*My Super Brain is an activity book with 150 mixed trivia questions and 40 word search puzzles (all solutions included). Why is the book called "My Super Brain" ? Well, the author started out with titles like "Brain Games" and "Brain Workout", only to find that these word combinations are trademarked. After many essays, the author was relieved to find a title without a trademark. And so "My Super Brain" was born. Why does it say that "My Super Brain" is for men? The trivia questions are from a mixed variety of themes and subjects; the word search puzzles contain a lot of sports questions (basket ball, baseball, fencing, and much more) and fun categories like espionage, Tom and Jerry, the Game of Risk, Ancient Egypt, and much more. So the puzzles are about sports, action and dangerous secrets. Actually, the questions and puzzles are fun and educational and perfect for anybody with an interest in these subjects. The book makes a great gift for students, for dads, and for the whole family. The trivia questions and word search puzzles are large print, so they are great for seniors, too.
