The A List

Top 10 Los Angeles

One hundred essays reveal the best movies as chosen by a consensus of the National Society of Film Critics, featuring contributions from such film critics as Roger Ebert, David Ansen, Kevin Thomas, and Peter Rainer.

Billy Wilder's *Sunset Boulevard*, a classic film noir and also a damning dissection of the Hollywood dream factory, evokes the glamour and ruin of the stars who subsist on that dream. It's also one long in-joke about the movie industry and those who made it great-and who were, in turn, destroyed by it. One of the most critically admired films of the twentieth century, *Sunset Boulevard* is also famous as silent star Gloria Swanson's comeback picture. Sam Staggs's *Close-Up On Sunset Boulevard* tells the story of this extravagant work, from the writing, casting and filming to the disastrous previews that made Paramount consider shelving it. It's about the writing team of Billy Wilder and Charles Brackett-sardonically called "the happiest couple in Hollywood"-and their raucous professional relationship. It's about the art direction and the sets, the costumes, the props, the lights and the cameras, and the personalities who used those tools to create a cinematic work of art. Staggs goes behind the scenes to reveal: William Holden, endlessly attacked by his bitter wife and already drinking too much; Nancy Olson, the cheerful ingenue who had never heard of the great Gloria Swanson; the dark genius Erich von Stroheim; the once famous but long-forgotten "Waxworks"; and of course Swanson herself, who-just like Norma Desmond-had once been "the greatest star of them all." But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950.

There's much more, and Staggs layers this stylish book with fascinating detail, following the actors and Wilder into their post-Sunset careers and revealing Gloria Swanson's never-ending struggle to free herself from the clutches of Norma Desmond. Close-Up On Sunset Boulevard also chronicles the making of Andrew Lloyd Webber's musical production of Sunset Boulevard and the explosive diva controversies that dogged it. The book ends with a shocking example of Hollywood life imitating Hollywood art. By the last page of this rich narrative, readers will conclude: We are those "wonderful people out there in the dark."

Marinated in the world of vintage Hollywood, "Tell-All" is a "Sunset Boulevard"-inflected homage to Old Hollywood when Bette Davis and Joan Crawford ruled the roost; a veritable Tourette's syndrome of rat-tat-tat name-dropping, from the A-list to the Z-list; and is vintage Palahniuk.

*Includes pictures *Includes the actresses' quotes about their lives and films *Includes online resources and a bibliography for further reading At the end of the 20th century, the American Film Institute compiled a list of the 25 greatest actors and actresses in Hollywood over the past 100 years, but only a select few worked all the way back in the silent era of films, before "talkies" revolutionized the industry at the end of the 1920s. Among them was Mary Pickford, who was ranked 24th but was arguably the most influential actress when it came to creating the career template for all actresses who followed, from name changes to salary. Like many actresses of the early 20th century, "Little Mary" got her start by acting on the stage, and she eventually made it to Broadway. By the time she had finished her run there, she had caught the eye of film director D.W. Griffith, who would go on to make Birth of a Nation and was working for the Biograph at the time. Over the next several years, Pickford became the most famous actress in the industry, with only Charlie Chaplin rivaling her in popularity, to the extent that one film reviewer wrote she was "the best known woman who has ever lived, the woman who was known to more people and loved by more people than any other woman that has been in all history." Of all the great movie stars, there may be none

more enigmatic than Greta Garbo, who remains internationally famous despite the fact her life and career raise more questions than answers. How did a Swedish actress with very little film acting experience in her native land arrive in the United States and achieve instant stardom? Most actresses had to wait years before they were offered starring roles in major films, yet Garbo was ushered to the front of the line and perched atop the MGM pantheon at a time in which it was the studio par excellence. How was she able to transition from silent films to "talkies" so fluidly, giving many of her most decorated performances during the 1930s? While stars like Charlie Chaplin never recovered from cinema's transition to synchronized sound, Garbo flourished, which is made all the more amazing by the fact she had a foreign accent that could easily have alienated American audiences and threatened her career. Finally, and perhaps most mystifyingly of all, why would Garbo retire in 1941, at just 36 years of age and two years removed from *Ninotchka*, arguably her most acclaimed film? At the same time, for as famous as Greta Garbo is as an actress, her films are not remembered so positively, if they are remembered at all. While Garbo herself was nominated on three occasions for the Academy Award for Best Actress, only one film of hers, *Grand Hotel* (1932), was even nominated for an Academy Award for Best Picture. For the most part, Garbo acted in films that were seemingly well beneath her, which was certainly the case with her films from the silent era. It goes without saying that the most enduring image of Gloria Swanson is the famous shot of her in *Sunset Boulevard* (1950), head tilted backward, stating, "Alright, Mr. DeMille, I'm ready for my close up." Indeed, for many, the very mention of "Gloria Swanson" conjures the name of "Norma Desmond," her character in *Sunset Boulevard*, directed by Billy Wilder. That the shot of Desmond requesting her close-up remains indelibly imprinted in the minds of so many speaks in large part to the power of *Sunset Boulevard*, one of the most revered films of its times and the most famous film of Gloria Swanson's career. By dint of her performance in the film, Swanson has become almost synonymous with Hollywood's silent era. Orange Coast Magazine

