sexual violence against men Sexual
violence against men in the Hebrew Bible
Reading Jesus' enforced nudity at the
crucifixion as sexual violence. Given the
enduring importance of the Bible in
contemporary society, this book explores
the biblical texts that depict sexual
violence against men. It examines critical
approaches from theology, biblical, and
religious studies perspectives, while also
exploring insights from the fields of
sociology, psychology, and criminology as
well as referring to legal cases and
legislation, charity work, and media-
focussed articles. In seeking to serve a
number of interested readers, including
those who are not familiar with the Bible,
short summaries of the biblical texts under
discussion are given in each case.

The type was continuously developed and went on to have a long and successful career: it was the first jet-powered fighter operated by many countries and remained in active front-line service until 1994. The first GSX-R was created in 1985 as a groundbreaking departure from the ponderous sportbikes of the day. That revolutionary motorcycle took a time-honored racing credo to heart: light is right. (And another one: It can never be too fast.) Never before had the performance and design of a race bike been so faithfully carried over to the street. In the seven generations since, Suzuki
