Explores the dynamics of human interaction, and gives exercises for developing communication skills, designed to build intimacy, trust, and understanding
Responding to a less-than-ideal personals ad on a dare, photographer Zoey Donovan leaves New York City life for the farmlands of Wyoming, where she meets widower Tyler Ross and learns about his unhappy past. Original.

Straight from the Heart is Ann Richards's story, told with her trademark candor and spicy humor. Born in a tiny town near Waco, Texas, she entered politics when her husband wouldn't—and went on to become

state treasurer, the first woman elected to statewide office in Texas in fifty years. She's had her victories and her battles (the breakup of a thirty-year marriage and a bout with alcohol), but it's her love of Texas and Texas politics that has made her who she is. This extraordinary memoir by one of the nation's leading politicians proves the wisdom of her observation that women "can have a good and wonderful life, but that it only begins when they accept responsibility for it, not when they expect someone else to make it happen." Richards talks openly about the course her life has taken and the choices she has made on the way. Her hard-won triumphs and savvy political career provide inspiring examples for all.

are written for the sole purpose of bringing glory to my Savior's Holy Righteous name. When thoughts and feelings for GOD ALMIGHTY need to be expressed, inspirational poems by Marica say them best. For the composition of my poems no credit to me is owed. I give thanks to GOD for the talent to me HE bestowed. For me expressions of inspiration through poetry is no art. My poems are unspoken words of love GOD placed in my heart. My love for GOD is what inspires me to write. It is not due to my intellectual insight. Without ALMIGHTY GOD it would be impossible to compose them. Every word I write is due to being blessed by HIM. My love for JEHOVAH GOD just continues to grow, causing inspirational expressions from my pen to flow. To bring glory to GOD I continue to strive. From the depths of my heart my

This is the first in a series of devotional commentaries, which allow people to get to grips with each book of the Bible one bite at a time. Phil Moore will not cover the whole of each book, but rather focuses on key sections which together form a useful introduction. There will be 25 volumes in all: each contains about 60 readings, but this may vary from book to book. Although the tone is light, the text is full of useful application and backed by substantial scholarship. Acts - 978 1 85424 989 0 Revelation - 978 1 85424 990 6

Alice Catherine enjoys reading and writing poetry, especially about her Lord and Savior Jesus Christ. The book contains inspirational and uplifting poems that once you start reading, it is very difficult to put down. The poems tell a story beginning with God's great creation to His death, burial, and resurrection to His promised return. You will read about His grace and mercy, His love and compassion, His judgment, and His commandments for all believers. Included are scriptures for further reference,

Manga is the backbone of Japanese popular culture, influencing everything from television, movies, and video games to novels, art, and theater. Shojo manga (girls' comics) has been seminal to the genre as a whole and especially formative for Japanese girls' culture throughout the postwar era. In Straight from the Heart, Jennifer Prough examines the shojo manga industry as a site of cultural storytelling, illuminating the ways that issues of mass media, gender, production, and consumption are involved in the process of creating shojo manga. With their glittery

pastel covers and focus on human relationships and romance, shojo manga are thoroughly marked by gender—as indeed are almost all manga titles, magazines, and publishing divisions. Drawing on two years of fieldwork on the production of shojo manga, Prough analyzes shojo manga texts and their magazine contexts to explain their distinctive appeal, probe the gendered dynamics inherent in their creation, and demonstrate the feedback system that links producers and consumers in a continuous cycle of "affective labor." Each chapter focuses on one facet of shojo manga production (stories, format, personnel, industry dynamics), providing engaging insights into this popular medium. Tacking between

story development, interactive magazine features, and relationships between male editors and female artists, Prough examines the concrete ways in which shojo manga reflect, refract, and fabricate constructions of gender, consumption, and intimacy. Straight from the Heart thus weaves together issues of production and consumption, human relations, and gender to explain the unique world of shojo manga and to interpret its dramatic cultural and economic success on a national—and increasingly global—scale.

Each of these speeches gave me an opportunity—to pen down some burning message inside of me, to share my story to any audience which was willing to listen, to connect with those who took back something from what I had to say. Raising a Toast is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope, that when they read this, they get inspired to share their set of stories with the world.
