Jakes comes to your aid with a guidebook to help you understand your own needs for emotional and spiritual support. He offers practical, sound answers to assist you in expressing your needs and having them met in healthy and wholesome ways by those you love. This is a candid, no-holds-barred look at sexuality, spirituality, and the seldom mentioned but extremely important emotions that shape success in every area of a man's life. AND LADIES, He-Motions is also for you. Inspirational and refreshingly honest, this is the ultimate source for women seeking to comprehend and care for the men in their lives. Bishop T.D. Jakes provides comforting hope and practical ways for all people, including Christians, to get up after they have fallen. Everyone falls from time to time; and the cause of the fall is not as important as what we do while we are down and how we get back up. Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; He will never leave you nor forsake you (Deuteronomy 31:6). Learn some of these important life lessons: Why pride and selfishness will lead to destruction. How to be content. The temptation to be self-sufficient. Like the woman in the television commercial, we must put aside fear, pride, or embarrassment and call out for help. We must learn not only how to ask for help, but Whom to ask. After all, help is just a breath away.

Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In The Unstuck Church, Morgan unpacks each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. The Unstuck Church is a call for honest an assessment of where your church sits on the lifecycle, and a challenge to move beyond it.

If you have lost the rhythm, the passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary, from the methodical mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the "something more" that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key! !-EndFragment-

With Let It Go Bishop Jakes shows us how we can lead an emotionally vital and spiritually healthy life by learning how to forgive and be forgiven. Our inability to forgive past offenses robs us of joy, peace, and purpose, poisoning our souls with lethal toxins that drain every area of our life. Just as seemingly harmless, carefree moments spent basking in sunshine can lead to the development of a malignant melanoma, the grudges we harbour can metastasize into a cancer on our souls, eating away at our strength, happiness, and productivity. "If we want to experience a life filled with peace, productivity, and power, then we must practice the art of forgiveness. In order to practice forgiveness, we must learn new styles of conflict resolution and new forms of anger management. Aware of God's amazing grace, we can now ask him to forgive us as we forgive those who trespass against us. We can love others out of an awareness of how we ourselves have been forgiven by God and loved unconditionally as his child.' NEW YORK TIMES BESTSELLER • From the author of Relationship Goals . . . Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark . . . until it started raining. It was crazy for Moses to lead a nation of people into the desert away from Egypt . . . until the Red Sea parted. It was crazy to believe that a fourteen-year-old virgin would give birth to the Son of God . . . until Mary held Jesus in her arms. There are many things that seem normal or average today that at one point in time seemed absolutely crazy. Smartphones, Wi-Fi, and even the electric light bulb were all groundbreaking, history-making inventions that started out as crazy ideas. Our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines, but it’s crazy faith that helps us see God move and reveals His promises. In Crazy Faith, Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible. Even if you have to start with baby faith or maybe faith, you can become empowered to let go of your lazy faith, trust God through your hazy faith, and learn to live a lifestyle of crazy faith. With powerful stories of modern-day faith warriors who take their cues from biblical heroes, Michael Todd equips you to • believe for the impossible • choose hope over fear • be alert to the voice of God • cope with loss and doubt • develop a deeper level of trust in God • speak faith-filled declarations • inspire crazy faith in others God’s not looking for somebody to give Him all the reasons why His plans can’t happen. He’s looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is, Are you crazy enough to believe it?

What people need today when they and society at large are in social and economic distress is great advice and spiritual support that is easy to access. 64 Lessons- informed by two of Bishop Jakes' bestselling titles, Reposition Yourself and Making Great Decisions- is a

ready-reference book of advice to keep readers on course in managing their careers, relationships, health, home and spiritual well-being. The 64 lessons explore ideas like: 1. Good choices begin with research; 2. Quitting can be good, at the right time; 3. Begin before 'need' arises; 4. Regret can be the begging of triumph over adversity. For instance, we've all been told that quitters never win. But, there IS a time to quit, whether it's your job, marriage, church or project. The biggest problem with quitting is the timing. Quitting too soon may mean that you relinquish your dreams. Get comfortable with change. Even after you've repositioned yourself, change is constant. You may need to quit something in order to make room for the next season of your life. Before you quit anything, look within and determine your real motives. Revisit the longings deep in your heart. Get a clear perspective on what you're releasing and what your taking hold of. Examine your prior choices and consider what you've 'quit' in the past. This honest self-examination will prepare you for a new beginning.

Bishop Jakes turns his attention and his teachings to the topic of relationships in this new book. "Before You Do" explains the 25 things that people need to know--whether they are single or married--to make great decisions in any relationship.

Learn to rely on Scripture and the Holy Spirit to discover how God will take us beyond what we could achieve on our own. Six Pillars From Ephesians Book 4.

From Genesis to Revelation, it is clear that the Holy Bible is, in the words of Bishop T.D. Jakes, "The Greatest Love Story Ever Told." It is not a book about religion, but relationships—from the creation of a man and a woman and their intimate relationship with God in the Garden through the tragic break in that relationship at the Fall and the eventual restoration of that relationship through Jesus Christ and His death on the cross of Calvary. Let 's face it, we all have questions about relationships in life. When you lay your head down on the pillow at night, do you find these questions about your relationship with God running through your mind? How can I know God personally? Can I find peace and true contentment? What is the purpose of my life? How do I know how God wants me to live? What is prayer? Throughout our lives, we all face a long list of questions on relationships that trouble our souls and require real answers based on real truth. How do I forgive someone who has hurt me badly? Can I mend this broken relationship? When my world seems to be falling apart around me, who can I trust and in whom dare I confide? How do I know whether a person is the right one to date? Will my marriage survive? How do I nourish my child 's heart? What do I do with my fears about expressing my love and care to a friend? The good news is that in God 's Word we find the answers to life 's bewildering relationship questions. We are not left to figure it out on our own and in our own strength and power. You are invited to begin a lifelong journey to discovering God 's words of truth for your life and relationships, and to discovering God Himself in the words of His Book!

