If you want to learn the basics of having a trucking company business, then get ''How To Start a Trucking Company'' which is written by a person with real life experience starting a trucking company business. How To Start a Trucking Company is a guide designed to help anyone who is interested in starting a trucking business. In this guide you will learn how to operate your company the right way. This guide will take you step by step through the whole process, from start to finish. Whether you decide to start with one truck or 150 trucks, you can use the information in this guide to put you on the right path. This guide discusses the first step to take after you have made the decision to open a trucking company. You will learn how to obtain the paperwork needed to apply for your company name as well as Employer Identification Number. You will be given tips on how to advertise your company and advertise for drivers. New rules for the trucking industry are in a section called CSA 2010, giving you the new information from FMCSA and how it will affect the way most companies are operated. Information pertaining to driver qualifications, physicals, and experience will be discussed. In this guide, you will find out how trucking software helps your company with dispatching, inventory control, personnel time sheets, drivers and equipment. This guide will show you how to obtain freight, the contract with certain customers and how to write a proposal to a company to haul their freight. Analyzing your competition is a great section that tells you how to search for the freight you want to haul and see what other companies are also moving freight for that customer. Before you do all that is mentioned above, you must first write a business plan and calculate you start up costs. This will be discussed in detail in the first section of this guide. You will find out what the differences between S Corp, C Corp, and LLC, which will be the best for your type of business. There will information on how to apply for financing from SBA and grants From other government agencies and private financing. By the time you get to the end of this guide, you should be able to follow each step and have your company ready to open within a month, if not sooner. Good luck! About the Expert Marilyn Coleman is a former professional truck driver. She started out as an administrative assistant, but felt like something was missing. She followed her dreams of becoming a professional truck driver and became an owner-operator. After talking with her father, who drove for 25 years himself, she took the step and has been driving for 17 years. During her long career as a truck driver, Marilyn traveled all over the U.S., met some interesting people, visited some interesting places, and learned a lot about the industry. As an owner-operator, she ran a small business with just one truck. She learned how to dispatch and deal with brokers, shippers, receivers, and other drivers. She no longer drives, but still keeps up with changes in rules and regulations in the trucking industry so she can inform her friends about those changes. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

In Don't Mess It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as "get it right" and "be careful" can have a detrimental effect on a company's future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to: • Understand the metamorphosis required to transition from great founder to great CEO • Know when, and if, it's time to replace yourself • Pick the right successor • Prepare yourself and your company for the fragile transition • Create a successful CEO transition • Separate yourself from the company There is likely no one more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.

China Country Study Guide - Strategic Information and Developments Volume 1 Strategic Information and Developments

Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute

This title is the Study Guide for the TOGAF® Business Architecture Part 1 Examination. It gives an overview of every learning objective for the TOGAF Business Architecture Syllabus and in-depth coverage on preparing and taking the TOGAF Business Architecture Part 1 Examination. It is specifically designed to help individuals prepare for certification. This Study Guide is excellent material for: • Individuals who require knowledge and understanding of TOGAF Business Architecture techniques; • Professionals who are working in roles associated with an architecture project such as those responsible for planning, execution, development, delivery, and operation; • Architects who are looking to achieve the TOGAF Business Architecture Level 1 credential; • Architects who want to specialize in development of a Business Architecture based on the TOGAF Standard, Version 9.2; It covers the following topics: • Business Modeling • Business Capabilities • Value Streams • Information Mapping • TOGAF Business Scenarios and how to apply them in development of a Business Architecture based on the TOGAF Standard, Version 9.2. A prior knowledge of Enterprise Architecture is advantageous but not required. While reading this Study Guide, the reader should also refer to the TOGAF Standard, Version 9.2 documentation (manual), available as hard copy and eBook, from www.vanharen.net and online booksellers, and also available online at www.opengroup.org.

