Sukhmani (The Pearl of Happiness) is a popular Sikh text by Guru Arjan, which inculcates the Sikh religious ethos and philosophical perspective on wellbeing and happiness. The book features a new translation of this celebrated Sikh text and provides the first in-depth analysis of it. The Sikh View on Happiness begins with an overview of the nature of suffering and the attainment of happiness in Indian religions. This provides the foundation for the examination of the historical, social, and religious context of the Sukhmani and its contribution to the development of the Sikh tradition. In addition to exploring the spiritual teachings of the Sukhmani, Nayar and Sandhu draw upon the Sikh understanding of the mind, illness, and wellbeing to both introduce key Sikh psychological concepts and illustrate the practical application of traditional healing practices in the contemporary context. In doing so, they highlight the overlap of the teachings in the Sukhmani with concepts and themes found in Western psychotherapy, such as mindfulness, meaningful living, and resilience.

This is a challenge: Money is perhaps the next most powerful force after God, and the way this energy is utilised is actually critical to world peace. The use of money by countries for weapons and amounts spent on weapons of mass destruction will only lead to further conflict. Yet when used for societal benefit, for the development of third world countries and for the helping of poor and towards a Godlier path – a path of love and peace. It is a challenge that if we follow this path then there will be no more wars in the future. If there is only one God, and God has no religion, we made techniques. That's why there is so much fighting and conflict amongst humanity. If we study all the scriptures and religious texts then it becomes clear that the universal religion of mankind through the Love and devotion to God. In fact, it is a very simple path where one lives a life in constant and loving remembrance of God's Name, earning an honest living and sharing with the poor. A well-known interfaith writer and poet emphasises that above all religions and spiritual methods is that God, who belongs to all, is ONE. He believes love, affection and peace is the simplest yet most difficult. Dukh Bhanjani Sahib : Translation & Transliteration

This book examines the long-term effects of violence on the everyday cultural and religious practices of a younger generation of Ahmadis and Sikhs in Frankfurt, Germany and Toronto, Canada. Comparative in scope and the first to discuss contemporary articulations of Sikh and Ahmadiyya identities within a single frame of reference, the book assembles a significant range of empirical data gathered over ten years of ethnographic fieldwork. In its focus on precarious sites of identity formation, the volume engages with cutting-edge theories in the fields of critical diaspora studies, migration and refugee studies, religion, secularism, and politics. It presents a novel approach to the reading of Ahmadi and Sikh subjectivities in the current climate of anti-immigrant movements and suspicion against religious others. Michael Nijhawan also offers new insights into what animates emerging movements of the youth and their attempts to reclaim forms of the spiritual and political.

"Take the first step towards God, and The Lord shall take a million steps towards you." Prayer is the first step one can take on the path to 'God Realization', which is the true purpose of human life. Pain and Pleasure are the two sides of the same coin that act as the primary driving force of all human actions. Everybody wants to avoid suffering and yearns for peace and happiness. While all prayers are good and bring about peace and happiness, Sikhism offers two special prayers that address peace and suffering. The first one is Sukhmani Sahib which brings about peace and contentment, and the second one is Dukh Bhanjani Sahib which focuses on removing pain and suffering. Only The Lord's Name can bring about peace, and can shield one from suffering. The verses in each prayer guide the mortal to attempt to understand and live life in tune with the Will of The Immortal, thereby removing all hardship and suffering. The word 'Dukh' means a hardship or ailment, or suffering, causing a pain. The word 'Bhanjani' means destroyer or crusher; hence the phrase "Dukh Bhanjani" means "Destroyer of Pain". All the shabads in this composition are composed by Guru Arjan Dev Ji. Dukh Bhanjani is a composition of sacred hymns put together in three Raags(musical measures) - Raga Gauri,Raga Bilaval and Raga Sorath. This prayer is done in order to alleviate any form of ailments ("Dukh") or hardship experienced. Presented in this book is the Translation and Transliteration in English for those who cannot, or are not well versed in the Gurmukhi script. While every effort has been made to simplify the transliteration, I encourage the reader to read the prayers while listening to them in audio format a couple of times. This will help them grasp the correct pronunciation. There is a link to the prayer in YouTube. This will help to get the correct pronunciation, or if you wish to just listen to the prayers. After doing prayers regularly, one can look for translation books to assist in helping understand the Bani. Suitable to gift friends and family too. The gift of 'Dhamma', or 'Gian', is the ultimate gift that brings joy and peace to the giver and the receiver. There should be no hindrance on your part towards making the first step to God. PRAY!

The pinnacle of Happiness is BLISS! There are three primary purposes of a religious prayer. 1. To refresh your remembrance and awareness of God. 2. To bring your wandering mind into the present moment. 3. To understand the meaning of the prayer and imbibe its teachings into your life in order to further your spiritual progress. The Anand Sahib is a collection of hymns in Sikhism, written in the Ramkali Raag by Guru Amar Das, the third Guru of the Sikhs. It appears on the pages 917 to 922 in Guru Granth Sahib. It is said that the person who recites this Holy Bani daily with dedication, attention and comprehension, will achieve Anand (Bliss) in life. In the beautiful composition is stated that, the mind and soul of a true Sikh remains steadfast and God oriented in all circumstances of life. In an awakened mind with Guru Consciousness and intoxicated with the Nectar of Naam, one is always tuned with the Sweet Will of the Lord in all ups and downs of life, in pain and pleasure alike. Such a mind is ever luminous with Guru Consciousness and is in perpetual intoxication of Naam and Amrit Bani, accepting without question the Hukam (Will) of the Almighty. All Dukh (Pain) and Sukh, (Pleasure) appear as the same to the devoted Sikh of the Guru. By God's grace, presented to you here is the translation of the ANAND SAHIB into English. ANAND means Bliss, and Bliss is the pinnacle of Happiness. Following the Translation, offered to you is the Transliteration of ANAND SAHIB, for those who may wish to recite as a prayer in the original Gurumukhi language. While the best experience would be derived from reading the prayers in Gurumukhi, there should be no hindrance for anyone who does not know the Gurumukhi script, to do Anand Sahib. While every effort has been made to simplify the transliteration, I encourage the reader to read the prayers while listening to them in audio format a couple of times. This will help them grasp the correct pronunciation. Provided also, at the end of the book, is a link on YouTube to ANAND SAHIB so the reader can hear the prayer in Gurmukhi. This way, one can learn the correct pronunciation, or just listen to the prayer whenever needed. This prayer book is perfect to carry around in one's device, so the prayers can be performed from anywhere. May You be Happy, May Everybody be Happy. God Bless All.
