Sondheim's musical. However, in the musical the artist is returned authority over his painting, above museum practice and curator bias. By granting the artist such dominion over the artwork, Sondheim redirects the focus from Seurat's innovative pointillist style (as commonly found in history books) to a focus on the relationship between artist and artwork, allowing for artist and painting to converse. delightful pocket-sized treasury of the best of Sondheim.

The first in-depth look at the work and career of one of the most important figures in the history of musical theater.

From West Side Story in 1957 to Road Show in 2008, the musicals of Stephen Sondheim and his collaborators have challenged the conventions of American musical theater and expanded the possibilities of what musical plays can do, how they work, and what they mean. Sondheim's brilliant array of work, including such musicals as Company, Follies, Sweeney Todd,

Read Online Sunday In The Park With George Vocal Score

Sunday in the Park with George, and Into the Woods, has established him as the preeminent composer/lyricist of his, if not all, time. Stephen Sondheim and the Reinvention of the American Musical places Sondheim's work in two contexts: the exhaustion of the musical play and the postmodernism that, by the 1960s, deeply influenced all the American arts. Sondheim's musicals are central to the transition from the Rodgers and Hammerstein-style musical that had dominated Broadway stages for twenty years to a new postmodern musical. This new style reclaimed many of the self-

Read Online Sunday In The Park With George Vocal Score

aware, performative techniques of the 1930s musical comedy to develop its themes of the breakdown of narrative knowledge and the fragmentation of identity. In his most recent work, Sondheim, who was famously mentored by Oscar Hammerstein II, stretches toward a twenty-first-century musical that seeks to break out of the self-referring web of language. Stephen Sondheim and the Reinvention of the American Musical offers close readings of all of Sondheim's musicals and finds in them critiques of the operation of power, questioning of conventional

The Birth of the Musical
Follies

Part of the highly-successful Anholt's Artists series about great painters, which tells the stories of real meetings between world-famous artists and the children who knew them. When Julie's dog disappears into a mysterious garden, Julie follows him - and finds herself in a beautiful garden-within-a-garden where the roses grow like splashes of paint and a Japanese bridge bows over a silent pool. There she finds not only her dog, but also Claude Monet. The famous artist introduces her to his work and his garden, giving her
