

Tarocchi Dei Metabaroni

From the psychomagical guru who brought you The Holy Mountain and Where the Bird Sings Best comes a supernatural love-and-horror story in which a beautiful albino giantess unleashes the slavering animal lurking inside the men of a small village. When two women—an amnesiac goddess and her protector, a leather-tough woman called Crabby—arrive in a Chilean unfettered sensuality turn men into wild beasts. Chased by a clubfooted corrupt cop, evil corporate overlords, giant-hare-riding narcos, and Himalayan cultists, Albina and Crabby must find a magical cactus that will cure Albina and the men’s monstrous affliction before the town consumes itself in an orgy of lust and violence. Albina and the Dog-Men is Alejandro Jodorowsky’s mystical folktale, road novel, horror story, and social parable, ultimately uniting in a universal story of love against the odds and what makes us human. Praise for Albina and the Dog-Men “Deeply psychological and mysterious, the book will stimulate the imagination of the reader’s mind to the extreme.” —Marina Abramovi? “In his latest novel, Jodorowsky builds on his previous work, creating a fantastical and genre-defying parable of love and friendship. . . . Throughout this dark dream of a novel, Jodorowsky’s writing is comic and occasionally mesmerizing. It is also ripe with horror and philosophical questions about what it means to belong, everywhere and nowhere. And while some of the subject matter is disturbing, it often carries the air of something beautiful. Jodorowsky has proven the intensity of his imagination, and how far he is willing to go to present his singular vision to the world. He is a fully realized artist whose tales demand attention. At its core, Albina and the Dog-Men is a love story about two people committed to one another’s survival and to discovering their potential. And, as with life, it is sometimes only through suffering that we can truly know ourselves. . . .” —Juan Vidal, NPR Books “[Albina and the Dog-Men] may be the ultimate piece of Jodorowsky arcana, a mind-bending adventure story on par with his wildest cinematic visions. . . . A surrealist novel par excellence, Albina and the Dog-Men is a dream, a prophecy, a hallucination, and a transfiguration such as only Jodorowsky could induce.” —Publishers Weekly

the Dog-Men is a South American parable of self-acceptance and belonging that is fueled by prurience and colored with vivid, hallucinogenic details. . . . No moment of Jodorowsky’s book is at all predictable or familiar, and those who have a taste for the uncanny will be in awe over its undulations into strange, even godly, territory. The sensuality of the prose thickens with heady and appealing constructions. . . . As Albina and her followers traipse over barren lands and into forests protected by ancient Incans, the novel winds toward territory both magical and needfully human. The surreal methods of redemption in the novel’s final pages prove both glorious and moving. Jodorowsky’s is a work of unforgettable weirdness, a work whose

and whose final lessons may speak to all who have ever dreamed of transformation.” —Michelle Anne Schingler, Foreword Reviews, Five-Star Review

The magnum opus from Alejandro Jodorowsky—director of The Holy Mountain, star of Jodorowsky’s Dune, spiritual guru behind Psychomagic and The Way of Tarot, innovator behind classic comics The Incal and Metabarons, and legend of Latin American literature. There has never been an artist like the polymathic Chilean director, author, and mystic Alejandro Jodorowsky. For eight decades, he has blazed new trails across a dazzling variety of creative fields. While his psychedelic, visionary films have been celebrated by the likes of John Lennon, Marina Abramovic, and Kanye West, his novels—praised throughout Latin America in the same breath as those of Gabriel García Márquez—have remained largely unknown in the English-speaking world. Until now. Where the Bird Sings Best tells the fantastic story of the Jodorowskys’ emigration from Ukraine to Chile amidst the political and cultural upheavals of the 19th and 20th centuries. Like One Hundred Years of Solitude, Jodorowsky’s book transforms family history into heroic legend: incestuous beekeepers hide their crime with a living cloak of bees, a czar fakes his own death to live as a hermit amongst the animals, a devout grandfather confides only in the ghost of a wise rabbi, a transgender ballerina with a voracious sexual appetite holds a would-be saint in thrall. Kaleidoscopic, exhilarating, and erotic, Where the Bird Sings Best expands the classic immigration story to mythic proportions. Praise “This epic family saga, reminiscent of Gabriel García Márquez’s One Hundred Years of Solitude in structure and breadth, reads at a breakneck pace. Though ostensibly a novelization of the author’s own family history, it is a raucous carnival of the surreal, mystical, and grotesque.” —Publishers Weekly "A man whose life has been defined by cosmic ambitions." —The New York Times Magazine "A great eccentric original...A legendary man of many trades.” —Roger Ebert For more information on Alejandro Jodorowsky, please visit www.restlessbooks.com/alejandro-jodorowsky

