The ILTS Expanded Study Guide for Basic Skills is designed as an online study tool for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics, brought to you by the experts at the Evaluation Systems group of Pearson, the most experienced company in standards-based educator licensure testing. The online Illinois Licensure Testing System: Expanded Study Guide for Basic Skills -- Access Card provides 6-months of online access to prepare for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics. This online study guide features: An annotated test framework with an overview of each subtest, and includes 50 authentic multiple-choice questions and 2 authentic writing assignments. A rationale for each multiple-choice question explains why the correct response is the best answer. Sample responses for the writing assignments demonstrate the level of writing skills that correspond to a strong score and a weak score. A score report interpretation helps examinees better understand their test results and offers strategies for retaking subtests. A description of the test development process and a list of resources for further study are also included. Once the access code is activated, the subscription is valid for six months.

Illinois TAP Math - This book is designed to help you succeed on the mathematics subtest of the Illinois Licensure Testing System (ILTS) Test of Academic Proficiency. It covers all the essential topics to develop a deep understanding of math fundamentals including number sense, functions, algebra, geometry, graphing, data analysis, and statistics. The book contains over 500 practice questions, 40 lessons, detailed explanations, quizzes, and comprehensive exams to ensure a complete grasp of all objectives tested on the exam. Please visit www.prepforward.com for more information on this book, to contact the author, or to find out about online, interactive, self-paced review courses for all subtests of the Illinois Test of Academic Proficiency.

“Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam.” —Ammu D. Kowolik, LMSW, McSilver Institute for Poverty Policy and Research Students and social workers preparing for the social work masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters “Knowledge, Skills, and Abilities” upon which the exam is based and incorporates information from the DSM-5®. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, diversity, abuse and neglect, assessment and intervention planning, direct and indirect (micro and macro) practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. Key Features: Developed by a highly respected educator of social work licensure candidates Covers all the content areas on the masters examination, including new content added in 2015 Begins with a self-assessment section to help identify areas of strength and weakness Offers a wealth of test-taking tips and strategies to foster exam confidence Includes a practice test (with explanations of the correct answers) that mirrors the exam ASWB® is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.
