Capitalist Nigger is  
an explosive and  
jarring indictment of  
the black race. The  
book asserts that  
the Negroid race, as  
naturally endowed  
as any other, is  
culpably a non-

communities for its

enormous natural  
resources, blacks

the 'killer instinct'  
of the Caucasian, as  
well as the spider

ruthlessness in  
pursuit of excellence  
in his drive towards  
achieving the goal  
of becoming an