Bulgaria Starting Business (Incorporating) in Bulgaria Guide

Discover how to become an entrepreneur by starting your own small business Do you hate your job? Are you looking for a way to build the lifestyle you want? Do you want to work from home but have no business ideas? Would you like to explore new business opportunities? Becoming an entrepreneur and starting your own business is actually not as difficult as what most people would have you believe. You don't need a MBA or business degree, nor do you need years of experience. Entrepreneurs start small businesses, often highly successful, with a few simple business ideas and not much else. Take Action! and Start your own Business explores why entrepreneurs go out on their own and how they go about it. **** The myths surrounding starting your own business are stripped away. This book will show you: How to start your own business. Where to look for new business ideas. How entrepreneurs take business ideas and turn them into profit. How running a small business can free you from the rat race. How to build your life around your unique purpose in life. Taking Consistent Action is Key to Changing your LifeDo you want your own profitable small business that will bring fame and success? Do you desire financial independence and personal freedom? Would you love to improve your relationships and make them more fulfilling by being able to spend more quality time with your loved ones?**** Becoming an entrepreneur and starting your own business becomes easy once you know how. You can achieve all of the above, but you must be willing to take action. If you apply the principles taught, you can become an entrepreneur and start a small business faster than what you ever imagined possible. Will this be one of those books that will change your life and start you on your entrepreneurial journey? There's only one way to find out ...Starting a business has never been made this easy!

New startups are created every day around the word, with many founders dreaming of millions of users and billions of dollars. But the harsh reality is that very few will succeed. How can entrepreneurs stack the odds in their favor? By learning from the experiences of startup founders, executives, and investors who've been there before. That's exactly what "How to Start a Startup" provides, sharing essential lessons from 25+ Silicon Valley insiders who've faced the challenges of starting a new business and come out swinging. Based on a Stanford University course taught by Y Combinator (the prestigious startup accelerator behind companies like Dropbox and Airbnb), this in-depth reference guide features advice from experts like: - Reid Hoffman, LinkedIn co-founder - Dustin Moskovitz, Facebook co-founder - Paul Graham, Y Combinator co-founder - Marc Andreessen and Ben Horowitz, co-founders of Netscape and Andreessen Horowitz venture capital firm - Peter Thiel, co-founder of PayPal and Founders Fund, early Facebook investor - Ben Silbermann, Pinterest co-founder and CEO Nominated as "Book of the Year" by Product Hunt (the leading Silicon Valley community for discovering the best new products), "How to Start a Startup" reveals the secrets to raising money, building products users love, hiring a great team, getting press coverage, attracting customers, growing your business, and more. No matter what type of product you're creating (web, mobile, hardware, online-to-offline, etc.) or what audience you're targeting (consumers or the enterprise), this playbook will give you all the information necessary to launch and scale a successful startup. This book was created independently by the publishers and all net proceeds will go to support charitable causes promoting wider access to opportunity for all.

This all-in-one resource goes a step beyond other business how-to books to give you a jump-start on planning for your business. It provides you with: Valuable state-specific sample forms and letters on CD-ROM Mailing addresses, telephone numbers and websites for the federal, state, local and private agencies that will help get your business up and running State population statistics, income and consumption rates, major industry trends and overall business incentives to give you a better picture of doing business in California Checklists, sample forms and a complete sample business plan to assist you with numerous startup details State-specific information on issues like choosing a legal form, selecting a business name, obtaining licenses and permits, registering to pay taxes and knowing your employer responsibilities Federal and state options for financing your new venture Resources, cost information, statistics and regulations have all been updated. That, plus a new easier-to-use layout putting all the state-specific information in one block of chapters, make this your must-have guide to getting your business off the ground.

On Purpose, Selling Your Company With Intention And Purpose! was written as a guide for the small business owner to understand the steps involved in the process of selling a company for maximum value. Most business owners will only sell a company once or twice in a lifetime making them inexperienced at best. Hiring a business broker is one of the last steps you'll take in selling your company. I wrote this book so you can better understand the steps you need to take to begin the process of selling a company and maximize the value for all parties. I pull back the curtain and shed light on important aspects of selling that most buyers don't understand until it's too late. I arm you with the insight and experience needed to prepare yourself and your company for sale and successfully work through the sales process. After reading this book, you will be able to plan confidently and follow through with a successful sale of your company.
