How to Use Switchwords to Awaken and Clear Your Chakras

MORE THAN FORTY-FIVE YEARS OF INTENSIVE STUDY and thousands of experiments with people from all walks of life have gone into the creation of what I call Perfect Living. And what is Perfect Living? Perfect Living is a state of absolute self-togetherness, a union of the conscious and subconscious selves for the ultimate good and benefit of your whole person. Though this union of an individual's two selves has been much written and talked about, little has been accomplished to bring it down to a tangible level. In my own mind-science studies I concentrated on discovering a practical method of uniting the conscious mind and the subconscious, and found a technique through which such a union can be achieved. My technique calls for four easily adopted attitudes and the use of switchwords, a means by which the conscious mind can "talk to" and direct the thought patterns of the subconscious. Through these switchwords the conscious person gains the cooperation of his subconscious self, creating an inner harmony that brings immediate results. For example, how often is your day spoiled by a persistent, nagging pain or headache? Aspirin may bring temporary relief, but it doesn't get to the cause, and the pain returns. Wouldn't it be wonderful to be able to utter a single word which would instantly cause all pain to vanish? There is such a word, and Chapter 9 of this book explains in detail how you can make it work for you. Or have you ever lost or misplaced some important or valuable possessions? The more desperately you search for the object, the more it seems to elude you. But with one of the magic switchwords you relax and let your Inner Self bring you to the thing you are searching for. Chapter 8 covers the details on how you can turn on your own finder machinery. These are only two small examples of what Perfect Living and its switchwords can do for you. With Perfect Living you can do anything. You can: 1. Conquer all your fears. 2. Learn to relax. 3. Keep yourself forever young. 4. Overcome despair and "blue" moods. 5. Begin to know yourself. 6. Get along better with other people. 7. Set goals and achieve them. 8. Gain money and new prosperity. 9. Free yourself of bad habits. 10. Achieve glowing health and freedom from pain. 11. Release your hidden abilities. 12. Be a permanently happy person, invulnerable to any upset or setback. But the benefits of Perfect Living are endless and the book itself explains them all to you. Why not put this modern miracle to work now? Make Perfect Living a part of your life!

Apply the power of **MAGICAL WORDS** to improve your health and lose weight fast. **WARNING!** Cookie-cutter weight loss advice is at epidemic proportions. Case in point: The world is fatter than ever before, despite the books shelves bulging with diet advice! Most guys have no idea that a major obstacle to you having a slim and toned body is in what you think, speak and eat. This problem is made 100X worse by all the fad diets and crash weight loss programs out there - low carb, ketogenic, etc. This is a huge problem because everybody responds to nutrition differently. Odds are 90% that any particular program will only make you flabbier and pastier. I created a simple combination of **MAGICAL WORDS** called **SWITCHWORDS** that will solve this problem. The words we speak, our beliefs, actions, visions contribute to the reality we create. If you would like a different reality, then you have to start by changing the **WORDS** you speak every day. Let me briefly tell you my story... My ex-boyfriend was a tall, handsome ex-air force military who became a devil's advocate. He sold his soul to a devil to become a movie star. He was willing to do anything possible to become one of the movie stars. He was a gym junkie and control freak. As a result of that, he was pushing me to lose weight and be in shape too. I tried every diet on the planet, joined the gym, took slimming pills but nothing really worked for me. My partner used to put too much pressure on me regarding my weight and appearance. My self-esteem went down the hole and my depression was getting worse and worse. I didn't feel good and beautiful enough anymore. I was in my 20s and spent most of my time fighting my own nature. I was trying to be just like every superstar that I admired, killing myself in the process. For several years, my mantra was: "Massive **ACTION** solves every problem!" Which was just incredibly stupid, because "MASSIVE action" without a great strategy, only gives you more problems. Your efforts create work that is unfocused and dissipates your energy. I spent thousands of hours sweating in the gym, throwing money out of the window by trying every diet on the planet and getting more fat and ill during the process. I constantly put myself in situations where my greatest strengths got shoved in the closet, and my weaknesses were on display for all to see, including my increased weight, all day long. I had nobody to turn to so I turned to alcohol and junk food for help to soothe the pain. I went through a mental breakdown and wanted to commit suicide many times. I had no hope and didn't know how to get out of the black magic spell. One morning when I woke up in pain and covered in blood and emotionally, spiritually and physically depleted with broken glass on the floor I knew something is gotta change **NOW!** I couldn't get up and passed out. I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance. Who did that? I **DID**. Who does that? **YOU DO**. Up to your eyeballs in debt, overweight and bleeding **HEART**. Just to tell your family you are in a relationship and own a business. The Bloodsucking Monster, my ex-fiance gave me a red **DIAMOND** ring. I called it a "blood diamond". Because I knew every bit of the blood, sweat, and tears it took to be in that "relationship." He would twist that ring around my finger the whole time he leered at me and talked down to you. His stone face, a steely glare that could kill a spider on the spot. I lived with my neck under the Monster's boot until the day I discovered and applied the secrets mentioned in this book **SWITCHWORDS** for Health and Weight Loss and my other books **REALITY CREATION SECRETS** and **SWITCHWORDS MIRACLES**. Spending thousands of pounds on the weight loss diets did not work. Applying ancient knowledge from my books and choosing my own preferred reality did work. In 21 days I went from 100-pound **GORILLA** to Cinderella with a little effort and easy strategy. I started applying **SWITCHWORDS**.

