A Visual Study Guide to the Architect Registration Exams

**The ARE Sketches (tm) were born out of my journey to become a licensed architect and the study process I used by turning written verbiage into sketches for visual understanding. They have been shared online with others testing for their license as well as with those who simply enjoy learning about architecture. This book is whatever you want it to be. A flipbook of cool sketches. A visual study guide. A way for you to learn more about architecture. Each sketch provides a nugget of information in bite-size form, perfect for reading at your own pace with your own breaks. Write in the margins. Sketch in the blank space (there's purposefully room for that). Sketch on top of my sketches. Share it with a friend. Most of all, enjoy this wonderful world of architecture. This is the second in what will be a six part series of visual study materials for the ARE (Architect Registration Exams), covering mainly Site Planning & Design - with overlap to other tests. I get a handful of emails each week from people just like you, working hard towards getting their license. I love hearing from them and I love being able to help. That is the root of where this book was born - because a young licensed architect empowered to make the world better is a positive in my book.**

**DTR Exam Study Guide: Review Book for the Dietetic Technician, Registered Exam Developed for test takers trying to achieve a passing score on the DTR Exam, this comprehensive study guide includes: -Quick Overview -Test-Taking Strategies -Introduction to the DTR Exam -Nutrition Science and Care for Individuals and Groups -Food Science and Food Service -Management of Food and Nutrition Services -Practice Questions -Detailed Answer Explanations Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the DTR Exam. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you**

*A Practical Guide & Mock Exam for the ARE 5.0 Project Development & Documentation (PDD) Division! NCARB launched ARE 5.0 on November 1, 2016. We always incorporate the latest information into our books. To become a licensed architect, you need to have a proper combination of education and/or experience, meet your Board of Architecture's special requirements, and pass the ARE exams. This book provides an ARE 5.0 exam overview, suggested reference and resource links, exam prep and exam taking techniques, tips and guides, and a realistic and complete mock exam with solutions and explanations for the ARE 5 Project Development & Documentation (PDD) Division. More specifically this book covers the following subjects: · ARE 5.0, AXP, and education requirements · ARE 5.0 exam content, format, and prep strategies · ARE 5.0 credit model and the easiest way to pass ARE exams by taking only 5 ARE divisions · Allocation of your time and scheduling · Timing of review: the 3016 rule; memorization methods, tips, suggestions, and mnemonics · Integration of Building Materials & Systems · Construction Documentation · Project Manual & Specifications · Codes & Regulations · Construction Cost Estimates This book includes 120 challenging questions of the same difficulty level and format as the real exam (multiple-choice, check-all-that-apply, fill-in-the-blank, hot spots, case studies, and drag-and-place), including a case study. It will help you pass the PDD division of the ARE 5.0 and become a licensed architect! Can you study and pass the ARE 5.0 Project Development & Documentation (PDD) in 2 weeks? The answer is yes: IF you study the right materials, you can pass with 2 weeks of prep. If you study our book, "Project Development & Documentation (PDD) ARE 5.0 Mock Exam (Architect Registration Exam)," you have an excellent chance of studying and passing the ARE 5.0 Project Development & Documentation (PDD) in 2 weeks. We have added many tips and tricks that WILL help you pass the exam on your first try. Our goal is to take a very complicated subject and make it simple. "Project Development & Documentation (PDD) ARE 5.0 Mock Exam (Architect Registration Exam)" will save you time and money and help you pass the exam on the first try! What others are saying about ARE Mock Exam series ... "Great study guide..." "This was a great resource supplement to my other study resources. I appreciated the mock exam questions the most, and the solutions offer an explanation as to why the answer is correct. I will definitely check out his other ARE exam resources! UPDATE: Got my PASS Letter!" —Sean Primeaux "Tried everything 4 times before reading this book and PASSED!" "I had failed this exam 4 times prior to getting this book...I had zero clue as to what I was doing wrong. I read Ballast, Kaplan and random things on the forum but for the life of me couldn't pin point where I was missing it until I read THIS BOOK! Gang did an excellent job...I remember going through the ramp and reading Gang's book and saying Ohhhh like 4 or 5 times. I read his book several times until I became comfortable with the information. I went in on test day and it was a breeze. I remember walking out of there thinking I couldn't believe I struggled so much before. The tips in here are priceless! I strongly recommend this book..." —hendeal "Add this to your ARE study" "This was a very helpful practice exam and discussion. I really appreciated the step-by-step review of the author's approach... As I studied it last before taking the test, Gang Chen's book probably made the difference for me." —Dan Clowes ("XLine") "Good supplemental mock exam" "I found the mock exam to be very helpful, all of the answers are explained thoroughly and really help you understand why it is correct...Also the introduction and test taking tips are very helpful for new candidates just starting the ARE*