DK Eyewitness California

A biography of the six-time Oscar-winning director of films like *Some Like It Hot* and *Double Indemnity*, featuring analysis of his work. Although his career spanned fifty years and included more than fifty films, Austrian-American film director Billy Wilder (1906-2002) may be best known for the legendary shot of Marilyn Monroe's dress billowing over a subway grating in *The Seven Year Itch* (1955). This "shot seen round the world" is representative not only of Hollywood's golden era of cinema but also of one of its most prolific and brilliant directors.

Wilder, whose filmography includes such classics as *Sunset Boulevard* (1950), *Sabrina* (1954), *Witness for the Prosecution* (1957), and *Some Like It Hot* (1959), is often remembered for his versatility, biting wit, and passion for challenging social and moral conventions. Author Gene D. Phillips departs from the traditional biography in *Some Like It Wilder*, offering new insights into the acclaimed director's professional and private life. In preparation for the book, Phillips conducted personal interviews with Wilder and other key players from the legendary director's life and times. Phillips's unique combination of analysis and biographical detail brings Wilder to life, as both an artist and man. Phillips traces Wilder's path from Berlin, where he worked as a scriptwriter for one of the city's largest studios, to Hollywood, where he would quickly establish himself as a premier film director. Forming a partnership with writer-producer Charles Brackett, Wilder directed the classic films *Five Graves to Cairo* (1943), *Double Indemnity* (1945), and *The Lost Weekend* (1945), which earned Academy Awards for best picture, best director, and best screenplay. During the 1960s, Wilder continued to direct and produce controversial comedies, including *Kiss Me Stupid* (1964) and *The Apartment* (1960). *The Apartment* brought Wilder another round of Oscars for best picture, best director, and best screenplay. Wilder's maverick approach and independent artistic vision pushed boundaries and ensured his legacy as one of the Hollywood greats. Sharply written, *Some Like It Wilder* serves as a comprehensive companion to Wilder's films, offering a personalized and heartfelt account of the life and genius of this compelling director. Praise for *Some Like It Wilder* "Featuring Gene D. Phillips' unique, in-depth critical approach, *Some Like It Wilder* . . . provides a groundbreaking overview of a filmmaking icon . . . This definitive biography reveals that Wilder was, and remains, one of the most influential directors in filmmaking." –Turner Classic Movies "[Phillips] goes beyond the surface and deep into the complex mind and soul of the famous film director . . . This book is, in my view, definitive." –Vincent LoBrutto, author of *Martin Scorsese: A Biography*

'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.

Gloria Swanson

Charles Brackett on Billy Wilder and Hollywood's Golden Age

Hollywood

Investigates operation of American Federation of Musicians trust fund.

Gloria Swanson: Ready for Her Close-Up shows how a talented, self-confident actress negotiated a creative path through seven decades of celebrity. It also illuminates a little-known chapter in American media history: how the powerful women of early Hollywood transformed their remarkable careers after