The T.D. Jakes Relationship Bible

New York Times bestselling author T.D. Jakes explains the tools that we need to know—whether we’re single and looking to have a committed relationship or already married—before taking the next big step. The star of BET’s Mind, Body & Soul, and featured guest speaker on Oprah’s LifeClass, Potter’s House pastor, T.D. Jakes turns his attention to the topic of relationships, guiding you on the right track to making decisions you will benefit from for the rest of your life. In the vein of Joel Osteen’s Become a Better You and Dr. Phil’s Life Strategies, the New York Times bestselling Making Great Decisions gives you the psychological and practical tools you need to reflect, discern, and decide the next step toward strong relationships in your life. “Remember,” writes T.D. Jakes, “your tomorrow is no better than the decisions you make today.” “My promise is that if you read this book, you will be equipped, you will know all you need to know about making foolproof relational decisions,” writes T.D. Jakes. Choosing the right partner, at home or at work, is one of the most consequential decisions we’ll ever make. How can we be sure that we’re choosing wisely? How do we know if we’re doing the right thing when we change careers? By breaking our decisions down into their five crucial components: -Research: gathering information -Roadwork: removing obstacles -Rewards: listing choices and visualizing consequences -Revelation: narrowing your options and making your selection -Rearview: looking back and adjusting as necessary to stay on course Clear-sighted, realistic, and spiritually uplifting, Making Great Decisions is one of those rare books that can change lives.

T.D. Jakes, New York Times bestselling author of Reposition Yourself, Making Great Decisions, and more than a dozen other titles, presents this book on forgiveness, demonstrating once again why he is called “a spiritual genius,” a “master of meeting mankind eye to eye,” and one of America’s best preachers. Jakes understands that he and fellow Christians share spiritual truths “that transcend time and culture and reflect a universal understanding of human nature.” The spiritual truth he explores in Let It Go concerns forgiveness and why it is important for those on the receiving end of wrongful behavior as well as those who commit acts of wrongdoing. “Forgiveness is a big idea and it works best when it is invested into people who have the courage to grasp the seven-foot-high idea of what’s best for their future rather than the four-foot-high idea of recompense for what has happened in their past,” Jakes writes in Let It Go. This book explores forgiveness as an idea and at the same time offers specific and clear actions for readers who seek to apply the idea in their daily lives. Offenses are a part of life, he says. But conflicts can be resolved and relationships do have a future, if we learn how to forgive. No matter how great or small the injustice, Jakes shows how the matter can be put behind you for the sake of a better tomorrow if you can Let It Go.

T.D. Jakes introduces readers to men of the Bible in this devotional favorite. The readings help men realize that God created them to be free, powerful, and filled with purpose. Each short devotional includes a reading, Scripture, and suggestion for prayer. New York Times bestselling author T.D. Jakes explores the importance of Christ’s death on the cross and the importance of the Holy Spirit which gives power, anoints believers, and yields joy. In his new book From the Cross to the Pentecost, New York Times bestselling author T.D. Jakes explores the importance of Christ’s sacrifice on the cross and emphasizes the power of the Holy Spirit in Christians’ lives. The ultimate result of Jesus’ death on the cross sealed the disconnect created by Adam’s fall in the Garden of Eden and reconnected the cord between God and humanity through the outpouring of the Holy Spirit. God’s gift of the Holy Spirit not only gives us power but anoints us to be witnesses for Him. God has something glorious for every one of us who believes and receives it. The relationship with the Holy Spirit empowers us to serve with joy!

We were created by an infinitely creative God to reflect his love and character to the world. One way we do that is by continuing his creative work. In this energizing book, serial entrepreneur and bestselling author Jordan Raynor helps artists, entrepreneurs, writers, and other creatives reimagine our work as service to God and others, addressing such penetrating questions as - Is my work as a creative really as God-honoring as that of a pastor or missionary? - What does it look like to create not to make a name for myself but to glorify God and serve others? - How can I use my work to fulfill Jesus's command to create disciples? - Will what I make today matter in eternity? To answer these questions, Raynor shares compelling stories from an eclectic group of 40+ Christian entrepreneurs, including the founders of TOMS Shoes, Charity: Water, Chick-fil-A, In-N-Out Burger, Guinness, HTC, and Sevenly, as well as nontraditional entrepreneurs such as C. S. Lewis, Johann Sebastian Bach, and J. R. R. Tolkien. Raynor's "show" rather than "tell," story-driven style makes you feel as if you are sitting at the feet of some of the godliest and most successful entrepreneurs of all time. Perfectly poised to reach today's growing creative class, this unique work restores God's position as the first entrepreneur, helping readers see the eternal value in the work they do today.

This devotional not only helps dispel doubts but also strengthens your faith in God's love and purpose for you.

In his new book Before You Do, bestselling author Bishop T.D. Jakes turns his attention from repositioning yourself for a life without limits to cultivating relationships in the best way possible with the most important people in your life: parents, children, spouses and others who are your most beloved and in need of your support. As one of America's most trusted advisors, counsellors, and pastors, Jakes teaches us what to do before we: propose marriage; consider divorce; send our children off to school; put our elders into assisted living situations or other treatment facilities, and so many more major steps each of us are faced with taking at some point in life. He uses the lessons he has learned from his own marriage and family life as well as others to encourage and inspire people to give and receive the greatest love possible.
