A story of queer love and working-class families, Young Mungo is the brilliant second novel from the Booker Prize-winning author of Shuggie Bain Douglas Stuart's first novel Shuggie Bain, winner of the 2020 Booker Prize, is one of the most successful literary debuts of the century so far. Published or forthcoming in forty territories, it has sold more than one million copies worldwide. Now Stuart returns with Young Mungo, his extraordinary second novel. Both a page-turner and literary tour de force, it is a vivid portrayal of working-class life and a deeply moving and highly suspenseful story of the dangerous first love of two young men. Growing up in a housing estate in Glasgow, Mungo and James are born under different stars—Mungo a Protestant and James a Catholic—and they should be sworn enemies if they're to be seen as men at all. Yet against all odds, they become best friends as they find a sanctuary in the pigeon dovecote that James has built for his prize racing birds. As they fall in love, they dream of finding somewhere they belong, while Mungo works hard to hide his true self from all those around him, especially from his big brother Hamish, a local gang leader with a brutal reputation to uphold. And when several months later Mungo's mother sends him on a fishing trip to a loch in Western Scotland with two strange men whose drunken banter belies murky pasts, he will need to summon all his inner strength and courage to try to get back to a place of safety, a place where he and James might still have a future. Imbuing the everyday world of its characters with rich lyricism and giving full voice to people rarely acknowledged in the literary world, Young Mungo is a gripping and revealing story about the bounds of masculinity, the divisions of sectarianism, the violence faced by many queer people, and the dangers of loving someone too much.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal," to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. Published to receive reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.

"Some of the finest examples of contemporary, genuinely American prose. White's style incorporates eloquence without affection, profundity without pomposity, and wit without frivolity or hostility. Like his predecessors Thoreau and Twain, White's creative, humane, and graceful perceptions are an education for the sensibilities." — Washington Post The classic collection by one of the greatest essayists of our time. Selected by E.B. White himself, the essays in this volume span a lifetime of writing and a body of work without peer. "I have chosen the ones that have amused me in the rereading," he writes in the Foreword, "alone with a few that seemed to have the odor of durability clinging to them." These essays are incomparable; this is a volume to treasure and savor at one's leisure.

"And so, my fellow Americans: ask not what your country can do for you—ask what you can do for your country."—John Fitzgerald Kennedy, Inauguration Address, January 20, 1961 "Some men see things as they were and say 'why'? I see things that never were, and ask 'why not?'"—Robert Francis Kennedy, Campaign Speech, University of Kansas, March 18, 1968 "The work goes on, the cause endures, the hope still lives and the dream shall never die."—Senator Edward Kennedy, Democratic National Convention, New York City, August, 1980 The words of three powerful brothers—men united not just by family ties but by a tradition of inspiring service that continues today with their children and grandchildren. Words which have united a nation, inspired generations to take up the very best and most honorable of causes, and pushed individuals to do and be and give their best. So often, these Kennedys—John, Robert, and Edward—found the right words to say, to the United States and to the world. John F. Kennedy, the charismatic President with a strong commitment to justice and human rights. Robert F. Kennedy, Senator, Attorney General, and presidential candidate, who carried the family standard after Jack's assassination and broke new ground in civil rights prior to his own tragic murder. Edward M. Kennedy, the Lion of the Senate, whose passion created some of the most far-reaching legislation of the last five decades. The Dream That Will Not Die collects some of the most striking speeches and quotes by the Kennedys, showing that even when the going was tough, these brothers found the right way to make their thoughts and feelings clear, showing their charm, humor, and determination. Here you will find your own inspiration, in the words of three men who believed that all Americans deserved the same privileges the Kennedys were born to, privileges they never took for granted. NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Named a Most Anticipated Book of the Year by Time, Entertainment Weekly, Vogue, Good Housekeeping, Oprah Daily, Glamour, USA TODAY, Parade, Bustle, San Francisco Chronicle, The Seattle Times, The Boston Globe, Tampa Bay Times, BuzzFeed, and Vulture “A compelling read that showcases Egan’s masterful storytelling.” —Time “Dazzling.” —Vogue “Radiant, exhilarating.” —Slate “Mesmerizing...A thought-provoking examination of how and why we change.” —People From one of the most celebrated writers of our time comes an “inventive, effervescent” (Oprah Daily) novel about the memory and quest for authenticity and human connection. The Candy House opens with the staggeringly brilliant Bix Bouton, whose company, Mandala, is so successful that he is “one of those tech demi-gods with whom we’re all on a first name basis.” Bix is forty, with four kids, restless, and desperate for a new idea, when he stumbles into a conversation group, mostly Columbia professors, one of whom is experimenting with downloading or “externalizing” memory. Within a decade, Bix’s new technology, “Own Your Unconscious”—which allows you access to every memory you’ve ever had, and to share your memories in exchange for access to the memories of others—has seduced multitudes. In the world of Egan’s spectacular imagination, there are “counters” who track and exploit desires and there are “eluders,” those who understand the price of taking a bite of the Candy House. Egan introduces these characters in an astonishing array of narrative styles—from omniscient to first person plural to a duet of voices, an epistolary chapter, and a chapter of tweets. Intellectually dazzling, The Candy House is also a moving testament to the tenacity and transcendence of human longing for connection, family, privacy, and love. “A beautiful exploration of loss, memory, and history” (San Francisco Chronicle), “this is minimalist maximalism. It’s as if Egan compressed a big 19th-century novel onto a flash drive” (The New York Times).

Here's the first book in the hilarious *Moxy Maxwell* series, which includes *Moxy Maxwell Does Not Love Writing Thank-you Notes* and *Moxy Maxwell Does Not Love Practicing the Piano*. It wasn't as if Moxy hadn't tried to do her summer reading. She and Stuart Little had been inseparable all summer, like best friends. If Stuart Little wasn't in her backpack, it was in her lap . . . or holding up the coffee table . . . or getting splashed when Moxy went swimming. But now it's the end of August—the day before fourth grade. And if Moxy doesn't read all of *Stuart Little* immediately, there are going to be "consequences." It may look like Moxy is doing nothing, but actually she is very busy with a zillion highly crucial things—like cleaning up her room (sort of) and training her dog and taking a much-needed rest in the hammock. Just look at the pictures her twin brother Mark takes to document it all—they're scattered throughout—and you'll see why it's so difficult to make time for a book about a mouse. Of course our heroine does manage to finish her book, falling so in love with it that she finds herself reading under the covers with a flashlight, late into the night.

Stuart rides to the rescue of a bird called Margalo in his speedy red roadster and makes a new friend.
