*This steamy romantic comedy box set contains the novels **Worship, Some Call It Devotion, Some Call It Attraction** and the novella **Spark**, exclusive to this box set. **Worship (Book #3.5)** What happens in Vegas doesn't always stay there. After a devastating blow, Kinsley's ten-year plan is derailed, leaving her lost and confused. She needs a change. And what better way to take a break from her life than a trip to Las Vegas? But life doesn't always go as expected, and what was supposed to be a fun, carefree weekend turns into so much more. Getting married to a stranger definitely wasn't part of her plan. No matter how much she's attracted to the man she just met. **Some Call It Devotion (Book #4)** What would you do if you found out that you're married but can't remember your wedding? Kinsley thought the hardest part of getting married was planning the wedding. Turns out it's getting divorced from the man she can't remember saying yes to. Tracking down her husband was easy. Getting him to sign the divorce papers isn't. Because Landon has an agenda: He'll sign the papers if she lives with him for twenty-one days. If she still wants to get a divorce at the end, he'll give it to her. **Running out of time and***

*options, she agrees to the deal and realizes her mistake as soon as she's moved in. Turns out, leaving her wild time in Las Vegas behind isn't as easy as Kinsley thought it would be. Because what if she doesn't want their marriage to end once the twenty-one days are up? But that isn't an option. She's engaged to another man, and they're getting married in less than three months. Unless Landon can give her a good reason not to. She has three weeks to decide, and he's determined not to make it easy. Some Call It Attraction (#5) Two best friends. One lie. A second chance neither of them expected. He's used to champagne and caviar. She's used to burgers and boxed wine. They're as opposite as two people can get, yet they became best friends, anyway. And all it took to tear them apart was a lie. Years later, Rayna lands a role as a contestant on a reality TV show. The last person she expects to run into on set is Grayson, reminding her of the easy friendship they once had. And the feelings they both tried so hard to ignore resurface. And this time, they refuse to stay buried. What will Grayson do when he finds out the reason Rayna left all those years ago? Because she can't walk away a second time. Not even when being with him could get her kicked off the show. Spark (#5.5) Keeping things professional has never been harder (pun intended). Glenys never thought she'd end up in a quirky little town called Humptulips. And she definitely never expected to feel an instant connection with a handsome and funny stranger who seems to have a slight tea doily fetish. The only*

But is a man she barely knows worth risking her dream job for? Note from the author: In order not to get kicked out of the good (okay goodish.... fine, sometimes good) girls club, I'd like to point out that this is a steamy romcom and my characters use bad language (sometimes) and like to get it on.*

*Join The Real Werewives for this fun and steamy season with the Alaska Bloodhounds and follow the Werewives as they find love with these wild football players. Meet the contestants Wildcat Hi! I'm Molly. So far, my time as a Real Werewife has been a total disaster. I planned to write a book based on my time with the Alaska Bloodhounds, but I've been too shy to make a play for any of them. And my deadline is looming. When I find out wide receiver Graham Chase has been reading my super sexy romances, I'm intrigued. I might be in over my head with this dirty talking player, but this lynx shifter is ready to show me what romance is all about. Playing to Win Hi! I'm Shauna. Okay, that's not my real name. I'm on the run from some goons in Vegas over a gambling debt. My plan as a Real Werewife? Play the long game and never make it on screen. That totally backfires when the three smokin' hot bear shifters of the offensive line all decide I'm their mate, and production says I need to give them all a chance to stay on the show. But when my past troubles catch up with me, Troy,*

*Corey, and Steele prove they'll do whatever it takes to keep me safe and win my heart. Intercepting Christmas Hi! I'm Tessa. I'm the executive producer of The Real Werewives of Alaska and my husband managed to surprise me with taping our own episode of the show. Our busy lives have kept us apart, and he's bringing my daughters and me to a mountain getaway in Idaho for Christmas. But when a rival resurfaces from Cole's old wolf pack and threatens our family, it rivals any drama we've ever had on the show.*

love. ~\*~ Someone to Trust (Book 2): She wants to give him her heart. He wants to give her the best chance at a happy life. They're headed separate ways . . . until faith steps in. Chess Summers never got to have a "real" family growing up. Thankfully, his makeshift family of former foster kids has given him the sense of belonging he's always been missing. However, insecurities about his dark past may cost him the future he longs for, especially when it comes to Brooke, the spunky and beautiful woman he has found himself falling for. He's determined to protect her, and convinced she deserves someone much better than him. Brooke Pierce may have had a rough childhood, but she also had her trust in Christ, which sustained her through it all. When Chess crushes Brooke's dreams of a future together, she must rely on faith once again to heal her heart and help her move on. But is walking away from each other the answer? Or does redemption lie in these two broken spirits facing the past together? An inspirational Christian novel about the power of faith, the strength of hope,

and the joy found in redemption. ~\*~  
Starting Anew (Book 3): He's afraid to trust. She has a secret that could change everything between them. Will they let go of their fear, or allow it to rob them of their chance at happiness? Now, he's determined to leave the past behind him, and focus on a new future with his only real family—his young daughter, Mia, and his long-lost brother, Chess. When he finds himself attracted to Mia's pretty and kind caretaker, Lynn, he must do some heavy-duty soul searching. Can he trust her? Or will falling for her put his family at risk? Lynn Crosby's passion cost her everything. Her parents all but disowned her for pursuing her dream of a music career, and then the music industry she loved wanted her to compromise her values. All she wants is to hold on to her quiet life, with a new name, and an ordinary job as a day care worker. But the more time she spends with Nathan, the more she wants to share her true self with him.
