

Strong Hearts Are Mandatory Heart Of Glass

At the foot of the Elwha River, the muddy outpost of Port Bonita is about to boom, fueled by a ragtag band of dizzyingly disparate men and women unified only in their visions of a more prosperous future. A failed accountant by the name of Ethan Thornburgh has just arrived in Port Bonita to reclaim the woman he loves and start a family. Ethan's obsession with a brighter future impels the damming of the mighty Elwha to harness its power and put Port Bonita on the map. More than a century later, his great-great grandson, a middle manager at a failing fish-packing plant, is destined to oversee the undoing of that vision, as the great Thornburgh dam is marked for demolition, having blocked the very lifeline that could have sustained the town. West of Here is a grand and playful odyssey, a multilayered saga of destiny and greed, adventure and passion, that chronicles the life of one small town, turning America's history into myth, and myth into a nation's shared experience.

*NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities*
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES
• THE TIMES OF INDIA On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* "[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head."—Associated Press
"Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*."—Poets & Writers
"A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates."—San Francisco Chronicle*

A lively, unorthodox look at economics, business, and public policy told in the form of a novel. A love story that embraces the business and economic issues of the day? The Invisible Heart takes a provocative look at business, economics, and regulation through the eyes of Sam Gordon and Laura Silver, teachers at the exclusive Edwards School in Washington, D.C. Sam lives and breathes capitalism. He thinks that most government regulation is unnecessary or even harmful. He believes that success in business is a virtue. He believes that our humanity flourishes under economic freedom. Laura prefers Wordsworth to the Wall Street Journal. Where Sam sees victors, she sees victims. She wants the government to protect consumers and workers from the excesses of Sam's beloved marketplace. While Sam and Laura argue about how to make the world a better place, a parallel story unfolds across town. Erica Baldwin, the crusading head of a government watchdog agency, tries to bring Charles Krauss, a ruthless CEO, to justice. How are these two dramas connected? Why is Sam under threat of dismissal? Will Erica Baldwin find the evidence she needs? Can Laura love a man with an Adam Smith poster on his wall? The answers in The Invisible Heart give the reader a richer appreciation for how business and the marketplace transform our lives.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

For Abby Renard, the plan was supposed to be simple—join her brothers' band on the last leg of their summer tour and decide if she's finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupies, Abby quickly lets him know she sure as hell isn't in his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeing him in the balls. Of course, the fact she seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn't last a week on their tour bus, she is more than willing to prove him wrong. But as

Jake's personal life begins to implode around him, he finds an unlikely ally in Abby. He's never met a woman he can talk to, joke with, or most importantly make music with. As the week comes to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country songstress and a bad boy of Rock N Roll actually have a future together?

Foolish Hearts

The Orchards Meet the Apricots

Hailed by *The New York Times* as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life – use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. *The Purpose Driven Life* is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

Thomas Cowan was a 20-year-old Duke grad—bright, skeptical, and already disillusioned with industrial capitalism—when he joined the Peace Corps in the mid-1970s for a two-year tour in Swaziland. There, he encountered the work of Rudolf Steiner and Weston A. Price—two men whose ideas fascinate and challenge him for decades to come. Both drawn to the art of healing and repelled by the way medicine was—and continues to be—in the United States, Cowan returned from Swaziland, went to medical school, and established a practice in New Hampshire and, later, in Vermont. For years, as he raised his three children, suffered the setback of divorce, and struggled with a heart condition, he remained intrigued by Price and Steiner and, in particular, with Steiner's provocative claim that the heart is not a pump. Determined to practice medicine in a way that promoted healing rather than compounded ailments, Cowan dedicated himself to understanding whether Steiner's claim could possibly be true. If Steiner was correct, what, then, is the heart? What is its true role in the human body? In this deeply personal, rigorous, and riveting account, Cowan offers up a daring claim: Not only was Steiner correct that the heart is not a pump, but our understanding of heart disease—within the blood vessels—is completely wrong. And this gross misunderstanding, with its attendant medications and risky surgeries, is the real reason that heart disease remains the most common cause of death worldwide. In *Human Heart, Cosmic Heart*, Dr. Thomas Cowan presents a new way of understanding the body's most central organ. He offers a new look at what it means to be human and how we can best care for ourselves—and one another. With shades of *Game of Thrones* and *Romeo and Juliet*, this richly imagined fantasy from debut author Sarah Ahiers is a tale of love, lies, and vengeance. Fans of Kristin Cashore and Rae Carson will devour the flawlessly crafted action and inventive world building. Seventeen-year-old Saldana is a trained assassin. She was born into one of the nine clipper Families in the kingdom of Lovero who lawfully take lives for a price. As a member of the highest-ranking clan, loyalty to Family is valued above all, but that doesn't stop Lea from getting into a secret relationship with Val, a boy from a rival clan. Despite her better judgment, Lea has fallen in love with him; but she's confident she can anticipate any threats. Then she awakens one night to a house full of smoke. Although she narrowly escapes, she isn't able to save her Family as their home is consumed by flames. With horror, she realizes that Val and his Family are the only ones who could be responsible. Devastated over his betrayal and the loss of her clan, there's just one thing on her mind: making the Da Vias pay. The heart of this assassin craves revenge.

