"This is the story that I tell my grandchildren at Christmas. I hope that this book will bring the tradition of sharing history to families all across America." --

Lynne Cheney Christmas night,

1776, was a troubled time for our

young country. In the six months

since the Declaration of

Independence had been signed,

General George Washington and

his troops had suffered defeat

after defeat at the hands of the

British. It looked as though our

Answers

struggle for independence might be doomed, when Washington made a bold decision. He would lead the main body of his army across the Delaware River and launch a surprise attack on enemy forces. Washington and his men were going against the odds. It seemed impossible that the ragtag Americans could succeed against the mightiest power in the world. But the men who started across the icy Delaware loved their country and their leader. Under his command they would turn the tide of battle and change the course of history. Best-selling author Lynne Cheney tells the dramatic story of the military campaign that began

on Christmas night in 1776. When Washington Crossed the Delaware will teach the young about the heroism, persistence, and patriotism of those who came before them.

and oh, so much more. In this richly layered compendium, Aliki shares her keen insight about music and all its themes and variations. Ah, Music! is about composers and instruments. It's about artists and performers. It's about history -- from the earliest music through classical, modern, jazz, and popular times. It's about diversity and pleasure. If you have a love of music in your bones, or if you are just learning, or if you are about to play in your first recital, it's about you. Ah, music!
