The setting is a Soviet prison, 1952. Joseph Stalin's secret police have rounded up twenty-six writers, the giants of Yiddish literature in Russia. As judgment looms, a twenty-seventh suddenly appears: Pinchas Pelovits, unpublished and unknown. Baffled by his arrest, he and his cellmates wrestle with the mysteries of party loyalty and politics, culture and identity, and with what it means to write in troubled times. When they discover why the twenty-seventh man is among them, the writers come to realize that even in the face of tyranny, stories still have the power to transcend. In his last act of storytelling, Pelovits asks us: Who writes the eulogy when all the writers are gone?

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD -- and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, Ungifted is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

Often regarded as Shakespeare's most complex and difficult play, Hamlet is also one of his most popular. It has been performed countless times on the stage and has been produced in many film and television versions. It continues to be studied by high school students and scholars alike and has elicited enormous amounts of criticism. This reference book is a succinct but comprehensive guide to the play. The volume overviews the textual history of the play and the historical and cultural contexts in which it emerged. Special attention is given to

the religious, philosophical, and psychological aspects of the text. The book also examines the themes, language, and imagery of Hamlet and provides an extensive summary of the critical response to the drama. Throughout, an attempt is made to visualize the play in performance, and constant reference is made to the staging conventions in Shakespeare's Globe Theatre.

Only in the world of the theater can Nat Field find an escape from the tragedies that have shadowed his young life. So he is thrilled when he is chosen to join an American drama troupe traveling to London to perform *A Midsummer Night's Dream* in a new replica of the famous Globe theater. Shortly after arriving in England, Nat goes to bed ill and awakens transported back in time four hundred years -- to another London, and another production of *A Midsummer Night's Dream*. Amid the bustle and excitement of an Elizabethan theatrical production, Nat finds the warm, nurturing father figure missing from his life -- in none other than William Shakespeare himself. Does Nat have to remain trapped in the past forever, or give up the friendship he's so longed for in his own time?

Two pairs of young lovers fall asleep in an ancient Athenian forest and wake to find themselves in the middle of a good deed gone wrong. *A Midsummer Night's Dream* conjures up a fairyland inhabited by well-intentioned sprites whose magic leads to farcical confusion. The mirthful tangle of mistaken identities and misplaced affections develops and resolves in the glorious poetry of England's greatest playwright. Shakespeare's fantastical comedy has enchanted audiences since its debut in the twilight years of the sixteenth century. A definitive survey, this Dover Thrift Study Edition offers the drama's complete and unabridged text, plus a comprehensive study guide. Created to help readers gain a thorough understanding of the content and context of *A Midsummer Night's Dream*, the guide includes:

- Scene-by-scene summaries
- Explanations and discussions of the plot
- Question-and-answer sections
- Shakespeare biography
- List of characters and more

Unique in its focus, methodology, and impact, Strategic Leadership Across Cultures: The GLOBE Study of CEO Leadership Behavior and Effectiveness in 24 Countries is a must-have for those studying or practicing in the fields of global leadership, cross-cultural leadership, and organization studies.

Reporting on research obtained during the third phase of the ten-year GLOBE project, the book examines strategic leadership effectiveness for executive and top-level management based on data from more than 1,000 CEOs and over 6,000 top management team members in 24 countries. Authors Robert J. House, Mary Sully de Luque, Peter Dorfman, Mansour Javidan, and Paul L. Hanges offer a series of propositions about executive leadership based on the unified theory—developed after the publication of the first GLOBE book—and empirically test these propositions. They provide evidence that leadership matters, executive leadership matters greatly, and that societal cultures influence the kind of leadership that is expected and effective.

A Study Guide for Ernest Hemingway's "Cat in the Rain"

One of the world's most beloved Bible teachers offers definitive teaching on biblical prophecy, the end times, and the apocalypse. Do you find yourself disheartened when you hear the news events of the day? Wars raging across the world. Crisis after crisis occurring in the homeland. Moral decay seemingly celebrated in the media outlets. Just when it seems things can't get any worse...they do. Thankfully, God has graciously filled His Word with signs of the future to help us understand His purpose and plans for us. In The Book of Signs Study Guide, bestselling author Dr. David Jeremiah examines the prophetic writings from the Old and New Testaments to help you cut through the confusion and give you insights about God's plan for humankind as the end times draw near. In this comprehensive thirty-one lesson study guide, you will explore what God's Word says about... International Signs: the nations and regions that will play important roles as the final events of the age emerge. Cultural Signs: what will occur in societies and cultures around the world as we approach the end times. Heavenly Signs: what will happen to believers during this tumultuous time. Tribulation Signs: what will transpire during this seven-year period, when Satan, the Antichrist, and the False Prophet unleash unspeakable horrors on the world. End Signs: what believers can look forward to experiencing when Jesus returns and God establishes His everlasting kingdom on earth. God has given us a firm understanding of what is really going on in the world and what will happen as we approach the end of the age. As you come to understand the truth about these signs, your faith will grow, you will live more confidently, and you will gain a new hope for the future—knowing the time for the return of the Prince of Peace is drawing near. Each Lesson Includes: An outline of the main subjects and Scriptures covered during the lesson. An overview of Dr. Jeremiah's teaching on the topic being studied. Application questions to help individuals and small groups delve into the Bible. A Did You Know? section that adds a point of interest to the lesson. This study guide is designed to be used in conjunction with The Book of Signs (9780785229551), but it may also be used by itself for personal or group study.

The Day of the Lord Is Coming Soon The common saying "Everything comes to an end" assumes that what has a beginning must logically have a conclusion. Rumors of wars, earthquakes, pestilence, and signs in the heavens have increased—and many believe that the End of the Age is upon us and a new age is about to be born. While some in power wish to promote that which is contrary to God's Word, believers in Christ must continue to stand for righteousness and boldly speak the truth according to God's Word. No man knows the day or the hour, but make no mistake...when the trumpet sounds, Jesus will be coming for His children. In The End of the Age Study Guide, New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world. He reveals how through Bible prophecy, the Lord lays out our future, both in this life and in the life to come. He also shows that we are more than conquerors, called to abundance, confidence, and peace—when we have the knowledge of the truth found in God's Word. The End of the Age represents quintessential teaching from John Hagee on Bible prophecy and is a must-read for all those concerned with God's divine plan. Each lesson in this study guide corresponds to the book and includes the following sections: Explore the Scripture: key passages for you to explore with study questions Reflect on the

Scripture: questions to help you reflect on the truths of the passage Act in Faith: questions to help you apply the message of the passage to your life