process.” —Bgrueb01 “Essential Study Tool” “I have read the book and found it to be a great study guide for myself. Mr. Gang Chen does such a great job of helping you get into the right frame of mind for the content of the exam. Mr. Chen breaks down the points on what should be studied and how to improve your chances of a pass with his knowledge and tips for the exam and practice vignettes. I highly recommend this book to anyone...it is an invaluable tool in the preparation for the exam as Mr. Chen provides a vast amount of knowledge in a very clear, concise, and logical matter.” —Luke Giaccio “Wish I had this book earlier” “...The questions are written like the NCARB questions, with various types...check all that apply, fill in the blank, best answer, etc. The answer key helpfully describes why the correct answer is correct, and why the incorrect answers are not. Take it from my experience, at half the cost of other mock exams, this is a must buy if you want to pass...” —Domiane Forte (“Vitruvian Duck”) “This book did exactly like the others said.” “This book did exactly like the others said. It is immensely helpful with the explanation... There are so many codes to incorporate, but Chen simplifies it into a methodical process. Bought it and just found out I passed. I would recommend.” —Dustin “It was the reason I passed.” “This book was a huge help. I passed the AREs recently and I felt this book gave me really good explanations for each answer. It was the reason I passed.” —Amazon Customer “Great Practice Exam” “... For me, it was difficult to not be overwhelmed by the amount of content covered by the Exam. This Mock Exam is the perfect tool to keep you focused on the content that matters and to evaluate what you know and what you need to study. It definitely helped me pass the exam!!” —Michael Harvey (“Harv”) “One of the best practice exams” “Excellent study guide with study tips, general test info, and recommended study resources. Hands down one of the best practice exams that I have come across for this exam. Most importantly, the practice exam includes in depth explanations of answers. Definitely recommended.” —Taylor Cupp “Great Supplement!!” “This publication was very helpful in my preparation for my BS exam. It contained a mock exam, followed by the answers and brief explanations to the answers. I would recommend this as an additional study material for this exam.” —Cynthia Zorrilla-Canteros (“czcante”) “Fantastic!” “When I first began to prepare for this exam; the number of content areas seemed overwhelming and daunting at best. However, this guide clearly dissected each content area into small management components. Of all the study guides currently available for this test - this exam not only included numerous resources (web links, you tube clips, etc.), but also the sample test was extremely helpful. The sample test incorporated a nice balance of diagrams, calculations and general concepts - this book allowed me to highlight any “weak” content areas I had prior to the real exam. In short - this is an awesome book!” —Rachel Casey (RC) ArchiteG®, Green Associate Exam Guide®, GA Study®, and GreenExamEducation® are registered trademarks owned by Gang Chen. This study guide offers comprehensive coverage of the NCARB ARE 5.0 exam study material for ALL 6 EXAM DIVISIONS. \* Practice Management \* Project Management \* Programming & Analysis \* Project Planning & Design \* Project Development & Documentation \* Construction & Evaluation. The guide includes two additional major sections: \* Codes, Regulations & Standards \*NCARB Formulas. This is a text-based guide intended to serve as a summary of the various topics and information that may appear on NCARB's ARE 5.0 Exam. This resource provides a simplified, summarized, and comprehensive study aid, in bulleted format, that establishes a list of topics that should be studied, with enough material on each topic to provide a firm grasp of the material being covered. Ideally, the study guide would be used as an initial primer for studying for each exam and as a review of the study material prior to taking the exam. The study guide is organized based on NCARB's ARE 5.0 sections to provide the user with a direct correlation between study material and the exams. Though the study guide is formatted based on the ARE, it is also intended to be a useful resource to practicing designers and architects. The guide includes the following ADDITIONAL FEATURES: \* Study material is presented in bulleted form for simpler information intake \* Study Checklists are provided for each exam \* Summary of the AIA contracts and forms \* Summary of NCARB's legislative text and rules of conduct \* Explanation and examples of the NCARB Formulas provided on the exam \* Summary of the 2015 International Building Code \* Summary of the ADA design guidelines \* Each page is labelled as to the exam and the topic section for easy navigation \* Tips for studying and exam-taking

Success in Accounting is just a click away. With WileyPLUS, students and instructors will experience success in the classroom.

When students succeed-when they stay on-task and make the breakthrough that turns confusion into confidence-they are empowered to realize the possibilities for greatness that lie within each of them.

This new edition of the study guide is available as a resource for individuals preparing to take the registration examination for dietitians. It includes a comprehensive study outline based on the examination content specifications implemented January 1, 2012; suggested study references; and study tips. A 125-question practice examination is included in the study guide, and is also provided via an online format that is administered by CDR's examination consultant, ACT Inc. The questions are identical in both formats; however, the online version simulates the actual computerized registration examination format. Three online access vouchers are included with each study guide.
