The Gospel of John is the most deeply spiritual of the four gospels. This writing is filled with rich images and profound
truths, but John notes that his aim in writing the gospel is that readers will not only believe in Jesus Christ, but that

"may have life in his name." Adults, youth, and children alike can experience a season of spiritual growth and life-
changing renewal in Adam Hamilton's six-week, DVD-series, John: The Gospel of Light and Life. You'll follow the life,

ministry, death, and resurrection of Jesus through the Gospel of John and understand the context of some of the
known verses in the New Testament. Everything you need to lead small groups of all ages is available for this special

study including the entire Gospel of John in the CEB translation printed in the book.

From the author of the New York Times bestseller *Juliet* comes a mesmerizing novel about a young scholar who risks her reputation—and her life—on a thrilling journey to prove that the legendary warrior women known as the Amazons actually existed. Look for special features inside. Join the Random House Reader’s Circle for author chats and more. Oxford lecturer Diana Morgan is an expert on Greek mythology. Her obsession with the Amazons started in childhood when her eccentric grandmother claimed to be one herself—before vanishing without a trace. Diana’s colleagues shake their heads at her Amazon fixation. But then a mysterious, well-financed foundation makes Diana an offer she cannot refuse. Traveling to North Africa, Diana teams up with Nick Barran, an enigmatic Middle Eastern guide, and begins deciphering an unusual inscription on the wall of a recently unearthed temple. There she discovers the name of the first Amazon queen, Myrina, who crossed the Mediterranean in a heroic attempt to liberate her kidnapped sisters from Greek pirates, only to become embroiled in the most famous conflict of the ancient world—the Trojan War. Taking their cue from the inscription, Diana and Nick set out to find the fabled treasure that Myrina and her Amazon sisters salvaged from the embattled city of Troy so long ago. Diana doesn’t know the nature of the treasure, but she does know that someone is shadowing her, and that Nick has a sinister agenda of his own. With danger lurking at every turn, and unsure of whom to trust, Diana finds herself on a daring and dangerous quest for truth that will forever change her world. Sweeping from England to North Africa to Greece and the ruins of ancient Troy, and navigating between present and past, *The Lost Sisterhood* is a breathtaking, passionate adventure of two women on parallel journeys, separated by time, who must fight to keep the lives and legacy of the Amazons from being lost forever. An Edgar Award finalist for Best Fact Crime, this “impressive...open-eyed investigative inquiry wrapped within a cultural history of rural America” (*The Wall Street Journal*) shows legendary statistician and baseball writer Bill James applying his analytical acumen to crack an unsolved century-old mystery surrounding one of the deadliest serial killers in American history. Between 1898 and 1912, families across the country were bludgeoned in their sleep with the blunt side of an axe. Some of these cases—like the infamous Villisca, Iowa, murders—received national attention. But most incidents went almost unnoticed outside the communities in which they occurred. Few people believed the crimes were related. And fewer still would realize that all of these families lived within walking distance to a train station. When celebrated true crime expert Bill James first learned about these horrors, he began to investigate others that might fit the same pattern. Applying the same know-how he brings to his legendary baseball analysis, he empirically determined which crimes were committed by the same person. Then after sifting through thousands of local newspapers, court transcripts, and public records, he and his daughter Rachel made an astonishing discovery: they learned the true identity of this monstrous criminal and uncovered one of the deadliest serial killers in America. “A suspenseful historical account” (*Publishers Weekly*, starred review), *The Man from the Train* paints a vivid, psychologically

perceptive portrait of America at the dawn of the twentieth century, when crime was regarded as a local problem, and opportunistic private detectives exploited a dysfunctional judicial system. James shows how these cultural factors enabled such an unspeakable series of crimes to occur, and his groundbreaking approach to true crime will convince skeptics, amaze aficionados, and change the way we view criminal history. "A beautifully written and extraordinarily researched narrative... This is no pure whodunit, but rather a how-many-did-he-do" (Buffalo News).