INSTANT NEW YORK TIMES BESTSELLER A powerful guide to the art of leadership from David Gergen—former White House adviser to four US presidents, CNN analyst, and founder of the Harvard Center for Public Leadership. As nations careen from one crisis to the next, there is a growing cry for fresh leadership. Those in charge have repeatedly fallen short, and trust in institutions has plummeted. So, what does great leadership look like? And how are great leaders made? David Gergen, a leader in the public arena for more than half a century, draws from his experiences as a White House adviser to four presidents, his decades as a trusted voice on national issues, and years of teaching and mentoring young people to offer a stirring playbook for the next generation of change-makers. To uncover the fundamental elements of effective leadership, Gergen traces the journeys of iconic leaders past and present, from pathbreakers like Ruth Bader Ginsburg, John Lewis, John McCain, and Harvey Milk to historic icons like Lincoln, John F. Kennedy, Winston Churchill, and Eleanor and Franklin Roosevelt, to contemporary game changers like Greta Thunberg, the Parkland students, and the Black Lives Matter movement. Leadership is a journey that starts from within, Gergen writes. A leader must become self-aware and then achieve self-mastery. You cannot lead others until you can lead yourself. As you start to leap into the world, you begin your outer journey, overcoming setbacks, persuading others, empowering them, and navigating crises—armed with a sense of history, humor, passion, and purpose. By linking lessons of the past with the ever-changing practice of leadership today, Gergen reveals the time-tested secrets of dynamic leadership. An indispensable manual, *Hearts Touched with Fire* distills experience and wisdom of the past into an invaluable guide for leaders of our future.

This powerful, true story of faith and forgiveness shows that all of us are capable of experiencing the healing and renewal that comes with truly forgiving another. *Change of Heart* follows the transformative journey undertaken by Jeanne Bishop after the murders of her sister and brother-in-law, a journey that challenged Jeanne's belief in the message of Jesus on the cross and eventually moved her beyond simple forgiveness to the deeper waters of redemption and grace. Jeanne's authentic story will guide readers past the temptation of anger and revenge, and help them navigate the path of truly forgiving someone whose actions have hardened their heart. From once wishing that her sister's killer languished in a cell for the rest of his life, Jeanne now visits him regularly in prison and publicly advocates for his release. "It's not okay what you did, but I am not going to hate you. I am not going to wish evil on you," writes Bishop of the murderer. "I am going to wish the opposite. I am going to wish that you will be redeemed." "The criminal justice system in the United States, which deems some people unworthy of redemption— even children who commit serious crimes—urgently needs to hear voices that speak for

mercy and restoration. Jeanne Bishop's is such a voice" writes Sr. Helen Prejean, activist and author of **Dead Man Walking**. **Change of Heart** confronts these serious and pressing issues of restorative justice, juvenile life sentences, and incarceration in the criminal justice system. Ultimately, Jeanne is writing more than a memoir of finding faith through extraordinary obstacles. Her compelling story offers a better understanding of what it truly means to be a person of faith. It is a call to action that is a "must-read for pastors, social workers, caregivers, and all who seek to build community with people relegated to the margins" (Greg Ellison, Emory University).

Women are smart, strong, and resilient, yet we are dying needlessly of cardiovascular disease, the foremost killer of American women.