A healing path using the power of dreams, theater, poetry, and shamanism • Shows how psychological realizations can cause true transformation when manifested by concrete poetic acts • Includes many examples of the surreal but successful actions Jodorowsky has prescribed to those seeking his help While living in Mexico, Alejandro Jodorowsky became familiar with the colorful and effective cures provided by folk healers. He realized that it is easier for the unconscious to understand the language of dreams than that of rationality. Illness can even be seen as a physical dream that reveals unresolved emotional and psychological problems. Psychomagic presents the shamanic and genealogical principles Jodorowsky discovered to create a healing therapy that could use the powers of dreams, art, and theater to empower individuals to heal wounds that in some cases had traveled through generations. The concrete and often surreal poetic actions Jodorowsky employs are part of an elaborate strategy intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper self. That is when true transformation can manifest. For a young man who complained that he lived only in his head and was unable to grab hold of reality and advance toward the financial autonomy he desired, Jodorowsky gave the prescription to paste two gold coins to the soles of his shoes so that all day he would be walking on gold. A judge whose vanity was ruling his every move was given the task of dressing like a tramp and begging outside one of the fashionable restaurants he loved to frequent while pulling glass doll eyes out of his pockets. The lesson for him was that if a tramp can fill his pockets with eyeballs, then they must be of no value, and thus the eyes of others should have no bearing on who you are and what you do. Taking his patients directly at their words, Jodorowsky takes the same elements associated with a negative emotional charge and recasts them in an action that will make them positive and enable them to pay the psychological debts hindering their lives.

Jodorowsky ' s memoirs of his experiences with Master Takata and the group of wisewomen--magiciennes--who influenced his spiritual growth • Reveals Jodorowsky turning the same unsparing spiritual vision seen in El Topo to his own spiritual quest • Shows how the author ' s spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers In 1970, John Lennon introduced to the world Alejandro Jodorowsky and the movie, El Topo, that he wrote, starred in, and directed. The movie and its author instantly became a counterculture icon. The New York Times said the film " demands to be seen, " and Newsweek called it " An Extraordinary Movie! " But that was only the beginning of the story and the controversy of El Topo, and the journey of its brilliant creator. His spiritual quest began with the Japanese master Ejo Takata, the man who introduced him to the practice of meditation, Zen Buddhism, and the wisdom of the koans. Yet in this autobiographical account of his spiritual journey, Jodorowsky reveals that it was a small group of wisewomen, far removed from the world of Buddhism, who initiated him and taught him how to put the wisdom he had learned from his master into practice. At the direction of Takata, Jodorowsky became a student of the surrealist painter Leonora Carrington, thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts. These women included Do ñ a Magdalena, who taught him " initiatic " or spiritual massage; the powerful Mexican actress known as La Tigresa (the " tigress "); and Reyna D ' Assia, daughter of the famed spiritual teacher G. I. Gurdjieff. Other important wisewomen on Jodorowsky ' s spiritual path include Mar í a Sabina, the priestess of the sacred mushrooms; the healer Pachita; and the Chilean singer Violeta Parra. The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment.

THE INCAL VOL. 2: THE EPIC JOURNEY continues the adventure of John Difool, illustrated by Mœbius, written by Alexandro Jodorowsky and with updated colors by Val é rie Beltran!