**** NEW YORK TIMES BESTSELLER! **** The Tonight Show Summer Reads Winner ****** A New York Times Notable Book of 2021 ****** "Insanely readable." —Stephen King Hailed as "breathtakingly suspenseful," Jean Hanff Korelitz's *The Plot* is a propulsive read about a story too good not to steal, and the writer who steals it. Jacob Finch Bonner was once a promising young novelist with a respectably published first book. Today, he's teaching in a third-rate MFA program and struggling to maintain what's left of his self-respect; he hasn't written—let alone published—anything decent in years. When Evan Parker, his most arrogant student, announces he doesn't need Jake's help because the plot of his book in progress is a sure thing, Jake is prepared to dismiss the boast as typical amateur narcissism. But then . . . he hears the plot. Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker's first novel: but it never comes. When he discovers that his former student has died, presumably without ever completing his book, Jake does what any self-respecting writer would do with a story like that—a story that absolutely needs to be told. In a few short years, all of Evan Parker's predictions have come true, but Jake is the author enjoying the wave. He is wealthy, famous, praised and read all over the world. But at the height of his glorious new life, an e-mail arrives, the first salvo in a terrifying, anonymous campaign: You are a thief,

it says. As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers, he begins to learn more about his late student, and what he discovers both amazes and terrifies him. Who was Evan Parker, and how did he get the idea for his “sure thing” of a novel? What is the real story behind the plot, and who stole it from whom?

With their long necks and matching buns and pink tights, Dara and Marie Durant have been dancers since they can remember. Growing up, they were homeschooled and trained by their glamorous mother, founder of the Durant School of Dance. After their parents' death in a tragic accident nearly a dozen years ago, the sisters began running the school together, along with Charlie, Dara's husband and once their mother's prized student. Marie, warm and soft, teaches the younger students; Dara, with her precision, trains the older ones; and Charlie, sidelined from dancing after years of injuries, rules over the back office. Circling around one another, the three have perfected a dance, six days a week, that keeps the studio thriving. But when a suspicious accident occurs, just at the onset of the school's annual performance of The Nutcracker—a season of competition, anxiety, and exhilaration—an interloper arrives and threatens the sisters' delicate balance. Taut and unnerving, *The Turnout* is Megan Abbott at the height of her game. With uncanny insight and hypnotic writing, it is a sharp and strange dissection of family ties and sexuality, femininity and power, and a tale that is both alarming and irresistible.

Looking for Lainey (A heart-pounding suspense crime thriller)

The Plot

□□ A Pulse Pounding Adrenalin Rush! □□□□□□□□□□ Special Agent Joe Cross of the Federal Bureau of Investigations scrambles to find a killer who represents his biggest failure to date. Twelve years ago, a man killed a young girl and got away with it. Now he's at it again. But this time

Joe is determined not to fail. Leaving his family behind, he travels to Florida and begins the arduous task of sifting through impossible evidence in an unfamiliar environment. The killer expertly evades the local talent, leaving nothing behind as evidence, but his obsession with a woman of innocent appeal may become his inevitable ruin. Excerpt: Before she could move, he stood up and turned to face her, his expression soft now, almost friendly. She hesitated, momentarily confused. Maybe she was wrong. Maybe he wasn't angry. "Hi," he called. She sputtered a greeting in return, but there was still something about him that made her nervous. Something... Out of her peripheral vision, she caught sight of a white patch on the ground. Thinking maybe it was his hiking gear, she looked beyond him, to the spot where he'd been crouching just moments before, and felt the bite of cold winter air pierce her lungs as she gasped in alarm. A pair of bare legs was sticking out of the midst of the palmetto patch, lifeless and still. She stared for what seemed like an eternity, her brain barely grasping what she was seeing. She was having trouble registering it, putting it all together in her head, but when the reality finally hit, her entire body began to tremble. She lifted her eyes back to his face, searching, hoping she was wrong. He smiled, and the blood froze in her veins. He stared at the hiker. The fear literally boiled off her, so powerfully alluring that he could practically smell it. She'd seen the body. There was no question. He had no choice now but to kill her. Not a bad bargain as far as he was concerned. She stood there staring, frozen by her own fear. He'd seen the look a dozen times before, and he knew what it meant. She was immobilized by terror, confused, searching for a way out, but not quite comprehending. He glanced around, made sure that she was alone, and his smile broadened. Suzanne's heart began to race, and the sound of her own blood throbbing through her ears made it almost impossible to hear anything else. There was a pain in her chest, a squeezing, suffocating sort of pain. Her body was providing her with the perfect burst of adrenaline to flee, but she couldn't seem to make her feet move. All she could do was stand there and stare at him in abject terror, her mind cataloging every detail of his face. He was so handsome, so clean-cut. So benign. He hardly looked like what she thought a killer should. She couldn't seem to tear her gaze away from his, couldn't seem to do much of anything at all. God, why couldn't she run? Why was she just standing there like an empty-headed fool when she knew she should run--must run! Yet, the futility of even making an attempt... What was the point in giving in to such a conditioned response when she knew it was hopeless, utterly hopeless? He took a step toward her. She gave a

