The value of systematic, disciplined reflection on biblical truth is the theme of this brief but convincing anthology. Writing from a variety of perspectives, the contributors present an excellent case for the necessity of systematic theology. The editor has drawn from a vast reservoir of literature on the subject. this new edition

of Systematic

change your

This systematic

from the

the dogma of the
Trinity as an
expression of
divine unicity,
on which will

The Invisible
God must be seen
and known in the
visible. In this
way, God and

to creation are

the end, the

beauty who is
God can be known
