Tansy Bell est la deuxième des trois sœurs Bell. Elle a toujours été un peu différente, même pour une Bell. Véritable caméléon, elle sait jouer de son apparence et de sa personnalité afin de se fondre presque partout. Elle se sert de ce talent pour traduire en justice des criminels parmi les pires au monde. Mak ‘Tag Krell Manok est le plus sauvage de ses quatre frères. Il est connu pour son tempérament bouillant, sa force, sa férocité et ses compétences de guerrier. Peu d’hommes dans l’univers peuvent se vanter de s’en être sorti vivant après l’avoir défié. Frustré d’avoir échoué à trouver des femelles compatibles avec les mâles primes, il retourne dans son monde natal et découvre alors que son frère aîné a trouvé son âme liée…chez une espèce inconnue, les Humains. Mais plus étonnante encore est sa réaction face à une image de la sœur de l’âme liée de son frère. Mak s’est fixé un nouveau cap : direction la Terre et la femelle qui met le feu à son sang ! Mais d’abord, il doit la trouver. Ensuite, il doit la convaincre qu’elle est sienne. Si le reste échoue, il se contentera de l’enlever. Après tout, elle est délicate, fragile et pas de taille contre un guerrier prime. Ce à quoi il ne s’attend pas, c’est qu’elle ait des ennus et se batte pour rester en vie. Il doit maintenant la sauver avant qu’il ne soit trop tard. Mais même alors, rien ne garantira qu’elle parte avec lui. En effet, cette petite femelle fragile possède la force et la détermination de vingt mâles primes et tient à son indépendance. Mak est sur le point de découvrir que les petites choses peuvent demander beaucoup d’efforts, parce qu’il n’y a qu’une femelle dans l’univers qui n’a pas peur de lui tenir tête… même si elle a peur de l’aimer. Parviendra-t-il à la garder en vie assez longtemps pour qu’elle prenne conscience qu’elle est la compagne parfaite pour un guerrier sauvage, ou les hommes déterminés à la tuer prendront-ils non seulement sa vie mais aussi celle de Mak ? Auteur de renommée internationale, S.E. Smith propose une nouvelle histoire débordante de l’humour qui la caractérise, de paysages éclatants et de personnages attachants. Il est certain que ce livre deviendra un nouveau favori des fans !

Behr’s Rebel

Star’s Storm: Lords of Kassiss Book 2

First published in 1999, the groundbreaking Exile and Pride is essential to the history and future of disability politics. Eli Clare’s revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet’s devotion to truth and an activist’s demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare’s exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, Exile and Pride presses open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Cosmos stalesd experiment has opened a gateway into a whole new world and the inhabitants of that world are turning his life upside down, especially one aggravating alien female."

*Raia's Pet**Although Raia is human, she only remembers one world-the alien one where she was raised by her Tearnat Guardian, Ander. Her love for exploration comes from Ander. ??While on a quest to find the perfect birthday gift, she instead finds two very unusual, and powerful, furry friends. Now all she has to do is explain to her Tearnat guardian why they should be allowed to stay despite his 'no pets' policy! ??Three very different worlds collide, and freedom for an entire species is at stake. Can a friendship forged in a back alley be powerful enough to survive an immense alien universe where danger lurks at every turn?Behr's RebelGeneral Behr De'Mar, leader of the Marastin Dow rebel forces, knows that it is only a matter of time before he is caught and executed. It doesn't matter to him. The cause he is fighting for is much larger than any one person-or so he thought. Raia Glossman doesn't know what to think when she is hired by the strange, purple-skinned aliens. After all, the Marastin Dow are known for their cutthroat, kill anything-that-moves mentality. Why would they need a lone human woman to rescue their General? But credits are credits, and Raia never turns down a chance to earn a tidy sum. Besides, it seems like an easy job for her and her two innovative pets, Chummy and Pi. They'll get in, rescue the guy, collect their credits, and disappear again. The three of them perfected that little trick years ago. This time however, she is on the run with an army of Marastin Dow warriors on her tail! Not to mention that she is stuck with a tantalizing General, and she discovers she is the new poster-girl for the Marastin Dow Revolution. So much for anonymity!?Behr knows the moment he meets Raia and her two pets that they are special. Can he keep them alive and safe against the massive army threatening to end their hope of a new way of life, or will the history of the Marastin Dow's savagery doom them all?*

She touched his hand, and everything changed... Jasmine "Tinker" Bell has always had a love for life, looking forward to any new adventure that happens to come along, but when a friend's experiment creates a portal to another world, she finds herself immersed in far more adventure than she ever dreamed. She and her two older sisters survived living on Earth for four years after their world went crazy. She is all grown up now and has her eye on the one stubborn Trivator that captured her heart seven years before. Taylor has one last requirement in order to complete her schooling. Once she finishes, she plans to show Saber that he is the man she wants, but when the planet she is on erupts into a civil war, she is trapped behind enemy lines. When Saber discovers that Taylor has been left behind, the warrior inside him refuses to think of her as collateral damage in a savage battle for power. Journey to a lawless, alien world and discover what happens when the beast awakens inside a damaged Trivator warrior when the woman he loves is threatened. Allie Whitewater was used to living between two worlds. She embraced both the Native American heritage of her father and the white heritage of her mother. Jacob Tucker enjoys building up the ranch which he and his twin brother, Jonathan, had settled. Sure, there were dangers – rustlers, the harsh environment, Indians – but he wouldn't trade it for anything in the world. He is happy with life in the Montana territory. He never thinks there could be something or someone out there that could make him change his mind. His idea of life, and the world, changes when he leaves his ranch in 1867 to travel to 2013. Can the past handle a modern woman's view that the two cultures are really not that different when it comes to love and family or will it destroy the very thing that makes her the perfect partner for a man of the past – her warrior spirit?