*"I believe that the discoveries in this book can change our understanding of how we store emotional experiences and in so doing, change our lives. The *Emotion Code* has already changed many lives around the world, and it is my hope that millions more will be led to use this simple tool to heal themselves and their loved ones."—Tony Robbins In this newly revised and expanded edition of *The Emotion Code*, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of "trapped emotions"—emotional energies that literally inhabit your body. These trapped emotions can fester in your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love. *The Emotion Code* is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson's method gives you the tools to identify and release the trapped emotions in your life, eliminating your "emotional baggage," and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of clinical practice, *The Emotion Code* is a distinct and authoritative work that has become a classic on self-healing.*

*Can a single word create miracles? Switchwords are straightforward and easy to use. Switchwords are simply words that "Switch" on your subconscious mind; sort of like switching on a light. They are, in many ways, one word affirmations. But unlike the conventional affirmations that don't work, these one word miracles do. Why don't traditional affirmations work? A subconscious block is why an affirmation like "I am prosperous and I have plenty of money" does not work. The subconscious mind will throw that affirmation out because it is bumping up against an ingrained pattern you have that runs counter to the affirmation. This ingrained pattern needs to be bypassed. Often, the more you say affirmations like "I am prosperous and I have plenty of money" the more your subconscious mind will resist and cause you to fall further into financial problems. It is happening all the time. Notice that after the *Law of Attraction* took center stage in 2006 through the *Secret*, Individual and global prosperity had declined sharply. Why are Switchwords different?*

*Switchwords bypass the resistance of your subconscious mind. They are switches, they don't give the subconscious mind time to process whether something you want is achievable or not. It just gets you in the right state of mind. They effectively BYPASS the old pattern instead of fighting it like the other methods do. *Switchword Miracles* will teach you everything you need to know about how to use these amazing single-word affirmations.*

Can an affirmative question make Switchwords More Powerful? Switchwords are straightforward and easy to use. Switchwords are simply words that "Switch" on your subconscious mind; sort of like switching on a light. They are, in many ways, one word affirmations. But unlike the conventional affirmations that don't work, these one word miracles do. When Coupled with Affirmative questions, Switchwords become even more powerful. Why Do Affirmative questions and Switchwords Work So Well Together? (From Chapter 5: "Both bypass the subconscious minds tendency to entrench your habits and life circumstances. When you use them together they work synergistically; the questions prime your mind to find an answer and the Switchwords give the questions that extra push through the caverns of the subconscious mind and eventually into your life experience. ...You will find, that your mind will shift. You will feel something is different. That feeling is good... The old habits start to slowly crumble but without making the subconscious mind hunker down. In many ways the affirmative questions and the switchwords are like mini cells infiltrating your bad habits. Once your subconscious mind realizes what is happening, the old habits are replaced by new and better ones. It might seem like this is a way to trick the subconscious mind. It isn't so much a trick as simply dealing with it the way it understands. It is a habit machine and it has certain rules. If you approach it with the wrong set of tools, or in the wrong way, it will backfire on you. Same with a plane, if you handle the throttle as you would a gear shift on a car you would be in for one hell of a flight. Questions and Switchwords are the right tools for the

job. " Switchword Manifestation will teach you everything you need to know about how to use these amazing modalities together to create amazing results.

