*More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.*

Amy Freed rewrites *The Taming of the Shrew*, one of the more problematic plays in the Shakespeare canon. While beloved for its sharp dialogue and witty banter, *The Taming of the Shrew* offers a problematic storyline that many have deemed misogynistic. The play contains insensitive gags and uneasy politics, making it difficult for modern audiences to connect with the text. Amy Freed's new translation reactivates the original story, blowing away the dust and cobwebs. As Freed's text reminds us, at its heart *The Taming of the Shrew* is a story about courage and authenticity. This translation of *The Taming of the Shrew* was written as part of the Oregon Shakespeare Festival's Play On! project, which commissioned new translations of thirty-nine Shakespeare plays. These translations present work from "The Bard" in language accessible to modern audiences while never losing the beauty of Shakespeare's verse. Enlisting the talents of a diverse group of contemporary playwrights, screenwriters, and dramaturges from diverse backgrounds, this project reenvisioned Shakespeare for the twenty-first century. These volumes make these works available for the first time in print--a new First Folio for a new era.

Digital Theatre+ Study Guides are specially commissioned from leading theatre academics and practitioners, with expert knowledge of the texts that they explore. The guides examine plays from literary and contextual, as well as dramatic perspectives, to provide a thorough and manifold access point to key texts, from the classical to the contemporary.

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. In the Italian city of Padua, a young gentleman named Lucentio comes to study at one of the city's colleges. As is often the fate of men in Shakespeare's plays, Lucentio falls in love at first sight. The object of his affection, Bianca, is the beautiful and docile daughter of a rich merchant. Her father, Baptista Minola, has declared that no one can marry Bianca until her older sister Katharina has been married first. Katharina is the polar opposite of her sister: vicious, foul-tempered, sharp-tongued, and stubborn. Any man in her vicinity is at risk of receiving her brutal insults and physical attacks. It's no surprise that no man wants to marry her—or that's what she believes, until an equally difficult man named Petruchio arrives in Padua. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