little whimpering gasp and stumbled backwards. He laughed, a lethal whisper of sound, and took another step forward. His movements were slow, self-assured, like he knew he couldn't possibly lose. A second later, she heard an odd scream burst through the forest, echoing off the surrounding trees. She was so terrified that it took her a moment before she realized the scream had been her own. She was so intent on getting out of there, getting away. Dammit, there had to be a chance. Dear God, please give me a chance, she mentally screamed. She twisted around, prepared to run, felt her booted foot snag on something. A damn tree root! Her arms flailed the air for one terrifying moment, and then she managed to right herself again. She lunged forward, began a stumbling flight back the way she'd come, blindly tearing through the woods, dodging the tree branches that slapped at her body and pulled at her hair as she passed. Her breath became a ragged wheeze. Her lungs felt like they would burst. And the whole time her legs were pumping hard to get her out of danger, she knew...she was never going to make it. She would never waste another second resenting her ex-husband. Would never again enjoy the cool crisp country air, the wisps of white clouds in an otherwise clear blue sky. She would never be thrilled at catching sight of a meteor on a dark night, never feel the touch of a man's fingers caressing her face. She was going to die. This man was going to kill her. She knew that as surely as she knew the sun was still shining. She was already losing ground. Her legs burned from the effort, the strain she was forcing on them. She'd always been an athletic person, had always been in good shape, but she knew she couldn't run forever. Not at top speed. Eventually, she would exhaust herself, and then.... He would be there. With a sinking sort of dread, she felt it coming. She was flagging already. She wasn't going to make it. God, she wasn't going to make it! #1 NEW YORK TIMES BESTSELLER GOODREADS CHOICE AWARD WINNER FOR MYSTERY/THRILLER An addictive novel of psychological suspense from the author of #1 New York Times bestseller and global phenomenon *The Girl on the Train* and *A Slow Fire Burning*. “Hawkins is at the forefront of a group of female authors . . . who have reinvigorated the literary suspense novel by tapping a rich vein of psychological menace and social unease... there’s a certain solace to a dark escape, in the promise of submerged truths coming to light.” –Vogue A single mother turns up dead at the bottom of the river that runs through town. Earlier in the summer, a vulnerable teenage girl met the same fate. They are not the first women lost to these dark waters, but their deaths disturb the river and its history, dredging up secrets long submerged. Left behind is a lonely fifteen-year-old girl. Parentless and friendless, she now finds herself in the care of her mother's sister, a fearful stranger who has been dragged back to the place she deliberately ran from—a place to which she vowed she'd never return. With the same propulsive writing and acute understanding of human instincts that captivated millions of readers around the world in her explosive debut thriller, *The Girl on the Train*, Paula Hawkins delivers an urgent, twisting, deeply satisfying read that hinges on the deceptiveness of emotion and memory, as well as the devastating ways that the past can reach a long arm into the present. Beware a calm surface—you never know what lies beneath.

After solving the case of *Truly Devious*, Stevie Bell investigates her first mystery outside of Ellingham Academy in this spine-chilling and hilarious stand-alone mystery from New York Times bestselling author Maureen Johnson. Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she’s back at home for a normal (that means boring) summer. But then she gets a message from the owner of Sunny Pines, formerly known as Camp Wonder Falls—the site of the notorious unsolved case, the *Box in the Woods Murders*. Back in

1978, four camp counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. The Box in the Woods will make room for more victims. This time, Stevie may not make it out alive.
