Online media offer many distractions. It's so easy to quickly click or swipe. You might almost forget to just sit down and write down your thoughts, your list of things, draw or doodle whatever is on your mind. Many people talk about mindfulness, conscious living, but getting this notebook and taking time to write or draw helps to get some rest, to get grounded, to pace yourself. Creativity

Sheriff Neil Lovitt was looking for a fresh start in Payson. Small-town Arizona is about as far away as a man can get from New York and all its painful memories. His job has already

made him a widower and robbed his five-year-old girl of her mother. Now Neil's just looking to keep his daughter, and his heart, safe. But Carolina Sweetwater isn't interested in safety; the headstrong rancher's daughter wasted plenty of time running from her own broken heart. Now she's ready to take a chance at love again, but Neil refuses to put another woman he cares about in danger. Can Carolina make the sexy sheriff see that he stands to lose more by risking nothing at all?
