

## Tarot Classic

The tarot classic that first promoted the practice of reading the cards not just for others but for one’s own personal insight and self-transformation. “Tarot for Your Self was ground-breaking when this book was first published and is still radically significant today.” - Benezell Wen, author of Holistic Tarot “Deciding to work with the Tarot is like embarking on a long, inward journey.” - Mary K. Greer
first book to promote reading the cards for your own insight, revolutionizing tarot through a combined emphasis on self-teaching techniques and personal growth. Tarot for Your Self uses meditations, rituals, spreads, mandalas, visualizations, dialogues, charts, affirmations, and other activities to help you establish your own relationship with the cards. All the information is presented using the beautiful, powerful breakthrough process will turn all your readings into truly transformative experiences. Tarot for Your Self covers interpretations for the major and minor arcana, reversed card meanings for all 78 cards, and enlightening information on your shadow/teacher cards.

Best Tarot Practices is a comprehensive approach to teaching everything you need to know to read the cards for personal insight and spiritual growth, for yourself and others. Using a method that blends modern questions and answers with innovative exercises and encourages intuition, Masino empowers the reader to find their own private connection with each of the cards, fostering a lasting relationship and symbols within the deck. Unlike many other beginning tarot books, Best Tarot Practices focuses not just on how to read the cards, but also on how to become a successful tarot reader—including how to handle difficult questions and messages in a reading, how to deal with needy, greedy, or superstitious seekers, and how to make each reading accurate and personal for the seeker. Best Tarot Practices also includes a section on understanding the tarot, from the four suits and the court cards to the Major Arcana to learning new spreads that offer guidance in becoming your own tarot master. Best Tarot Practices teaches readers how to trust what they already know and how to share that knowledge by reading the cards for others.

According to Chic & Sandra Tabatha Cicero, the tarot is much more than a collection of symbolic images—it’s a vibrant ecosystem of interconnected energies and entities. In this groundbreaking approach to tarot, they introduce how these powerful cards can be magically transformed into talismans and amulets. Part one of this book explores the nature of talismans and amulets, how magic works, and how to use them. The specific energies and talismanic/amuletic uses of each card are described, along with its magical correspondences—spanning elemental, astrological, and Qabalistic qualities. Part two is devoted to “tarot angels” and invoking these divine energies, including how to use the Golden Dawn method, known as telematic magic. Ritual card spreads, consecration rites, and step-by-step examples demonstrate how to use tarot for personal growth, promotion, gain psychic talent, promote healing, mend a broken friendship, enhance magic skills, and more.

This kit is a Tarot classic, combining inspiring, luminous illustrations that make the symbolism of the cards easy to grasp with a guidebook that clarifies the mysteries and symbolism of the Tarot and encourages users as they embark on their own journey of self-discovery with the cards. A highly respected psychologist with an abiding interest in the connection between symbols and the deeper levels of the unconscious, he was captivated by the way in which the Tarot communicates through universal visual symbolism. In the guidebook, he explains how focusing on Tarot symbols can provide us with keys to the vast amount of instinctive patterns of thought and behaviour that is normally inaccessible to our conscious minds, but which determines much of who we are and what we can become. Thus, accessing our unconscious through the Tarot can play a crucial role in our psychological and spiritual development.
