Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature!How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity.Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a ?how-to? book. It deals with the barriers that are hindering discipleship, and offers practical help for overcoming these barriers and attaining spiritual maturity.

This journal has been created to assist you in your personal journey through the Bible. As you experience the Word of God the Holy Spirit can equip you with purpose, power, and perception. We often depend upon commentaries, internet searches and peers for biblical clarity; however Jesus promised us the guidance of the Holy Spirit. This journal offers the opportunity to depend solely on the Holy Spirit for guidance and then record the experience. Pray for clarity, pray for assistance, and pray for an insatiable desire to know God more. After your initial prayer, pray as you read, and then write your personal discoveries in the biblical text on the lines below it. Every single text is a treasure chest of untold bounty given from God and delivered by the Holy Spirit alone. Three versions of the Bible (KJV, NASB, and MSG) are provided. This method has been a source of tremendous enlightenment for me and I hope it will aid you as well. God has a specific message for you in these pages. Hear ye Him.

Old Testament Study Guide, Pt. 2: Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.

Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.**
