble. Their search will uncover ugly truths and eventually lead to a nightmarish confrontation with nothing less than the rulership of the realm at stake. Zombies, ghosts, trolls, dream weavers, a black-hearted villain, and a giant hero but are only some of the imaginative delights that await readers who relish a soaring adventure combined with a hair-raising mystery.

"A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with Book of Night, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. The Shadow of What Was Lost

Talk about out of the frying pan and into the fire. Jake, the man of Lexi's dreams, is trapped in the underworld. Only Hades can free him, but Hades is missing, presumably a captive of the shadow shapers. Lexi wants nothing more than to free both of them, but the shadow shapers have hidden their tracks well. She has no idea where to start looking for the missing Lord of the Underworld until a visit to Death himself reveals vital information. Finally Lexi has a target, but this will be no ordinary rescue mission. In a faraway city, she must face the shadow shapers on their home turf. She is the only hope for Jake and Hades, but there are too many gaping holes in her memory, too many things she doesn't know. And some of them are about to come back to bite her big time.

MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Trust Alice. Private Investigator of the Supernatural. Mage private investigator Alice Worth must solve the most difficult case of her career--her own. A magic-induced bloodbath during a Vampire Court gala leaves Alice and her boyfriend, alpha werewolf Sean Maclin, wounded. Alice and her ghost sidekick Malcolm reluctantly agree to investigate the deadly supernatural attack. When they vanish without a trace, Sean, his pack, and the Court form an uneasy alliance to locate them. Days later, Sean finds Alice on the side of the road far from home, with no memory and no magic--and no sign of Malcolm. For Sean, Alice's condition means starting over with the woman he loves. For Alice, it's a chance to escape painful memories of her violent past, but she knows she needs her power back before her enemies learn she's vulnerable. To find Malcolm and her stolen magic, she and Sean team up with his pack, a white witch, the Court, and a pair of dangerous black witches. Their investigation unearths an ancient vendetta and a shadowy enemy so powerful and ruthless, no one involved--most of all Alice--will ever be the same. "Lisa Edmonds has made an instant fan of me. I look forward to reading the next case that requires Alice's special set of skills." - The Reading Cafe AUTHOR INTERVIEW Q: Why do you write? A: I've wanted to be a writer since I was five years old and I wrote my first story. My head is always full of stories and it's so wonderful and such a privilege to get to share them with others. I write because I *have* to write and because there's nothing I love to do more. When you write, you get to bring people to life, create a world for them to inhabit, and invite readers to enjoy that world with you. If that's not real magic, I don't know what is. Q: What books do you write? A: I want to write the kinds of stories and books that I love to read--lots of adventure, mystery, suspense, action, twists, magic, and of course romance. The Alice Worth series is paranormal mystery set in a world very like our own, but with magic and supernatural beings. I hope readers get caught up in the mysteries and enjoy going on adventures with Alice as she tries to solve them and figure out her place in the world. The reading order follows below. ALICE WORTH HEART OF MALICE (book 1) JUST FOR ONE NIGHT (short story) BLOOD MONEY (novella) HEART OF FIRE (book 2) HEART OF ICE (book 3) HEART OF STONE (book 4) HEART OF SHADOWS (book 5) Q: Do you use music in your writing? A: Yes! Each Alice Worth book has a curated playlist of songs featured in the novel, as well as other tunes that enhance your reading experience. Alice loves music and so do I! Tricia Levenseller, author of Daughter of the Pirate King, is back with an epic YA tale of ambition and love in The Shadows Between Us... "They've never found the body of the first and only boy who broke my heart. And they never will." Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King's power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra knows what she deserves, and she's going to do everything within her power to get it. But Alessandra's not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen--all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? "Tricia Levenseller's latest, The Shadows Between Us, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of." --Kendare Blake, #1 New York Times bestselling author of the Three Dark Crowns series

I'd do anything to go home to Autumn, the fae Realm where I grew up. I might only be a changeling, but it's where I belong. That's why I'm doing everything the Lord of Autumn commands. My latest job: enforcing fae laws in the human world. It's hard enough, but it gets worse when I meet my new partner. The Hawk is a fae knight, hot as hell--and an unrelenting jerk when it comes to changelings like me. Somehow, I have to impress this guy to get back to the Realms. Kind of hard to do when we end up running for our lives. I said I'd give anything for the chance to go home--but I didn't think that would include my life.

The art of "magic shadows" which just before the dawn of the twentieth century evolved into the modern motion picture, was born three centuries ago, in Rome. Just at the appointed hour for Kircher's show, a few distinguished Monsignori, in flowing purple were driven to the entrance in their carriages with a mounted escort. Nothing like Kircher's show had ever been presented before. He had chained light and shadow, but the suspicion was held by some of the spectators that there was a dark magic about it all and that Kircher had dabbled in the black arts.

Assigned the task of ensuring that those of the Lineage do not misuse their powers, Simon Malmain, Earl of Falconer, confronts a rogue Guardian, Lord Drayton, who uses a spell to transform Malmain into a unicorn, an enchantment that only an ensorcelled girl named Meg can help him break. Reprint.

In nineteenth-century England, twelve-year-old Kat Stephenson knows she was born to be a magical Guardian and protector of Society—if she can find true acceptance in the secret order that expelled her mother. She's ready to upend the rigid Order of the Guardians, whether the older members like it or not. And in a Society where magic is the greatest scandal of all, Kat is determined to use her powers to help her two older sisters find their own true loves, even if she has to turn highwayman, battle wild magic, and confront real ghosts along the way! History seamlessly merges with fantasy in this humorous and lively novel.

From New York Times–bestselling author Dashka Slater comes the whimsical and witty sequel to The Book of Fatal Errors! Rufus may have successfully sent the feylings home to the Green World, but he still has one pesky feyling under his wing: Nettle, his sometimes enemy, now mentor. Nettle is in charge of helping Rufus and his cousin Abigail protect Feylawn, their grandfather 's magical and mysterious homestead. But this difficult task becomes even more dangerous when a leopard appears in the woods without warning; strange, waterlogged women arrive to warn of impending doom; and a goblin begins digging his way back to Earth, hungry for revenge. Meanwhile, Rufus 's father is intent on selling Feylawn to the highest bidder. Can Rufus and Abigail save Feylawn and its magic? Or will they have to say goodbye to the feylings forever? In The Book of Stolen Time, our favorite heroes are back! And magic, mischief, and adventure abound.