- Provides a precise map of the energetic biofield that surrounds the body, showing where specific emotions, memories, traumas, and pain are stored
- Details how to locate stored trauma in the biofield with a tuning fork and clear it

• Winner of the 2015 Nautilus Silver Award When Eileen McKusick began offering sound therapy in her massage practice she soon discovered she could use tuning forks to locate and hear disturbances in the energy field, or biofield, that surrounded each of her clients. Passing the tuning forks through these areas in the biofield not only corrected the distorted vibrational sounds she was hearing but also imparted consistent, predictable, and sometimes immediate relief from pain, anxiety, insomnia, migraines, depression, fibromyalgia, digestive disorders, and a host of other complaints. Now, more than 20 years later, McKusick has fully developed her sound healing method, which she calls Biofield Tuning, and created a map of the biofield, revealing the precise locations where specific emotions, memories, ailments, and traumas are stored. In this book, McKusick explains the basics of Biofield Tuning practice and provides illustrations of her Biofield Anatomy Map. She details how to use tuning forks to find and clear pain and trauma stored in the biofield and reveals how the traditional principles and locations of the chakras correspond directly with her biofield discoveries. Exploring the science behind Biofield Tuning, she examines scientific research on the nature of sound and energy and explains how experiences of trauma produce “pathological oscillations” in the biofield, causing a breakdown of order, structure, and function in the body. Offering a revolutionary perspective on mind, energy, memory, and trauma, McKusick’s guide to Biofield Tuning provides new avenues of healing for energy workers, massage therapists, sound healers, and those looking to overcome chronic illness and release the traumas of their past.

Switchwords: How to Use One Word to Get What You Want

Zibu

SWITCHWORDS are super powerful words that can bypass your conscious mind and directly influence your subconscious mind. They are very easy and fun to use. Create the life of your dreams with Swichwords. My ex-boss was a short, blood-sucking vampire. His cold eyes and a steely glare that could kill a fly on the spot. Many believed that he has been possessed by demons and attending demonic sessions. When he asked you a question, he would move his head to one side and ask weird questions and shout and scream. I would work my ass off to get clients not only for me but also for his business. He always wanted more and more clients and increased business revenue without wanting to spend any of his dimes on marketing and advertising. On top of it, the receptionist did everything she could to repel any good client and kept offering them her own services. She was grimacing on virtually all clients. Despite all of this, I kept working hard, did cold calling every day and invested my own money on getting the leads and draining my savings account. I couldn't sleep at night from all the mental abuse and physical exhaustion. Also, at that time I was interested in a guy who promised me collaboration and promotion of my business. Of course, it didn't happen and worse than that, he chose to help a prostitute get some work and promotion. I had nobody to turn to so I turned to alcohol for help to soothe the pain. I went through a mental breakdown and wanted to commit suicide many times. I had no hope and didn't know how to get out of the black magic spell. One morning when I woke up in pain and covered in blood and emotionally, spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW! I couldn't get up and passed out. I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance. Who did that? I DID. Who does that? YOU DO. Up to your eyeballs in debt. Just to have your name on the business door. The SS spiritual guru had a diamond ring. I called it a "blood diamond". Because I knew every bit of the blood, sweat, and tears it took to get new clients for the business. He would twist that ring around his finger the whole time he leered at me and talked down to you. I lived with my neck under the SS boss boot until the day I discovered and applied the secrets mentioned in this book and my other books REALITY CREATION SECRETS and SWITCHWORDS MIRACLES. Spending thousands of pounds on the law of attraction training and books did not work. Applying ancient knowledge from my books, changing my beliefs, applying the right strategies and choosing my own preferred reality did work. In 6 weeks I went from 15-2- leads per week to 50-100 per week. And I went from chasing and begging the clients to actually clients chasing and begging me to get an appointment. Fast forard a coule of years... I own international businesses that are profitable, have enough quality leads, clients waiting list and my life is happy and peaceful. It's the ONE Decision I made that made it happen. I started investing in myself and studies reality creation secrets. And from then my life has completely changed because now I have multiple thriving online businesses and have a partner who adores me, loves me and is very proud of me. I went from 0 to hero within a few months just applying the simple wisdom and techniques mentioned in the amazing book. Your life can change too, it is just one decision away from you. Kick-Ass In Life and In Business!