their stars dimmed. This book brings Swanson (1899–1983) back into the spotlight, revealing her as a complex, creative, entrepreneurial, and thoroughly modern woman. Swanson cavorted in slapstick short films with Charlie Chaplin and Mack Sennett in the 1910s. The popularity of her films with Cecil B. DeMille helped create the star system. A glamour icon, Swanson became the most talked-about star in Hollywood, earning three Academy Award nominations, receiving 10,000 fan letters every week, and living up to a reputation as Queen of Hollywood. She bought mansions and penthouses, dressed in fur and feathers, and flitted through Paris, London, and New York engaging in passionate love affairs that made headlines and caused scandals. Frustrated with the studio system, Swanson turned down a million-dollar-a-year contract. After a wild ride making unforgettable movies with some of Hollywood's most colorful characters—including her lover Joseph Kennedy and maverick director Erich von Stroheim—she was a million dollars in debt. Without hesitation she went looking for her next challenge, beginning her long second act. Swanson became a talented businesswoman who patented inventions and won fashion awards for her clothing designs; a natural foods activist decades before it was fashionable; an exhibited sculptor; and a designer employed by the United Nations. All the while she continued to act in films, theater, and television at home and abroad. Though she had one of Hollywood's most famous exit lines—"All right, Mr. DeMille, I'm ready for my close-up"—the real Gloria Swanson never looked back.

Some Like It Wilder

“Brackett’s diaries read like a funnier, better-paced version of Barton Fink.” —Newsweek Screenwriter Charles Brackett is best remembered as the writing partner of director Billy Wilder, who once referred to the pair as “the happiest couple in Hollywood,” collaborating on such classics as *The Lost Weekend* and *Sunset Boulevard*. He was also a perceptive chronicler of the entertainment industry, and in this annotated collection of writings from dozens of Brackett’s unpublished diaries, film historian Anthony Slide clarifies Brackett’s critical contribution to Wilder’s films and enriches our knowledge of Wilder’s achievements in writing, direction, and style. Brackett’s diaries recreate the initial meetings of the talent responsible for *Ninotchka*, *Hold Back the Dawn*, *Ball of Fire*, *The Major and the Minor*, *Five Graves to Cairo*, *The Lost Weekend*, and *Sunset Boulevard*, recounting the breakthroughs and the breakdowns that ultimately forced these collaborators to part ways. In addition to a portrait of Wilder, this is rare view of a producer who was a president of the Academy of Motion Picture Arts and Sciences and the Screen Writers Guild, a *New Yorker* drama critic, and a member of the Algonquin Round Table. With insight into the dealings of Paramount, Universal, MGM, and RKO, and legendary figures such as Alfred Lunt, Lynn Fontanne, Edna Ferber, and Dorothy Parker, this book reveals the political and creative intrigue at the heart of Hollywood’s most significant films. “A fascinating look at Hollywood in its classic period, and a unique and indispensable must-have for any movie buff.” —Chicago Tribune “This feels as close as we can get to being in the presence of Wilder’s genius, and he emerges as the cruelest as well as the wittiest of men.” —The Guardian “Not only rare insight into their often-stormy partnership but also an insider’s view of Hollywood during that era.” —Los Angeles Times “Very entertaining.” —Library Journal

Close-up on Sunset Boulevard

Sunset Boulevard

On Sunset Boulevard, originally published in 1998, describes the life of acclaimed filmmaker Billy Wilder (1906-2002), director of such classics as Sunset Boulevard, The Lost Weekend, The Seven Year Itch, and Sabrina. This definitive biography takes the reader on a fast-paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna, where he grew up, to Berlin, where he moved as a young man while establishing himself as a journalist and screenwriter, and triumphantly to Hollywood, where he became as successful a director as there ever was. Double Indemnity, Sunset Boulevard, Some Like It Hot, and The Apartment "Wilder's cinematic legacy is unparalleled. Not only did he direct these classics and twenty-one other films, he co-wrote all of his own screenplays. Volatile, cynical, hilarious, and driven, Wilder arrived in Hollywood an all-but-penniless refugee who spoke no English. Ten years later he was calling his own shots, and he stayed on top of the game for the next three decades. Wilder battled with Humphrey Bogart, Marilyn Monroe, Bing Crosby, and Peter Sellers; kept close friendships with William Holden, Audrey Hepburn, Jack Lemmon, and Walter Matthau; amassed a personal fortune by way of blockbuster films and shrewd investments in art (including Picassos, Klees, and Mir's); and won Oscars--yet Wilder, ever conscious of his thick accent, always felt the sting of being an outsider. On Sunset Boulevard traces the course of a turbulent but fabulous life, both behind the scenes and on the scene, from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on-location shoots of the fifties and sixties. Crammed with Wilder's own caustic wit, On Sunset Boulevard reels out the story of one of cinema's most brilliant and prolific talents.
